The cost thereof is to be computed at utility rates as the same are in effect from time to time. If Licensee cannot install separate meters or sub-meters, Licensee shall pay Authority a reasonable monthly fee for such utilities under a formula mutually agreed to by the Parties. The Authority shall have no liability for failure to furnish electrical or other utilities or services to Licensee when the failure results from causes beyond the Authority's reasonable control, but in case of such failure the Authority will take all reasonable steps to restore interrupted utilities and services.

2.8 Alterations By Licensee. Licensee shall not make any alterations, renovations, improvements or other installations in, on, or to the Licensed Premises or any part thereof or any other areas (including, without limitation, any alterations of signage, structural alterations, or any cutting or drilling, or any securing of any fixture, apparatus, or equipment of any kind to any part of the Music City Center) until Licensee shall have received the Authority's prior written approval of Licensee's plans and specification in connection with such alterations, renovations, improvements, or other installations, and such approval shall not be unreasonably delayed, denied, or conditioned. If such approval is granted, Licensee shall cause the work described in such plans and specifications to be performed, at its expense, promptly, efficiently and competently by duly qualified or licensed persons or entities and will use its commercially reasonable efforts not to interfere with or disrupt the operation of the Music City Center. All such work shall comply with all applicable codes, rules, regulations and ordinances. Notwithstanding the foregoing, Licensee shall have the right to make alterations or improvements that are reasonably required to make upgrades or enhancements to the DAS in the normal course of business and provided that any service interruptions are minimized and scheduled in advance with the Authority.

2.9 Maintenance by Licensee.

- (a) Licensee will keep and maintain the Licensed Premises in good condition, reasonable wear and tear excepted.
- (b) Licensee shall bear all costs for maintenance, repair and ongoing operating costs and agrees to maintain the DAS in accordance with industry standards, including [i] providing the Authority with access to commercially appropriate technical support resources; and [ii] responding to service outages in accordance with the service levels identified in Exhibit E.

Licensee will provide a statement of interference resolution for RF interference, electrical/mechanical interference, digital and optical interference. The Authority agrees to work in good faith with Licensee to resolve any interference issues and will not knowingly allow any other party to interfere with the DAS.

2.10 Equipment Furnished by Licensee.

- (a) Licensee shall furnish at its own expense all equipment necessary to install, operate and maintain a DAS system, and as more fully detailed in Licensee's proposal and work plan. Licensee is also responsible generally for any and all specific equipment necessary or convenient to the conduct of Licensee's DAS services for a world-class convention center operation at the Music City Center. Licensee acknowledges that the Authority will not furnish any equipment or items. Any fixed infrastructure existing or installed by the Authority shall remain the property of the Authority. - (b) Licensee shall be responsible for the repair, alteration and replacement of all Licensee's equipment and furnishings during the entire Term. Licensee, in consultation with the Authority, shall provide a detailed equipment schedule and maintain a comprehensive preventive maintenance program with respect to any equipment or other property owned by Licensee and used in the conduct of its operations at the Music City Center.
- (c) If Licensee wishes to install new equipment in addition to that provided by this Agreement, any such equipment shall be approved by the Authority, which approval shall not be unreasonably withheld, conditioned or delayed. Such approval shall not be required to any upgrades of the equipment which are made in the ordinary course of business.
- (d) All trade fixtures which are owned by Licensee and installed in the Licensed Premises shall remain the property of Licensee and shall be removable by Licensee upon the expiration or sooner termination of this Agreement; provided that Licensee shall repair any damage to said facilities or any other areas in the Music City Center caused by the removal of said fixtures and shall restore such facilities or other areas in the said facilities to their condition prior to the installation of such fixtures and equipment. If Licensee is in default of any payment obligation owed to Authority under the terms of this Agreement,

Licensee shall not remove or permit the removal of such property until all defaults have been cured.

- (e) In connection with providing the Emergency Services, Licensee shall provide the infrastructure required to provide such services on the DAS, including all necessary cables equipment identified in Exhibit F-1 (the “Fire and Safety Equipment”). Notwithstanding any terms to the contrary in this Agreement, upon the installation of the RF Source (as such term is defined in Exhibit F-1) and its related components by Licensee, ownership of the RF Source and such related components listed on Exhibit F-1 shall transfer on behalf of the Authority to Metro Radio Communications, an instrumentality of the Metropolitan Government of Nashville and Davidson County and affiliate of the Authority (“Metro”). Upon such installation, Licensee shall deliver to Metro a bill of sale for the RF Source in the form attached hereto as Exhibit F-2 (the “Bill of Sale”). Notwithstanding the foregoing to the contrary, Licensee shall have no obligation to repair, maintain, or replace the RF Source or its related components, provided, however, Licensee shall take commercially reasonable efforts to notify Metro if Licensee becomes aware of any signal failure with respect to the RF Source. If Metro or Licensee determines in its reasonable and prudent opinion that the RF Source or its related components must be replaced or repaired in order to continue providing the Emergency Services, the Authority, solely at the Authority’s cost and expense shall cause the RF Source to be repaired or replaced. - (c) The Authority may exercise any other legal or equitable right or remedy which it may have.
- (d) Upon such termination or expiration of this Agreement, the Authority may enter into a service, license or successor contract of any nature with another party or parties, on any terms and condition acceptable to the Authority in its sole discretion, provided, however, the Authority shall have no right to use Licensee's equipment and components installed in connection with the DAS, and Licensee shall have the right to remove any such equipment and other components upon ten (10) days written notice given to the Authority.

2. The DAS system shall be carrier format neutral and capable to support FEC licensed cellular carriers operating in the market every, independent of wireless frequencies and formats used.
3. The DAS system and all its subsystems shall be designed to operate twenty-four (24) hours a day and 365 days a year.
4. The DAS system must be compatible with current (EVDO/EVDV and UMTS) and new technologies, (for example 4G) as well as current re-banding efforts.
5. The DAS system must be compliant with the Authority's local life safety (Police and Fire) frequencies - (800 MHz and 700 MHz).
6. The DAS system must be maintained as technologies evolve and be able to expand the DAS system to accommodate additional interested carriers at later intervals.
7. The DAS system design must use modular architecture.
8. Prior to any installation, all antenna mounting locations are to be approved by the Authority.
9. The DAS system will have active (powered) elements that filter and amplify signals to consistently deliver wireless services at the appropriate power levels. The solution will support all requested services to insure that each service (or carrier) has the ability to adjust and control power levels without disturbing other services.
10. At a minimum, for cellular and PCS coverage, the DAS system must deliver signal strength of -85 dBm to -89 dBm to 95% of the facility.
11. The DAS system may utilize fiber optics to distribute signals within the vertical risers.
12. The DAS system will use fiber and/or coax cable in the horizontal runs to remote antenna units or directly to passive broadband antennas in the distribution area

13. The DAS system will use a point-to-multipoint distribution architecture to provide different services and power levels across the Music City Center.

14. The DAS system shall be SNMP compliant. In the absence of an SNMP-based NMS system, the DAS system must provide a centralized management system that provides a system-wide view of the in-building deployment.

15. The DAS system will provide end-to-end status information from Licensee's BDA/BTS to the remote-end including the antennas, provided, however, Licensee shall have no responsibility for providing status information with respect to the BDA/BTS equipment of any other carriers or sublicensees.

2. Licensee shall design the DAS System to minimize the equipment that would be placed or mounted internally on building structures and in any publicly visible location to the extent Licensee can maintain the integrity and functionality of the DAS.
3. Licensee agrees to use stealth antennas and antennas that blend into the Music City Center architecture. Indoor antennas shall be low profile and suitable for suspended ceilings or walls and shall be able to support FEC licensed wireless carriers. Prior to any installation, all antenna mounting locations are to be approved by the Authority.
4. The Authority will establish a clearly labeled point of demarcation. The contractor is responsible for getting service into the designated room and extending from DEMARC to head-end equipment room.
5. Fixtures will not be placed in locations that will interfere with gas, electric, steam, fixtures, water or other fixtures the Authority deems as having priority.
6. Licensee will be dependent on the Authority for facility access. The Authority maintains 24/7 on-call personnel and public safety personnel security.
7. When the Authority undertakes building improvements which may affect the functionality, performance, or physical integrity of the DAS, the Authority will provide no less than thirty (30) days' notice to Licensee, and in such thirty (30) days' notice, the Authority may direct Licensee to temporarily or permanently move or relocate its wires, conduits, cables and other property located in the Licensed Premises, provided the Authority provides a suitable alternative location for which Licensee may relocate and continue to operate the DAS in accordance its then current functionality and coverage, and provided that no such relocation shall diminish or weaken the carrier signals and services provided by the DAS without Licensee's express written consent.
8. Licensee is responsible for daily clean up and trash removal during the initial installation and any subsequent work performed by contractor or other carriers.
9. All reasonable safety guidelines and construction standards set by the Authority in the ordinary course of business.

