

Objective	Encampment Visioning – Public Meeting
Governance	<ul style="list-style-type: none"> ▪ Create rules & guidelines. ▪ Self-governing based on understood and agreed upon guidelines should play a role to manage residents and control order at the campsite (“Three strikes and you’re out”, establish some sort of participation requirements, for example, help clean up the camp, etc.). ▪ Minimum requirements set by land owner/land owner involvement. ▪ A board of directors (included/guided by nonprofits that offer some services to the camp). This board would help with camp guidelines.
Funding	<ul style="list-style-type: none"> ▪ Participants agree that the funding discussion will depend on the size, location, governance, etc. and will be an item to be discussed at a later point in time.
Location	<ul style="list-style-type: none"> ▪ ½ a mile near a bus line. ▪ More than one location. Having numerous camps with numerous models will help us try different ways. ▪ What about a non-residential area, a warehouse area? ▪ What about the old “Tent City” location? ▪ Agricultural land in Davidson County? ▪ What about the Spencer Youth Center location? ▪ What about the building at 1306 Katie Avenue in North Nashville, which used to be a medical center? (SunBridge Care & Rehabilitation) ▪ Greer stadium?
Amenities	<ul style="list-style-type: none"> ▪ Emergency tent for people who are found at night. ▪ Shower facility. ▪ Toilets. (at least port-a-potties.) ▪ Sanitation pick-up: trash pick-up, recycling. ▪ Mail services. ▪ Gardens for food production. ▪ Potable water. ▪ Handicap-accessible.
Capacity	<ul style="list-style-type: none"> ▪ About 20X20 for each person. ▪ Not over 100 people. ▪ Accessible for emergency vehicles. ▪ Figure out how much space each person needs to be comfortable, and how much space to have access for emergency vehicle.
Requirements	<ul style="list-style-type: none"> ▪ No background checks (some disagreement with some folks believing there should be limited background checks). ▪ There should be a camp that is just for families; age-specific camps (minors & adults). ▪ Legal substances should be approved. ▪ Internal security. ▪ Access should be given on a first-come, first-serve basis. ▪ It should be said that a camp resident has to be either work with Mental Health Coop, Park Center, or OTN (with a housing navigator). ▪ Working with social service resources (wrap-around services). ▪ Active job search. ▪ Pets allowed. ▪ Couples allowed.

<p>"Parking Lot" (deferred discussion topics)</p>	<ul style="list-style-type: none"> ▪ Community outreach and education to address NIMBY. ▪ Create different models for different camps: <ul style="list-style-type: none"> ○ 1 for families ○ 1 for adults ▪ Policy issues need to be addressed such as land-use changes ▪ What happens to Fort Negley?
