METROPOLITAN GOVERNMENT OF NASHVILLE & DAVIDSON COUNTY
Department of Information Technology Services

Seeking

Information Technology Interns

Must apply on line at: http://www.nashville.gov/Information-Technology-Services/Employment/Interns.aspx

(5) Non Civil Service Positions – 19.5 hours weekly

<u>SALARY:</u> $15.00 per hour

The scope of technology utilized by the Metropolitan Government of Nashville and Davidson County ranges from simple communications devices such as handheld tablets to complex database driven software applications that enable communications and interactions both internally and with the general public. ITS provides technology services to increase the speed of business and availability of information in new ways that were never before possible. Supporting this vast range of technology are teams of dedicated specialists assigned to the different technology service areas. Metro ITS is the combination of these teams, creating a cohesive, structured organization that continually strives to support Metro business in the most efficient and effective manner and to implement secure, cost-effective information technology solutions.

<u>Interns will assist:</u>

- The Field Support Services Division on a special one year part-time assignment assisting with the deployment of new devices or applications

<u>Requirements:</u>

- Demonstrated outstanding academic achievement and an aptitude for Computer Science, Information Technology or Network Engineering
- A strong record of team, project and/or people leadership in a work setting and/or extracurricular activities
- The ability to thrive in fast-paced, deadline-oriented environment; willingness to take initiative to understand the business
- An aptitude for problem solving; strong writing and verbal communication skills
- Previous successful experience as an active member of a team
- A strong commitment to excellence and to personal and professional growth
- Must be resourceful, responsible, tenacious, curious, independent, confident and high energy

ITS is a 24x7 information technology shop. Applicant must be willing and available to perform duties as required by the job. This may include occasional work on nights, weekends and holidays as necessary.

Candidates must receive and maintain 'pass' status from Metro Nashville Police Department (MNPD) background check.