Section 2.1 Creation of Units; Map.

(a) The Units. The Property is hereby divided into fee simple estates composed of three separately designated Units, being the Hotel Unit, the CMHF Unit, and the Authority Unit, and each such Unit's undivided interest in and to the Common Elements. Each Unit, together with such Unit's undivided interests in the Common Elements is for all purposes a separate parcel of and estate in real property. The separate parcels of and estates in real property designated hereby shall be created on the date of filing of this Master Declaration in the Condominium Records, and shall continue until this Master Declaration is revoked or terminated in the manner provided in this Master Declaration. Upon creation, under and pursuant to this Section 2.1(a), the Hotel Unit shall be subject to each and every provision, including the rights of the Hotel Unit Owner, of the Facility Lease.

(b) The Map. The Map sets forth the following: (i) a general description and diagrammatic plan of the Condominium; (ii) the location and dimension of all real property subject to the Development Rights; (iii) all major Improvements, including each Unit, showing its location within the Building and floor(s); (iv) the Parking Spaces designated for use by certain Owners; and (v) such other information as is desirable or required pursuant to the Act. The measurements set forth on the Map as to each Unit are approximate values taken from the plans and specifications for the Property and may not be precisely accurate as to any Unit due to variances in construction and interior floor plans. **NEITHER DECLARANT NOR ANY OWNER SHALL BE LIABLE TO ANY OTHER OWNER AS A RESULT OF ANY DISCREPANCIES IN ACTUAL UNIT MEASUREMENTS FROM THOSE SET FORTH ON**

THE MAP, AND EACH OWNER, BY ACCEPTING A DEED TO A UNIT OR A SUB-UNIT, WAIVES ANY SUCH CLAIM OR CAUSE OF ACTION.

Section 2.2 Description of Units and Common Elements. Subject to the reservations and Easements created by Declarant in this Master Declaration, the Units shall consist of the following and any logical extension thereby as determined in Declarant's reasonable judgment:

(a) Hotel Unit. As depicted on the Map, the Hotel Unit shall include the following items:

(i) The portion of the Land shown on the Map as the "Hotel Land."

(ii) The Hotel Parking Spaces.

(iii) All other walls, floors, ceilings, hallways, lobbies, windows, doors, elevators and other Improvements that serve the Hotel Unit exclusively, to the extent the same do not constitute the Structure.

(iv) Hotel Limited Common Elements: The Limited Common Elements appurtenant to the Hotel Unit shall include those items designated on the Map.

(b) CMHF Unit: As depicted on the Map, the CMHF Unit shall include the following items:

(i) The portion of the Land shown on the Map as the "Hall of Fame Land."

(ii) The CMHF Parking Spaces.

(iii) All other walls, floors, ceilings, hallways, lobbies, windows, doors, elevators and other Improvements that serve the CMHF Unit exclusively, to the extent the same do not constitute the Structure.

(iv) CMHF Limited Common Elements: The Limited Common Elements appurtenant to the CMHF Unit shall include those items designated on the Map.

(c) Authority Unit: As depicted on the Map, the Authority Unit shall include the following items:

(i) All other walls, floors, ceilings, hallways, lobbies, windows, doors, elevators and other Improvements that serve the Authority Unit exclusively, to the extent the same do not constitute the Structure.

(ii) Authority Limited Common Elements: The Limited Common Elements appurtenant to the Authority Unit shall include those items designated on the Map.

(d) General Common Elements. As depicted on the Map, the General Common Elements shall include all the Common Elements that are not Limited Common Elements, including the Structure, and certain stairways, generators, and other mechanical areas that serve all of the Units.

(e) Descriptions Subject to Map. The descriptions of the Units and the Common Elements set forth in this Section 2.2 represent the general intention of Declarant; provided, however, if a discrepancy exists between this Section 2.2 and the Map, the Map shall control.

(f) Additional Information to Interpret Unit Boundaries. Except as may be otherwise provided for herein, the Unit boundaries will include any and all attachments to, protrusions from and appurtenances attached to and exclusively serving such Unit (including the spaces located within any balconies intended to serve the Unit) and will exclude any portion of the Common Elements that may be located within such Unit's boundaries (as shown on the Map). Additionally, to the extent that any Structure, Systems or Improvements exclusively serve or support a Unit, as may be designated as exclusively serving such Unit on the Map, such items will be deemed a part of such Unit whether located within, outside, or below the Unit, and whether or not attached to or contiguous with the Unit. Unless otherwise designated as Limited Common Elements, elevator systems (including, but not limited to elevators, elevator shafts, elevator lobbies and all related mechanical and electrical systems) and stairs that serve a single Unit (including any part of any system or stairs located outside the boundaries of the Unit), as may be designated as exclusively serving such Unit on the Map, will be deemed part of the Unit. Furthermore, if any chutes, flues, ducts, conduits, wires, pipes, chases or other apparatus lies partially within and partially outside of the designated boundaries of the Unit, any portion thereof which serve only that Unit will be deemed to be a part of that Unit, while any portions thereof which serve or may serve more than one Unit will be deemed as part of the General Common Elements unless otherwise designated as Limited Common Elements on the Map.

In the event that there is a conflict between the boundaries of a Unit as described in this Section and as shown on the Map, the boundaries of a Unit as shown on the Map will control. It is the express intent of the Declarant that the property described as being part of each Unit will for all purposes herein be treated as and constitute a lawfully described "Unit" as that term is defined in the Act. In the event that there is a final judicial determination by a court of competent jurisdiction that the boundaries of a Unit or any portion thereof are so indefinite and vague so as to not create a legally constituted "Unit" within the meaning of the Act, then that portion of the Unit that has not been adequately described will be severed from the property deemed a part of the Unit (if the remainder of the Unit, excluding the severed portion thereof, constitutes a property described "Unit" under the Act) and will thereafter be deemed to be Limited Common Elements reserved to the exclusive use of said Unit, subject to the rights and obligations of other Owners with respect to said property.

Section 2.3 Subsequent Sub-Unit Condominiums.

(a) Creation of Sub-Units. Each Owner shall have the option and right to create a Sub-Unit Condominium within the boundaries of such Owner's Unit, subject to the satisfaction of the requirements of the Act. The creation of any Sub-Unit Condominium will not modify any obligations, limitations, rights, benefits or burdens established in this Master Declaration, except as set forth in Subsection 2.3(c) of this Master Declaration.

(b) Sub-Unit Condominium Association. If an Owner elects not to form a Sub-Unit Condominium Association upon the creation of a Sub-Unit Condominium, all rights of the Sub-Unit Owners in and to the Allocated Interests of the Unit from which the Sub-Unit Condominium is created shall be as specified in the Sub-Unit Declaration, as limited in this Section 2.3. If not so specified, a majority of the Allocated Interests of the Unit from which the Sub-Unit Condominium is created (calculated for the Sub-Units in the same manner as the Allocated Interests) shall exercise all rights of the Sub-Unit Owners provided that only one Sub-Unit Owner

shall be designated to act as their representative, which designated representative shall be the member of the Master Association representing such Sub-Unit Condominium. The Master Association shall be required to deal only with such designated representative, and if a majority of the Allocated Interests of the Unit represented by the Sub-Unit Owners shall be unable to agree, or if they shall fail to designate a representative to act on their behalf, such Sub-Unit Condominium will not be entitled to have a representative as a member of the Master Association and the Allocated Interests of the Unit from which the Sub-Unit Condominium is created shall have no vote or ability to exercise any rights under this Master Declaration, including bringing legal action against the Master Association, until such time as a majority of such interests have agreed and so designated their representative.

