Note: UCR Part I incident data sourced from MNPD Forms 100 (Incident Report) and 104 (Supplement Report). Council District boundaries do not overlay precisely with the geographic reporting areas designed and used by the MNPD. This report provides a static piece of information on those crimes reported during the stated time frame based on the date of this report. Preliminary offense classifications are based upon initial information provided to the MNPD by the reporting parties, complainants, and witnesses. However, based on the nature of policing, preliminary offense classifications may change at a later date based upon further investigation. This report excludes incident reports taken by the Belle Meade, Goodlettsville, Tennessee State University, and Vanderbilt University Police Departments.
