

RESOLUTION NO. 06-02

A resolution approving and authorizing the Metropolitan Public Health Department to submit applications for grant funding from governmental entities and private foundations to further the mission, purpose, and strategic objectives of public health with the single prohibition that such application does not stipulate award acceptance.

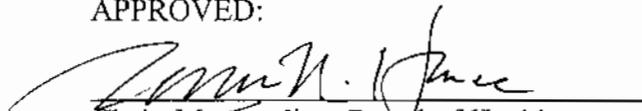

Whereas, the Metropolitan Board of Health is the governing body of the Metropolitan Public Health Department; and

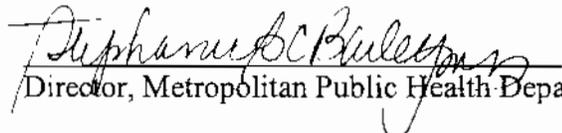

Whereas, the Metropolitan Board of Health, as the governing body, has the authority to approve and/or authorize the Metropolitan Public Health Department's application for grants; and

Whereas, the Metropolitan Public Health Department desires additional funding support beyond that provided through local funding to achieve better public health for the community.

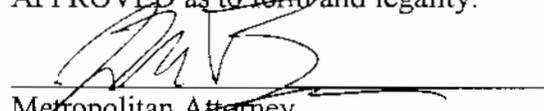

THEREFORE, BE IT RESOLVED by the Metropolitan Board of Health of the Metropolitan Government of Nashville and Davidson County that the Metropolitan Board of Health hereby approves and authorizes the Metropolitan Public Health Department to submit applications for grant funding from governmental entities and private foundations, provided that if any application stipulates award acceptance, such application shall be brought before the Board of Health independently for approval.

APPROVED:

  
Chair, Metropolitan Board of Health

  
Director, Metropolitan Public Health Department

APPROVED as to form and legality:

  
Metropolitan Attorney