(c) Obligations of Sub-Unit Owners and Sub-Units. Upon the filing of a Sub-Unit Declaration, any and all obligations (including the obligations to pay Assessments), liabilities, limitations, rights, benefits, or burdens as established in this Master Declaration and that are vested or that may in the future become vested in the Owner filing such Sub-Unit Declaration and upon such Unit, shall automatically become the obligations (including the obligations to pay Assessments), liabilities, limitations, rights, waivers, benefits or burdens of any Sub-Unit Owner and its Sub-Unit to the extent of such Sub-Unit Owner's allocated interest in the Sub-Unit Condominium's common elements or as otherwise provided in the Sub-Unit Declaration. The failure of any Sub-Unit Owner to pay assessments, in relation to its Sub-Unit, shall not create a lien against the Sub-Unit of any other Sub-Unit Owner in any Sub-Unit Condominium. The Owner that files such Sub-Unit Declaration and the Unit that is subdivided shall be relieved of all of such obligations (including the obligations to pay Assessments), liabilities, limitations, rights, waivers, benefits or burdens in relation to each Sub-Unit acquired by a Sub-Unit Owner except with respect to those Sub-Units that are owned by the Owner that files such Sub-Unit Declaration. Any Owner that files a Sub-Unit Declaration agrees to include the following provision in the Sub-Unit Declaration:

"Upon the filing of this Sub-Unit Declaration and acceptance of a deed to a Sub-Unit, any and all obligations (including the obligations to pay Assessments as provided in the Master Declaration), liabilities, limitations, covenants, conditions, restrictions, requirements, duties, waivers or burdens that encumber, are imposed upon or that in the future may encumber or become imposed upon the Land or Declarant in relation to the unit, under and pursuant to the Master Declaration, are hereby assumed in their entirety by such Sub-Unit Owners and Declarant (with respect to any Sub-Unit owned by Declarant) and the successors and assigns of the Sub-Unit Owners and Declarant, except as otherwise provided herein with respect to the easements contained in the Master Declaration. The covenant and agreement of the Sub-Unit Owners set forth in this Section shall be a covenant that runs with the Land. EACH SUB-UNIT OWNER AGREES TO INDEMNIFY AND HOLD HARMLESS DECLARANT, AND ANY OTHER SUB-UNIT OWNER, FROM SUCH SUB-UNIT OWNER'S SHARE OF ANY AND ALL LIABILITIES, COSTS, EXPENSES (COMMON OR OTHERWISE), AND ASSESSMENTS RELATING OR APPERTAINING TO SUCH SUB-UNIT OWNER'S SUB-UNIT WITH RESPECT TO THE MATTERS ASSUMED BY EACH SUB-UNIT OWNER PURSUANT TO THIS PROVISION."

Section 2.4 Allocation of Interests in Common Elements. The initial Allocated Interests have been determined by dividing the square footage of each Unit by the square feet of all Units and are

indicated opposite the Unit in Exhibit C attached to this Master Declaration. The Common Elements shall remain undivided.

Section 2.5 Inseparability of Units; No Partition. Each Unit shall be inseparable, and shall be acquired, owned, conveyed, transferred, leased and encumbered only as an entirety, except for the (a) creation of one or more Sub-Unit Condominiums as permitted by this Master Declaration; and (b) provisions of Section 3.2 and Section 3.7 of this Master Declaration. In no event shall a Unit be subject to physical partition, and no Owner shall bring or be entitled to maintain an action for the partition or division of a Unit or the Common Elements. Any purported conveyance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the Common Elements without the Unit to which such Common Elements are allocated is void *ab initio*, with the exception of the conveyance of any Sub-Unit in a Sub-Unit Condominium in accordance with the terms and conditions of the Sub-Unit Declaration establishing the Sub-Unit Condominium, if and when same is created.

Section 2.6 Permissible Relationships; Description.

(a) **Ownership of Units.** A Unit may be acquired and held by one or more Persons in any form of ownership recognized by the Legal Requirements.

(b) **Description of Units.** Any contract or other instrument relating to the acquisition, ownership, conveyance, transfer, lease or encumbrance of a Unit shall legally describe such Unit as follows: "Unit __ of the Country Music Hall of Fame Master Condominium, located in Davidson County, Tennessee," with further reference to the recording data for this Master Declaration (including the Map and any amendments to this Master Declaration in the Condominium Records). Every such description shall be good and sufficient for all purposes to acquire, own, convey, transfer, lease, encumber or otherwise deal with such Unit, and any such description shall be construed to include all incidents of ownership relating to a Unit. Any contract or other instrument relating to the acquisition, ownership, conveyance, transfer, lease or encumbrance of a Sub-Unit in any Sub-Unit Condominium shall legally describe such Sub-Unit as follows: "Unit __ [insert appropriate Sub-Unit name], a Condominium located in the [insert Unit name] Unit within the Country Music Hall of Fame Master Condominium, located in Davidson County, Tennessee" with further reference to the recording data for this Master Declaration (including the Map and any amendments to this Master Declaration in the Condominium Records).

Section 2.7 Mortgage of Unit. An Owner shall be entitled from time to time to mortgage or encumber a Unit by creating a lien or liens covering a Unit under the provisions of a mortgage or deed of trust, but any lien created thereby shall be subject to the terms and provisions of this Master Declaration, and any mortgagee or other lienholder which acquires a Unit through judicial foreclosure, public sale or any other means shall be subject to the terms and provisions of this Master Declaration. An Owner that mortgages its Unit shall notify the Master Association, giving the name and address of said Owner's mortgagee, and the Master Association shall maintain such information.

Section 2.8 Call Option. The Owners acknowledge that CMHF has the right and option to purchase the Authority Unit at the end of the initial term and/or extension term of the Development, Lease and Operating Agreement between the Authority and CMHF by giving written notice of its intention to exercise such option within three years of the expiration of the applicable term. On the closing date, the Authority shall deliver a duly executed and properly acknowledged deed conveying the Authority Unit to CMHF, free and clear of all encumbrances except those that exist as of the date of this Master Declaration.

ARTICLE III
USES, RESERVATIONS AND RESTRICTIONS

Section 3.1 **Permitted Uses.** The uses allowed (and prohibited) in the Units shall be:

(a) **Authority Unit.** Except as otherwise provided in the Governing Documents, the Authority Unit and each Sub-Unit thereof shall be used for entertainment and exhibition, archive and office purposes related to and in connection with the CMHF and for archives for CMHF or any other lawful purpose other than paid transient use.

(b) **CMHF Unit.** Except as otherwise provided in the Governing Documents, the CMHF Unit and each Sub-Unit thereof shall only be used for exhibition and attendant office space in connection with the CMHF or any other lawful purpose other than paid transient use.

(c) **Hotel Unit.** The Hotel Unit shall be used and occupied for hotel purposes including paid transient, event, meeting and food and beverage uses and any other lawful uses.

Section 3.2 **Leases.** The Units (or portions thereof) may be leased in accordance with the Regulations. Each lease of a Sub-Unit shall be subject to those leasing restrictions set forth by the Master Association and the respective Sub-Unit Condominium Association, as described in the Regulations, the Sub-Unit Declaration, or the rules and regulations promulgated thereunder, as applicable. Notwithstanding the foregoing, the Owners hereby acknowledge and consent to the lease of the Authority Unit to CMHF pursuant to the Development, Lease and Operating Agreement between the Authority and CMHF.

Section 3.3 **Signage Rights.** Each Owner shall have the right to erect Signage on the Skin within its respective Unit provided that such Signage: (a) is in compliance with the Legal Requirements; (b) is approved by the Master Association which approval will not be unreasonably withheld, conditioned or delayed; and (c) does not create a nuisance for any Owner. All Signage shall be subject to such further restrictions and requirements as set forth in the Regulations. Each Owner shall be responsible, at its sole expense, to (i) obtain and maintain all necessary permits and approvals required under all applicable Legal Requirements with respect to the erection and maintenance of its Signage; (ii) keep and maintain, or cause to be kept and maintained, its Signage in good condition and repair; and (iii) keep or cause to be kept all lighting and other equipment in connection with its Signage in good working order and condition. The Master Association may remove any such Signage, as necessary, in connection with any of its maintenance and repair or other obligations under this Master Declaration or may require the Unit Owner to do so. The Owner of the Unit utilizing the Signage Rights shall be responsible for the cost to repair Common Elements or Units if such repairs are necessitated by use or misuse of their respective Signage Rights. The Master Association does not insure equipment or improvements installed pursuant to the Signage Rights and is not liable to any Owner or any other Person for any loss or damage from any cause to the equipment or improvements installed pursuant to the Signage Rights. The Owners are hereby permitted to assign their respective Signage Rights to their Tenants.

Section 3.4 **Parking.**

(a) **CMHF Parking.** All the CMHF Parking Spaces shall be subject to the procedures and regulations set forth in the Regulations (which shall be enforced by the Master Association) and shall be used exclusively for automobile parking purposes and those uses appurtenant to parking purposes by the Owner of the CMHF Unit, their Tenants and their guests, invitees and employees. Notwithstanding the foregoing, CMHF hereby agrees and acknowledges that the Hotel Unit shall have the right to request the use of the CMHF Parking Spaces upon providing

CMHF written notice of Hotel Owner's request to use the CMHF Parking Spaces no less than 30 days prior to the anticipated use. Such request shall include the dates of requested use, expected number of visitors, the estimated hours of usage per day, and any additional information that Hotel Owner deems pertinent to such request. Within ten business days of its receipt of such notice, CMHF shall confirm to Hotel Owner whether or not Hotel Owner is permitted to use the CMHF Parking Spaces pursuant to its request and the mechanics related thereto.

(b) Hotel Parking. All the Hotel Parking Spaces shall be subject to the procedures and regulations set forth in the Regulations (which shall be enforced by the Master Association) and shall be used exclusively for automobile parking purposes and those uses appurtenant to parking purposes by the Owner of the Hotel Unit and their guests, invitees and employees.

