I wish to apply for an exhibit and agree to the following:

1. This application may be submitted electronically to [joshua.wagner@nashville.gov](mailto:joshua.wagner@nashville.gov). Please include a copy of your resume and artist statement if possible.
2. You will exhibit 10-12 art works depending on size (artwork not previously shown in CAC gallery).
3. All works submitted are subject to approval by the Nashville Metro Board of Parks and Recreation and Art Center Director. Works considered non-compatible with the program of the Board of Parks will be excluded from the exhibit.
4. The artist is responsible for transportation of artwork to and from the gallery. Works must be ready to install (i.e. wired for hanging, mounted, clean, labeled, etc.).
5. Neither the Board of Parks nor Centennial Art Center staff assumes any financial responsibility for any loss to any artist that might result from fire, vandalism, theft, or any other reason.
6. All sales of art made during the exhibit are made through Metro Parks' Centennial Art Center. Artists are paid 70% of the pre-tax sales price approximately 2-4 weeks after the closing date of show. Centennial Art Center will retain the remaining portion of the sales price as commission.
7. The Art Center installs exhibits but may require your assistance.
8. The Board of Parks, Centennial Art Center Director, or exhibiting artist may void this agreement by submitting a 65-day notice in writing.
9. CAC will create an electronic invitation which the Art Center will distribute to its email distribution list and via social media. Artists are welcome to forward these to their distribution list and social media.
