

BOARD OF ZONING APPEALS
Fee Schedule

Fees

Variance & Special Exceptions (With Construction)

Appeals Fees are based upon the valuation of the permit and are 1/10 of 1% of such valuation. For example, If a variance for the construction of a new single family residence has a valuation of \$135,350. The zoning appeals fee would be \$135.35 **plus** sign fee of \$10 per 300 linear feet per street.

Variance & Special Exceptions (Without Construction)

Appeals Fees for projects that have no construction or valuations less than the base fees are \$100 for residential (covering up to \$100,000 construction value or less) and \$200 for non-residential (covering up to \$200,000 construction value) **plus** sign fee of \$10 per 300 linear feet per street.

Administrative Appeals (Item A Appeals)

Appeals Fees are \$100 **plus** sign fee (if applicable).