Section 3.5 Compliance with the Governing Documents. Each Owner, by accepting a deed conveying title to a Unit, any Sub-Unit Owner by accepting a deed conveying title to a Sub-Unit and any Tenant by execution of a lease or by occupancy of a Unit or a Sub-Unit shall automatically be deemed to have agreed to strictly comply with the provisions of the Governing Documents and all the Legal Requirements. A failure or refusal of an Owner, a Sub-Unit Owner or a Tenant to so comply with provisions of Governing Documents and all Legal Requirements, after written notice, shall constitute a Dispute (to the extent so included within the definition of "Dispute" set forth in Section 1.1 of this Master Declaration) that shall be resolved in accordance with Article X of this Master Declaration. In addition, an Owner's voting rights in the Master Association may by written notice be suspended by the Master Association during any period of such noncompliance with all of the Governing Documents and Legal Requirements.

Section 3.6 Rights of Declarant. The Authority Unit and CMHF hereby releases, assigns, conveys and transfers the Special Declarant Right to Exercising Declarant.

Section 3.7 Easements. Each Owner accepts a deed conveying title to a Unit subject to the Easements granted and reserved, as applicable, in this Section 3.7, which Easements (and all related rights and obligations related to such Easements arising on or after the date of any transfer) shall run with the Condominium.

(a) Access Easement. Declarant hereby grants and reserves a perpetual, assignable and non-exclusive Access Easement over, on, under and across each Unit as may reasonably be necessary for its own benefit and for the benefit of each Unit and the Master Association, as applicable, for: (i) the maintenance, repair or replacement of any of the Common Elements thereon or accessible therefrom; (ii) the use of a Unit by its Owner, provided no other reasonable means of access exists or as necessitated by any Legal Requirement; (iii) the exercise by Declarant of the Special Declarant Rights or the performance of any obligations of Declarant under the Governing Documents; (iv) the making of emergency repairs therein necessary to prevent damage to the Common Elements or to any Unit; (v) the evacuation of all or any part of the Property in the event of an emergency; and (vi) such other reasonable purposes as are deemed by the Master Association to be necessary for the performance of the obligations of the Master Association as described in this Master Declaration and in the Bylaws.

The Master Association, the Manager, and each Owner may enter a Unit or Sub-Unit to the extent reasonably necessary in case of an emergency originating in or threatening the Unit or any other Unit whether or not the Owner, Sub-Unit Owner or Tenant of such Unit is present at the time. The Person making such entry shall take reasonable precautions to protect such premises and any inventory, fixtures and other personal property contained therein from damage and theft. This right of entry may be exercised by any Manager, the Owners, the Master Association and their

directors, officers, agents and employees, and by all police officers, firefighters and other emergency personnel in the performance of their respective duties. Also, the Master Association may enter a Unit to perform installations, alterations or repairs to the mechanical, electrical or utility services which, if not performed, would affect the use of other Units or the Common Elements; provided that, if possible, requests for any entry shall be made in advance and at a time convenient to the Owner or Manager of the affected Unit and further subject to the foregoing limitations. In case of an emergency, the right of entry is immediate and if an Owner refuses to provide entry, such Owner is liable for the cost of repairs to the Unit or the Common Elements caused by the Master Association's, any Manager's, or another Owner's chosen method of access under such circumstances.

(b) Grand Lobby Easement. Declarant hereby grants a perpetual, assignable and non-exclusive Grand Lobby Easement over, on, under and across the Grand Lobby for its own benefit and for the benefit of each Owner and the Master Association, subject to limitations on use, if any, set forth in the Regulations.

(c) Common Elements Easement. Declarant hereby grants and reserves a perpetual, assignable and non-exclusive Common Elements Easement over, on, under and across the Common Elements for its own benefit and for the benefit of each Unit (which is an intended beneficiary of such Common Element) and the Master Association for ingress and egress from each Unit and for the use of the Common Elements. The Common Elements Easement shall be maintained by the Master Association in accordance with the Maintenance Standard and Section 5.2 of this Master Declaration.

(d) TIF Easement. Declarant hereby grants an assignable, non-exclusive TIF Easement over, on, under and across the TIF Easement Area for the benefit of **[the public]**, which shall terminate on December 31, 2040.

(e) Support Easement. Declarant hereby grants and reserves a perpetual, assignable and non-exclusive Support Easement over, on, under and across the Structure for its own benefit and the benefit of each Unit for support of all portions of the Improvements. The Structure shall be maintained by the Master Association in accordance with the Maintenance Standard and Section 5.2 of this Master Declaration.

(f) Systems Easement. Declarant hereby grants and reserves a perpetual, assignable and non-exclusive Systems Easement over, on, under and across the Systems for its own benefit and for the benefit of each Owner and the Master Association for the use of and the connection to any portion of the Systems intended for such Owner's or the Master Association's use, except for any portion of the Systems that are intended to exclusively service a Unit. The Systems which serve more than one Unit shall be maintained by the Master Association in accordance with the Maintenance Standard and Section 5.2 of this Master Declaration.

(g) Utility Easement. Declarant hereby grants and reserves a perpetual, assignable and non-exclusive Utility Easement over, on, under and across the Common Elements: (i) for its own benefit, the benefit of the Master Association and the benefit of utility companies supplying utility service to the Condominium for supplying utility service to any part of the Condominium; and (ii) for its own benefit for the right to grant additional Utility Easements. Declarant may record an easement agreement or easement relocation agreement in the Condominium Records, specifically locating or relocating any Utility Easement subsequent to the recordation of this Master Declaration, and each Owner, by acceptance of the deed to a Unit, hereby grants

Declarant an irrevocable power of attorney, coupled with an interest, with full power and authority to locate or relocate any Utility Easement.

(h) Hotel Lobby Easement. Declarant hereby grants a perpetual, assignable and non-exclusive Hotel Lobby Easement over, on, under and across the Hotel Lobby for its own benefit and for the benefit of each Owner and the Master Association, subject to limitations, if any, on use set forth in the Regulations.

(i) Sub-Unit Easements to Benefit Sub-Units. Upon and simultaneously with the filing of a Sub-Unit Declaration in the Condominium Records, the Sub-Unit Owner will, in accordance with the Sub-Unit Declaration, designate all or a portion of the Sub-Unit Owner's rights to the Access Easement, the Common Elements Easement, the Support Easement and the Systems Easement, to the Sub-Unit Owners as the common elements of the Sub-Unit Condominium.

(j) Miscellaneous. None of the Easements granted or reserved in this Section 3.7 shall be used in a manner which materially adversely affect the structural integrity of the Improvements. Except as specifically provided in this Section 3.7, notwithstanding the assignability of the Easements, no Easement may be assigned to any Person that is not the Owner, Sub-Unit Owner or Tenant of the Unit or Sub-Unit that is benefited by the respective Easement, nor shall any Owner that is benefited by an Easement grant a sub-easement or a license to any area covered by any Easement. Use and availability of any facilities or areas covered by the Easements are subject to the Regulations.

Section 3.8 Encroachments. If, as a result of the original construction, reconstruction, repair, shifting, settlement or other circumstance, any portion of the Common Elements encroaches upon a Unit, a perpetual easement over, on, under and across such Unit for such encroachment and for the maintenance of the same is hereby granted and conveyed to the Master Association by each Owner at the time each Unit is conveyed to the Owner. If as a result of the original construction, reconstruction, repair, shifting, settlement or other circumstance, any portion of a Unit encroaches upon the Common Elements or upon any adjoining Unit, an irrevocable and perpetual easement for such encroachment and for the maintenance of the same over, on, under and across such Unit or such portion of the Common Elements, as applicable, is hereby granted to the Owner of such Unit. Such encroachments and easements shall not be considered or determined to be encumbrances either upon a Unit or upon the Common Elements.

ARTICLE IV **MATTERS REGARDING THE MASTER ASSOCIATION**

Section 4.1 General. The Master Association has been incorporated as a nonprofit corporation under the TNCA. In addition to the powers conferred on the Master Association under the TNCA, the Master Association may take all actions authorized by the Governing Documents. Any and all actions taken by the Master Association pursuant to the Governing Documents are binding on all Owners. The board of directors of any Sub-Unit Condominium Association shall, at the organizational meeting of the board of directors of the Sub-Unit Condominium Association, appoint one of its members as the sole representative of the Sub-Unit Condominium as a member of the Master Association. The Master Association shall be required to deal only with such appointed representative and if no member of the board of directors of a Sub-Unit Condominium Association is appointed by the board of directors of the Sub-Unit Condominium Association, neither the Sub-Unit Condominium nor any Sub-Unit shall have any vote or ability to exercise any rights under this Master Declaration, including bringing legal action against the Master Association until such time as the board of directors of the Sub-Unit Condominium Association has agreed and so designated their representative, or a representative is otherwise designated

as described in Subsection 2.3(b) of this Master Declaration. This Master Declaration is not intended to place any limitations or restrictions on the power of the Master Association or the Board of Directors except as set forth in this Master Declaration or the Governing Documents.

