SPECIAL EVENT ADA AWARENESS MATERIAL

All City-sponsored workshops, conferences, hearings, events, or any other activities related to the Metropolitan Government of Nashville and Davidson County, must be accessible to people with disabilities. All workshops, conferences, hearings, events, or any other activities held on Metro property must be accessible to people with disabilities. The ADA Compliance Division provides the following information to assist you in ensuring that your events are accessible.

GENERAL

- Concern should be given to the accessibility of your event's location.
- An event layout map with all elements (such as parking, portable toilets, ramps, seating, accessible paths of travel, etc.) is required with this application.
- All printed material for an event is to include the Request for Accommodation notice with the international symbol for accessibility, a contact name, and the contact's phone number.
- Requests for accommodation may include material in an alternate format, an interpreter, or assistive listening devices.

BARRIERS

- Concern should be given to elevation changes of more than ¼" vertical or ½" beveled. This classifies as a barrier and requires a temporary ramp.
- All cords, wires, hoses, etc., that are located within a path of travel must be ramped or placed within a cord cover.

PATHS OF TRAVEL

- An alternate path of travel is required with the public right-of-way is obstructed.
- If an alternate path of travel is provided, signage designating the alternate path of travel is required.
- An alternate path of travel must be provided whenever the existing pedestrian access route in a public right-of-way is blocked by temporary conditions.
- Where possible, the alternate path of travel shall be parallel to the disrupted pedestrian access route, and on the same side of the street.
- An alternate path of travel shall have no protrusions up to a height of 80", including scaffolding and scaffolding braces. Where the alternate path of travel is adjacent to potentially hazardous conditions, the path must be protected with a barricade.

PARKING

- If parking is provided for an event, accessible parking is required.
- If no parking is provided for an event, an accessible passenger loading and unloading zone is required.
- Accessible parking and passenger loading and unloading zones are required to be identified using the international symbol for accessibility.
- Signs with the international symbol for accessibility are to be mounted at a minimum of 60" from the finished floor or the ground.

SALES OR SERVICE COUNTERS

- If sales or service counters are provided for your event, the height must be no more than 36" from the finished floor or the ground, and the width must be at least 36" wide.

ACCESSIBLE ROUTE

- An accessible route is required from the accessible parking, and from the passenger loading and unloading zone to the event entrance.
- An accessible route is required within the event.
- An accessible route must be a minimum of 36" in width.
- Accessible routes must be identified with the international symbol for accessibility, including directional arrows, a minimum of 60" from the finished floor or the ground.
- Temporary ramps that do not exceed a 8.33% grade may be required to provide an accessible route.

SEATING

- If seating is provided, accessible seating and companion seating are required.
- Accessible seating and companion seating areas must be identified using the international symbol for accessibility, placed at a minimum height of 60" above the finished floor or the ground.

PORTABLE TOILETS

- If portable toilets are provided, they must be accessible and located on a level area not to exceed a 2% cross-slope in any direction.
- The total numbers of portable toilets that are being provided for the event determines the required number of accessible portable toilets. This number is 5% of the total, but in no event less than one for each location. If a single unit is placed, it must be accessible. The placement of single units will increase the number of accessible portable toilets required for your event.
- An accessible route to each portable toilet is required.
- Accessible portable toilets must be identified with the international symbol of accessibility.
