Metropolitan Planning Commission mission statement

The Planning Commission guides growth and development as Nashville and Davidson County evolve into a more socially, economically and environmentally sustainable community, with a commitment to preservation of important assets, efficient use of public infrastructure, distinctive and diverse neighborhood character, free and open civic life, and choices in housing and transportation.

Metropolitan Planning Department mission statement

The Planning Department provides design guidance, reviews zoning and subdivision applications, and shapes public policy related to growth and development. We are committed to proactive, community-based planning founded on public participation, and to the building of livable, sustainable communities.