Section 4.2 Allocation of Votes in the Master Association. Each Owner will automatically be a member of the Master Association. Unless a different allocation of votes is required by the Act or elsewhere in this Master Declaration, the Owner of the Hotel Unit shall be entitled to exercise two votes, the Owner of the Authority Unit shall be entitled to exercise one vote, and the Owner of the CMHF Owner shall be entitled to exercise one vote with respect to any matter on which members of the Master Association shall be entitled to vote. If a Unit is subdivided pursuant to the provisions of Section 2.3 of this Master Declaration, the Sub-Unit Condominium shall have only the number of votes in the Master Association that the subdivided Unit was entitled to as a member of the Master Association prior to the Unit being subdivided.

Section 4.3 Suspended Voting Rights. All voting rights of an Owner may be suspended during any period that such Owner is delinquent in the payment of any Assessment duly established pursuant to this Master Declaration, or is otherwise in default under the terms of the Governing Documents.

Section 4.4 Right of Action by Owners and the Master Association; Release. The Owners and any Sub-Unit Condominium Association (excluding the Sub-Unit Owners), acting collectively or individually, shall have the right to maintain actions against the Master Association for its willful failure to comply with the provisions of the Act, this Master Declaration or the Bylaws, or its willful failure to perform its duties and responsibilities hereunder; provided, however, except as otherwise provided by the Governing Documents, no other action shall be brought against the Master Association or its Affiliates, parents, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers or sureties, by the Owners or any Sub-Unit Condominium Association. The Master Association shall not have the power to institute, defend, intervene in, settle or compromise litigation or administrative proceedings in the name of any Unit Owner. Subject to the Master Association's obligations under this Master Declaration, except as otherwise provided by the Governing Documents, each Owner, any Sub-Unit Condominium Association and Sub-Unit Owner hereby releases, acquits and forever discharges the Master Association, and its Affiliates, parents, members, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers, sureties and assigns, and agrees to hold such Persons harmless of and from any and all claims, damages, liabilities, costs and/or expenses (including reasonable attorneys' fees) relating to the construction of, repair or restoration of, or the sale to the Owners or Sub-Unit Owners of the Units, any Sub-Unit or the Common Elements. This release shall release and forever discharge the Master Association and its Affiliates, parents, members, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers, sureties and assigns, from all claims and causes of action, whether statutory or under the common law, known or unknown, now accrued, or that arise in the future.

Section 4.5 Limitation of Liability of Officers, Directors, Employees and Agents of the Master Association. No officer, director, employee or agent of the Master Association shall be liable to any Owner of any Unit or any Tenant, for any claims, actions, demands, costs, expenses (including attorneys' fees), damages or liability, of any kind or nature, except as otherwise expressly set forth in the Governing Documents and such officers, directors, employees and agents shall be indemnified in accordance with the provisions of the Governing Documents.

Section 4.6 Major Decisions. The rights of each Owner with respect to Major Decisions shall be identical and each Owner shall be entitled to consent to all Major Decisions that have an effect on such Owner's Unit, and neither the Master Association, the Board of Directors nor any other Person

acting on behalf of the Master Association or the Declarant shall have the authority to act on any matter constituting a Major Decision that has an effect on such Owner's Unit, without the prior written approval of such Owner.

Section 4.7 Unilateral Decisions. An Owner may make any Unilateral Decision without notifying the other Owners. If an Owner desires to confirm whether an act is a Unilateral Decision, such Owner may notify the other Owners (the "Unaffected Owners") in writing of the action to be taken or other effect of the proposed decision. The Unaffected Owners shall have ten days after receipt of the original notice to deliver written notice to the proposing Owner if the proposed decision is a Unilateral Decision and if not, the reason or explanation of why the proposed decision is not a Unilateral Decision. If no objection is received by the proposing Owner within the ten day time period, the proposing Owner may take all appropriate action necessary or desired to accomplish the purpose of the Unilateral Decision.

ARTICLE V

MAINTENANCE, ALTERATIONS, TAXES AND UTILITIES

Section 5.1 Maintenance.

(a) Maintenance of Units. All maintenance, repairs and replacements of, in or to any Unit, ordinary or extraordinary, foreseen or unforeseen, including maintenance, repair and replacement of all Systems which are part of such Unit, shall be performed by the Owner of such Unit in accordance with the Maintenance Standard.

(b) Maintenance of Common Elements. Except as otherwise provided in the Regulations or the Allocation Document, all the General Common Elements shall be maintained by the Master Association in accordance with the Maintenance Standard, the cost and expense of which shall constitute a Common Expense and shall be payable as may be set forth in this Master Declaration or in the Allocation Document in amounts for which an allocation is provided. The Master Association shall establish and maintain an adequate reserve fund for such purposes, to be funded by Monthly Assessments rather than by a Special Assessment; provided, however, that the Master Association may require Special Assessments for such purposes, in accordance with Subsection 7.1(c) of this Master Declaration. Nothing in this Master Declaration shall be deemed or construed as relieving any Owner from liability or responsibility for damage to the Common Elements caused by the negligence or misconduct of an Owner or an Owner's occupants or invitees.

(c) Maintenance of Easements. All maintenance, repairs and replacements of, in or to any Easement area, ordinary or extraordinary, foreseen or unforeseen, including maintenance, repair and replacement of all Systems which are part of such Easement area, shall be performed by the Owner of such Unit, or Limited Common Element appurtenant thereto, in which the Easement area is located and in accordance with the Maintenance Standard, unless otherwise provided in the Allocation Document. If the Easement area is located in a General Common Element, then all maintenance, repairs and replacements of, in or to any Easement area, ordinary or extraordinary, foreseen or unforeseen, including maintenance, repair and replacement of all Systems which are part of such Easement area, shall be performed by the Master Association and be a Common Expense.

(d) Allocation Document. Declarant and the Owners have determined that certain maintenance functions and capital expenditures shall be the responsibility of the designated Unit Owners and that the expenses associated therewith and certain Common Expenses shall be

allocated in a manner other than by the Allocated Interests. Declarant and such Owners have allocated such expenses and designated the responsible Unit Owner in the Allocation Document. A copy of Allocation Document shall be maintained in the records of the Master Association and shall be binding upon all the Owners, Sub-Unit Owners, Tenants, Mortgagees and any other party at any time having any interest in the Condominium. The Owner identified in the Allocation Document as responsible for the particular maintenance function shall have the responsibility for performing such maintenance function in accordance with the Maintenance Standard and the other applicable Owners shall be responsible for their applicable cost percentage reflected in the Allocation Document as Additional Assessments. The Allocation Document may be amended or modified only upon the affirmative vote or consent of all affected Owners as to the responsibility to perform such work, and all Owners sharing the applicable cost, as to the cost sharing provisions set forth therein. Any Owner may request that the allocations specified in the Allocation Document be reviewed for the next succeeding fiscal year of the Master Association by giving written notice to the other Owners 30 days prior to the beginning of the upcoming fiscal year, and the Owners shall in good faith determine whether adjustment to the allocations are appropriate. Regularly scheduled maintenance expenses may not, in the aggregate for work performed by any Owner, be incurred in excess of the aggregated budgeted amounts for such expenses without the consent of all of the Owners sharing the cost thereof, but the obligation of the Owners to pay for emergency or reasonably unforeseeable repairs shall not be affected by the budget.

(e) Limitation of Liability. Neither the Master Association nor any officer, director, agent or employee of the Master Association shall be liable: (i) for injury or damage to any person or property caused by the elements or by the Owner or occupant of any Unit, or any other Person, or resulting from any utility, rain, snow or ice which may leak or flow from or over any portion of the Common Elements or from any pipe, drain, conduit, appliance or equipment which the Master Association is responsible to maintain hereunder; (ii) to any Owner or Sub-Unit Owner or occupants of any Unit or Sub-Unit for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of the Common Elements; or (iii) to any Owner or Sub-Unit Owner or occupants of any Unit or Sub-Unit for any damage or injury caused in whole or in part by the failure of the Master Association or any officer, director, agent or employee of the Master Association to discharge its responsibilities under this Section 5.1.

Section 5.2 Failure of Owner to Maintain Unit or Easements. If the Master Association or any Owner fails or neglects to maintain, repair or clean its Unit or the area covered by the Easements as required by Section 5.1 and Section 3.7, respectively, of this Master Declaration, or any Limited Common Element appurtenant thereto, required to be maintained by such Owner pursuant to the Regulations, and such failure or neglect continues for five days after such Owner's receipt of written notice of such neglect or failure from the Master Association (or an Owner, if the obligation is required to be performed by the Master Association), then the Master Association (or an Owner, if the obligation is required to be performed by the Master Association) acting on its own behalf may, but shall not be obligated to, enter the Unit, upon the area covered by the Easement or the Limited Common Element, as applicable, and take appropriate steps to perform, or cause to be performed, the maintenance, repair, cleaning and replacement in the manner as required by this Master Declaration; provided, however, that if the Master Association declines to perform such maintenance on behalf of the defaulting Owner, any other Owner shall have the right to enter such Unit or upon the area subject to such Easement, and perform or cause to be performed the maintenance required by this Master Declaration. The defaulting Owner or the Master Association, as the case may be, shall, upon demand, reimburse the Master Association or the Owner making such repairs or maintenance, as applicable, for all costs and expenses incurred in the exercise of its rights in this Master Declaration.

Section 5.3 **Disputes.** Any Dispute arising among the Owners as to the proper person to bear a maintenance cost or expense shall be resolved in accordance with the provisions of Article X of this Master Declaration.

Section 5.4 **Additions, Alterations or Improvements by Owner.** Subject to the provisions in this Master Declaration and except as permitted in Section 4.7 of this Master Declaration, no Owner shall: (a) make any addition, alteration or improvement in or to any Unit, to the extent visible from any other Unit, the Common Elements or the exterior of the Building, whether structural or non-structural; (b) make any addition, alteration or improvement to any Common Element; or (c) make any material changes to the configuration or size of any Unit, create apertures in or otherwise remove or alter any partition wall separating any Unit from any adjoining Unit or relocate the boundaries of any Unit and any adjoining Unit without the approval of the Master Association, which approval may be withheld in the sole and absolute judgment of the Master Association. However, in no event shall any such alteration, improvement, or change interfere with the structural support of any Unit, the Common Elements or any System serving another Unit. All work done in accordance with this Section 5.4 shall be done in compliance with the plans approved by the Master Association, all Legal Requirements and the Governing Documents.

Section 5.5 **Mechanic's Liens.** No labor or services performed or materials furnished and incorporated in a Unit or any Common Element shall be the basis for the filing of a lien against any Unit of any Owner not expressly consenting to or requesting the same, or against the Common Elements. All contracts for labor, services and/or materials with respect to any of the Units shall be in compliance with the provisions of this Master Declaration.

Section 5.6 **Taxes.**

(a) **Payment of Governmental Impositions.** Each Owner shall be responsible for and shall pay when due all Governmental Impositions that relate to such Unit, except to the extent such Governmental Impositions are being actively and diligently contested in good faith by appropriate legal proceedings, and if requested by the Master Association, have been bonded or reserved in an amount and manner satisfactory to the Master Association. Any Governmental Impositions with respect to the Property not separately assessed to the Owners or the Sub-Unit Owners, as applicable, shall be a Common Expense and shall be payable by the Master Association or the Sub-Unit Condominium Association, respectively, when due.

(b) **Notice to Taxing Authorities.** Declarant shall give written notice to the appropriate taxing authorities of the creation of the Condominium established pursuant to this Master Declaration. Each Owner shall promptly request and diligently pursue from the applicable taxing authority separate tax parcel status and a separate tax identification number for its Unit. The declarant under any Sub-Unit Declaration shall agree in the Sub-Unit Declaration to give written notice to the appropriate taxing authorities of the creation of a Sub-Unit Condominium established by the Sub-Unit Declaration.

(c) **Units and Sub-Units Not Separately Assessed.** If any Governmental Impositions with respect to the Property are not separately assessed to the Owners of a Unit or the Sub-Unit Owners, each Owner or Sub-Unit Owner shall pay its respective allocated portion of such Governmental Impositions (which allocations shall be determined in the manner set forth in this Master Declaration or in the Sub-Unit Declaration, as applicable) when requested by the Master Association or Sub-Unit Condominium Association, respectively (but in no event prior to 20 days or later than ten days before the date of delinquency, without any additional notice or grace period) to permit the Master Association or the Sub-Unit Condominium Association to make full

payment of such Governmental Impositions prior to the date on which such Governmental Impositions would become delinquent; provided that neither the Master Association nor the Sub-Unit Condominium Association shall require any Owner or Sub-Unit Owner to make any payment to the Master Association or the Sub-Unit Condominium Association for Governmental Impositions to the extent such amounts have already been deposited by such Owner or Sub-Unit Owner in accordance with any escrow arrangement.

(d) Failure to Pay Governmental Impositions. The Master Association or any Mortgagee may pay the portion of Governmental Impositions that any Owner or Sub-Unit Owner has failed to pay when due, and the Master Association or such Mortgagee shall have a lien against such Unit or Sub-Unit, as applicable, to secure repayment thereof, that may be enforced by any means available at law or in equity, including non-judicial foreclosure sale of such Unit or Sub-Unit in accordance with Tennessee Code Annotated, Title 35, Chapter 5, Part 1 (as now written or hereafter amended); provided, however, no such lien for delinquent Governmental Impositions shall be valid until a notice of such lien is duly recorded in the Real Property Records of the County, notwithstanding any applicable statute, law (including case law), equitable doctrine, ordinance or regulation that permits any such lien to attach absent such recordation in the Real Property Records. Each Owner and each Sub-Unit Owner, by its acquisition of such Unit or Sub-Unit, as applicable, grants a power of sale in connection with such lien in favor of the Master Association or any Mortgagee that makes payment of the Governmental Impositions on behalf of a defaulting Owner or Sub-Unit Owner. Any lien pursuant to this Subsection 5.6(d) shall have the same priority as a lien by the Master Association for Assessments; provided that any such lien for delinquent Governmental Impositions shall be subordinate to the lien of any Priority Lien Indebtedness encumbering such Unit or Sub-Unit, as applicable, provided that such Priority Lien Indebtedness was recorded prior to the date such lien for Governmental Impositions was duly recorded, notwithstanding any Legal Requirement or equitable doctrine, that permits any such lien to attach absent such recordation in the Real Property Records.

(e) This Section 5.6 shall terminate and be of no further force or effect whatsoever, upon the later of the date upon which (i) each Unit is separately assessed and billed as a separate tax parcel by the tax assessor; and (ii) all the Governmental Impositions due and owing prior to all Units being separately assessed and billed as a separate tax parcel by the tax assessor have been paid in full to the appropriate taxing authority; provided, however, that the provisions of Subsection 5.6(b) of this Master Declaration shall survive the termination of this Section 5.6 and remain in effect for the duration of this Condominium's existence.

Section 5.7 Utilities. Each Owner shall be responsible for and shall pay all charges for gas, electricity, water and other utilities relating to such services used or consumed at or with respect to the occupancy of the Unit, to the extent such charges are separately metered by the respective utility companies. Any utility charges not so separately metered, and charges relating to such services used in connection with the use and maintenance of the Common Elements, shall constitute a Common Expense and be payable by the Master Association.

ARTICLE VI
INSURANCE

Section 6.1 Requirements. All insurance coverage required to be obtained pursuant to this Article VI or purchased at the election of an Owner or the Master Association shall:

- (a) be in such form, approved by the Master Association and issued by responsible insurance companies licensed to do business in the State of Tennessee and shall be rated by Best's Insurance Guide (or any successor publication of comparable standing) as "A-, VI" or better;
- (b) not be brought into contribution with insurance purchased by the other Owners or the Master Association, as applicable; and
- (c) provide that insurance trust agreements shall be recognized .

Section 6.2 Insurance by the Master Association. The Master Association shall obtain and maintain (a) insurance coverage required pursuant to the Act and such other insurance coverage as set forth in the Bylaws; and (b) at the expense of the Owner incurring such Priority Lien Indebtedness, such other insurance (or additional coverage) as such Owner's Mortgagee shall require. The Master Association shall carry such other or additional insurance in such amounts and against such risks as the Master Association shall reasonably deem necessary with respect to the Common Elements or operation of the Master Association. In addition, each insurance policy maintained by the Master Association shall provide that: (i) each Owner is named as an insured under such policies with respect to liability arising out of the Owner's ownership of an undivided interest in the Common Elements or membership in the Master Association; (ii) no action or omission by any Owner (or any Sub-Unit Owner), unless validly exercised on behalf of the Master Association, will void the policy or be a condition to recovery under the policy; (iii) such policy is primary insurance if at the time of a loss under the policy any Owner (or Sub-Unit Owner) has other insurance covering the same property covered by the policy; and (iv) the insurer waives its right to subrogation under the policy against any Unit Owner, Tenant or other occupant of a Unit, unless it can be shown that the act with intent to cause the loss of the Unit Owner, Tenant or other occupant of a Unit was the cause of the loss. Unless indicated otherwise, the premiums for all insurance coverages maintained by the Master Association pursuant to this Section 6.2 shall constitute a Common Expense, and shall be payable by the Master Association.

Section 6.3 Insurance on Authority Unit. The Authority Unit Owner shall provide and maintain, at its sole cost and expense, CGL, property insurance, workers' compensation insurance and other insurance, in such limits and upon such terms as described in the Bylaws, and, subject to the other terms of this Article VI, such other or additional insurance in such amounts and against such risks as the Authority Unit Owner shall reasonably deem necessary with respect to the improvements, facilities and contents within the Authority Unit.

Section 6.4 Insurance on CMHF Unit. The CMHF Unit Owner shall provide and maintain, at its sole cost and expense, CGL, property insurance, workers' compensation insurance and other insurance, in such limits and upon such terms as described in the Bylaws, and, subject to the other terms of this Article VI, such other or additional insurance in such amounts and against such risks as the CMHF Unit Owner shall reasonably deem necessary with respect to the improvements, facilities and contents within the CMHF Unit.

Section 6.5 Insurance on Hotel Unit. The Hotel Unit Owner shall provide and maintain, at its sole cost and expense, CGL, property insurance, workers' compensation insurance and other insurance, in such limits and upon such terms as described in the Bylaws, and, subject to the other terms of this

Article VI, such other or additional insurance in such amounts and against such risks as the Hotel Unit Owner shall reasonably deem necessary with respect to the improvements, facilities and contents within the Hotel Unit.

Section 6.6 Master Association as Insurance Trustee for the Owners. By acceptance of a deed to a Unit, each Owner shall be deemed to have irrevocably appointed the Master Association as the Insurance Trustee. All property insurance policies required to be obtained by the Master Association as described in this Article VI shall be issued in the name of the Master Association as Insurance Trustee for the Condominium. Loss payable provisions shall be in favor of the Insurance Trustee as a trustee for the Master Association, each Owner and each such Owner's Mortgagee. The Insurance Trustee shall not be liable for the payment of premiums, nor the renewal or sufficiency of policies, except those policies required to be purchased and maintained by the Master Association pursuant to this Article VI and the Bylaws. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated in this Article VI and in Article VIII of this Master Declaration, and for the benefit of each Owner, including Declarant, and such Owner's Mortgagee, if any.

Section 6.7 Other.

(a) Neither the Master Association, Declarant nor any Owner shall be liable for failure to obtain any insurance coverage required by this Master Declaration or for any loss or damage resulting from such failure, if such failure is because such insurance coverage is not reasonably available.

(b) Neither the Master Association nor any Owner shall obtain any policy of insurance where: (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Owner or Mortgagee or become a lien against the Condominium; (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Master Association, Owners or Mortgagees from collecting the Insurance Proceeds.

(c) The insurance purchased by the Master Association and the other Owners pursuant to this Article VI shall not cover claims against any other Owner or its Designees due to accidents occurring within that other Unit, or casualty, theft or loss to the contents of that other Unit.

(d) Each Owner, their Tenants and their respective Designees waive any claim they might have against the other Owners, their Tenants and their respective Designees, the members of the Board of Directors, any Manager or the Master Association, and the members of the Board of Directors, any Manager or the Master Association waive any claim they might have against an Owner, their Tenants and their respective Designees, for (i) any damage to or theft, destruction, loss or loss of use of any property; or (ii) any damage due to personal or bodily injury, to the extent the same is insured against under any insurance policy of the types described in the Bylaws that covers the Property (to the extent such claims are paid by such insurance policies), such Owner's, Tenant's or the Master Association's fixtures, personal property, improvements or business, or is required to be insured against under the terms of the Bylaws, **REGARDLESS OF WHETHER THE NEGLIGENCE OF THE OTHER OWNER, ITS TENANTS OR THEIR RESPECTIVE DESIGNEEES, ANY MEMBER OF THE BOARD OF DIRECTORS, ANY MANAGER OR THE MASTER ASSOCIATION (AS APPLICABLE) CAUSED SUCH (1) DAMAGE TO OR THEFT, DESTRUCTION, LOSS OR LOSS OF USE OF, ANY PROPERTY OR INCONVENIENCE; OR (2) DAMAGE TO THE PERSON OR**

PERSONS DESCRIBED IN THIS SUBSECTION 6.7(d). Each Owner shall cause its respective insurance carrier to endorse all applicable policies waiving each such carrier's rights of recovery under subrogation or otherwise against the other Owners, their Tenants and their respective Designees, the members of the Board of Directors, any Manager and the Master Association and the members of the Board of Directors, any Manager and the Master Association shall cause their respective insurance carrier to endorse all applicable policies waiving the carrier's rights of recovery under subrogation or otherwise against the Owners, their Tenants and their respective Designees.

ARTICLE VII ASSESSMENTS

Section 7.1 Monthly and Special Assessments by the Master Association. The Master Association shall possess the right, power, authority and obligation to establish and assess a regular Monthly Assessment for payment of the Common Expenses, Special Assessments and Additional Assessments as provided for in this Master Declaration as follows:

(a) **Common Expenses.** The Master Association shall establish a regular Monthly Assessment sufficient in the judgment of the Master Association to pay all Common Expenses when due and to maintain an adequate reserve fund for such purposes. Such Monthly Assessments so established shall be payable by the Owners on the first day of each calendar month, and shall be applied to the payment of Common Expenses for which the Master Association is responsible, including maintenance, repair and care of the Common Elements.

(b) **Budget for Common Expenses.** Prior to the commencement of each fiscal year of the Master Association, the Master Association shall prepare and deliver to each of the Owners a Master Budget. Such Master Budget shall be in sufficient detail so as to inform each Owner of the nature and extent of the Common Expenses anticipated to be incurred in the upcoming fiscal year, shall include Additional Assessments set forth on budgets prepared therefor by other Owners and received by the Master Association, and shall be accompanied by a statement setting forth each Owner's monthly share thereof and the date as of which such Monthly Assessment commences to be payable. No further communication shall be necessary to establish the amount of each Owner's obligation regarding the Monthly Assessment payable hereunder, and the failure of the Master Association to timely deliver such Master Budget shall not excuse or relieve an Owner from the payment of the Monthly Assessments contemplated hereby, in which case, each Owner shall continue to pay to the Master Association an amount equal to such Owner's Monthly Assessment as established pursuant to the most recent Master Budget delivered to the Owners. Any Master Budget prepared and delivered to the Owners as contemplated in this Article VII may be amended as and to the extent reasonably necessary, and the amount of an Owner's Monthly Assessment changed to correspond therewith.

(c) **Special Assessments by the Master Association.** In addition to the Monthly Assessments contemplated by Subsection 7.1(a) of this Master Declaration, the Master Association shall establish Special Assessments from time to time as may be necessary or appropriate in the judgment of the Master Association to pay non-recurring Common Expenses relating to the proper maintenance, care, alteration, improvement, replacement, operation and management of the Condominium and the administration of the Master Association.

Section 7.2 Additional Assessments. The Master Association shall establish Additional Assessments sufficient in the Owner's reasonable judgment to pay Charges due to an Owner or the Master Association for the ensuing year. Additional Assessments so established shall be payable by the

applicable Owners on the first day of each calendar month to the Master Association, which will in turn deliver the same to the Owner which incurred such Charges. Prior to the commencement of each fiscal year of the Master Association, each Owner shall prepare and deliver to the Master Association a budget setting forth the anticipated Charges it will incur for the ensuing year. Such budget shall be incorporated into the Master Budget and shall be in sufficient detail so as to inform each applicable Owner of the nature and extent of the Charges anticipated to be incurred, and shall be accompanied by a statement setting forth each applicable Owner's monthly share thereof and the date of commencement of payment of such Additional Assessments. If further Additional Assessments are established by the Master Association authorized by provisions of this Master Declaration, in addition to those set forth in the Master Budget, the Master Association shall give the Owners notice thereof and such Additional Assessments shall be immediately due and payable to the Master Association. No further communication shall be necessary to establish the amount of an Owner's obligation regarding the Additional Assessments payable hereunder, and the failure of any Owner to timely deliver such budget to the Master Association or the failure of the Master Association to timely deliver the Master Budget to an Owner shall in no event excuse or relieve an Owner from the payment of the Additional Assessments contemplated hereby, in which case, an Owner shall pay to the Master Association an amount equal to such Owner's Additional Assessments as established pursuant to the most recent Master Budget delivered to such Owner. In addition to the Additional Assessments established in this Section 7.2, each Owner shall possess the right, power and authority to cause the Master Association to establish an Assessment, from time to time, for one-time or non-recurring Additional Assessments due to such Owner from another Owner.

Section 7.3 Obligation to Pay Assessments. Each Owner shall be personally obligated to pay the Owner's share of all Assessments duly established pursuant to this Master Declaration to the Master Association. Unpaid Assessments due as of the date of the conveyance or transfer of a Unit shall not constitute a personal obligation of the new Owner (other than the new Owner's pro rata share of any reallocation thereof); however, the former Owner shall continue to be personally liable for such unpaid Assessment. No Owner shall be entitled to exemption from liability for the Owner's obligation to pay such Assessments by waiver of the use and enjoyment of the Common Elements or the facilities as to which any Additional Assessments relate, by an abandonment of the Unit or by any other action or otherwise. Any Assessment not paid within five days of the date due shall bear interest at the Past Due Rate, and shall be recoverable by the Master Association, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, by suit in a court of competent jurisdiction sitting in the County. It shall be the responsibility of the Master Association to collect any such delinquent Assessment, the existence of which shall be made known by written notice delivered to the defaulting Owner and, where requested, the Owner's Mortgagee.

Section 7.4 Lien to Secure Payment of Assessments. Declarant hereby reserves and assigns to the Master Association a lien, pursuant to the provisions of the Act, against each Unit, the Rents, if any, payable to any Owner and the Insurance Proceeds to which an Owner may be entitled to secure the payment of all Assessments, which lien shall be and constitute a lien and encumbrance in favor of the Master Association upon such Unit, the Rents, and any Insurance Proceeds. To the extent permitted by Section 66-27-415 of the Act, the liens established in this Master Declaration shall be prior and superior to all other liens and encumbrances subsequently created upon such Unit, Rents and Insurance Proceeds, regardless of how created, evidenced or perfected, other than the lien securing the payment of Priority Lien Indebtedness (provided such lien was recorded prior to the date on which the Assessment became delinquent), the liens for Governmental Impositions. The liens and encumbrances created in this Master Declaration may be enforced by any means available at law or in equity, including a non-judicial foreclosure sale of the Unit of a defaulting Owner; such sale to be conducted in the manner set forth in Tennessee Code Annotated, Title 35, Chapter 5, Part 1 (as now written or as hereafter amended); provided that the notice requirements contained in Section 66-27-415 of the Act are complied with. Each Owner, by acquisition of a Unit, and each Sub-Unit Owner, by acquisition of a Sub-Unit

Owner's Sub-Unit, grants to the Master Association a power of sale in connection with the Master Association's liens. By written resolution, the Master Association may appoint, from time to time, an officer, agent, trustee or attorney of the Master Association to exercise the power of sale on behalf of the Master Association. The Master Association may bid for and purchase the Unit at any such foreclosure sale, and the purchase price (including any Priority Lien Indebtedness) in excess of outstanding Assessments shall be a Common Expense. Payment of proceeds resulting from such foreclosure sale to be applied toward outstanding Assessments shall be in the following order of priority: first, Assessments owing to the Master Association including all costs, expenses and attorneys' fees relating to the foreclosure; and second, Assessments owing to the Owners levying Additional Assessments. The foreclosure of a lien encumbering a Unit in order to satisfy the Priority Lien Indebtedness will extinguish the subordinate lien for any Assessments which became payable prior to the date of such foreclosure sale, to the extent permitted by Section 66-27-415 of the Act; provided that in no event shall a defaulting Owner be relieved from liability incurred for past Assessments. In connection with enforcement of lien rights with respect to any Unit that is subdivided pursuant to the provisions of this Master Declaration, the Master Association hereby grants a license (which will be set forth in any Sub-Unit Declaration) to the Sub-Unit Condominium Association to collect a pro rata (or otherwise allocated) portion of Assessments from each Sub-Unit Owner, and the Sub-Unit Condominium Association shall remit such collections to the Master Association. If a Sub-Unit Condominium Association fails to timely collect any portion of the Assessments due from a Sub-Unit Owner, then after the Master Association gives 30 days' notice to the Sub-Unit Condominium Association, the license to the Sub-Unit Condominium Association to collect any portion of the Assessments from a Sub-Unit Owner shall terminate, and the Master Association may enforce its lien as against the applicable Sub-Unit without the joinder of the Sub-Unit Condominium Association.

Section 7.5 Commencement of Obligation to Pay Assessments. Each Owner shall be obligated to commence payment of all Assessments on the date a Unit is conveyed to the Owner. If the date a Unit is conveyed to an Owner is other than the first day of a month, then such Owner shall be obligated to pay only a pro rata share of the Assessment against such Unit based on the number of days during such month that the Owner will hold title to the Unit. Prior to the commencement of the obligation to pay the initial Monthly Assessment, Declarant shall pay all the Common Expenses of the Condominium (excluding portions thereof allocable to reserves and less Assessments payable by the other Owners); provided, however, nothing contained in this Master Declaration shall prevent Declarant from collecting from the purchaser of a Unit at closing a prorated share of any expenses, such as Governmental Impositions or insurance premiums, to the extent that Declarant prepaid such expenses on behalf of the Unit being purchased.

Section 7.6 Notice of Default. If an Owner defaults in the Owner's monetary obligations to the Master Association, the Master Association may notify other lienholders of the default and the Master Association's intent to foreclose its lien. The Master Association shall notify any holder of a recorded lien or duly perfected mechanic's lien against a Unit which has given the Master Association a written request for notification of the Owner's monetary default or the Master Association's intent to foreclose its lien.

Section 7.7 Alternative Actions. Nothing contained in this Master Declaration shall prohibit the Master Association from taking a deed in lieu of foreclosure or from filing suit to recover a money judgment for sums that may be secured by the lien.

Section 7.8 Statement of Expenses and Access to Records. Upon request, the Master Association shall promptly provide any Owner, contract purchaser or Mortgagee with a written statement of all unpaid Assessments due with respect to such Unit. The Master Association may impose a reasonable charge for the preparation of such statement to the extent permitted by the Act. The Master

Association shall make available during normal business hours for inspection, upon request by the Owners, Mortgagees, Tenants, prospective purchasers and any of their authorized agents, current copies of the books, records and financial statements of the Master Association (including, if such is prepared, the most recent annual audited financial statement available). Any Owner or Mortgagee may have an audited statement of the Master Association prepared at its own expense.

Section 7.9 Subordination of Lien for Assessments. The lien for the payment of Assessments shall be subordinate to the lien of any mortgage or deed of trust that secures Priority Lien Indebtedness that was recorded prior to the date any such Assessment becomes delinquent under the provisions of this Master Declaration.

ARTICLE VIII LOSS AND OBSOLESCENCE

Section 8.1 Loss or Damage. The following provisions shall govern if the Common Elements or any part thereof are damaged or destroyed by fire or other casualty: (a) prompt written notice of any substantial damage or destruction shall be given by (i) the affected Owner or Owners to the Master Association; and (ii) the Master Association to all of the Mortgagees; (b) the Master Association shall promptly proceed with the full restoration and repair of such damage or destruction unless (i) the Condominium is terminated; (ii) repair or replacement would be illegal under any Legal Requirement; or (iii) the Owners holding at least 100% of the votes in the Master Association, including each Owner of a Unit to which a Limited Common Element that will not be rebuilt or repaired is assigned, vote not to rebuild; or (iv) the whole or more than two-thirds of the Building is damaged, unless Owners holding at least 100% of the votes in the Master Association vote to make such restoration and repair; (c) the amount by which such restoration and repair costs exceed collectible Insurance Proceeds shall be and constitute a Special Assessment payable by the Owners within 60 days of the date notice of such Special Assessment is delivered by the Master Association, in accordance with Subsection 7.1(c) and Subsection 7.2(c), respectively, of this Master Declaration; and (d) any excess Insurance Proceeds remaining after such restoration and repair, or any insurance or sales proceeds available absent such restoration and repair, shall be received and held in trust by the Insurance Trustee in separate accounts for each Owner, as their interests may appear (with any proceeds attributable to Limited Common Elements allocated among the Owners of the Units to which such Limited Common Elements were assigned in this Master Declaration and any other proceeds allocated in accordance with the Allocated Interests of the Owners), and distributed as follows: first, to the payment of any Governmental Impositions in favor of any assessing entity having authority with respect to the Common Elements or such Unit; second, to the payment of the balance of the Priority Lien Indebtedness of such Owner; third, to the payment of any delinquent Assessment with respect to such Unit; and the balance, if any, to each Owner entitled thereto.

Section 8.2 Damaged Units. The following provisions shall govern in relation to a Damaged Unit: (a) prompt written notice of any substantial damage or destruction shall be given by the Owner of the Damaged Unit to the Master Association and the Mortgagee of the Damaged Unit; (b) the Owner of the Damaged Unit shall promptly proceed with the full restoration and repair of such damage or destruction unless: (i) the Condominium is terminated; (ii) repair or replacement would be illegal under any Legal Requirement; or (iii) the Owners holding at least 100% of the votes in the Master Association, including the Owner of the Damaged Unit, vote not to rebuild; and (c) except as otherwise provided in Section 8.7 of this Master Declaration, the Owner of each Damaged Unit shall pay all costs of such restoration, repair and replacement or rebuilding in excess of the net proceeds of the collectible Insurance Proceeds.

Section 8.3 Damaged Sub-Units. The following provisions shall govern in the event of a Damaged Sub-Unit: (a) prompt written notice of any substantial damage or destruction shall be given by

each Sub-Unit Owner of a Damaged Sub-Unit to the Sub-Unit Condominium Association and the Mortgagee of the Damaged Sub-Unit; (b) the Owner of a Damaged Sub-Unit shall promptly proceed with the full restoration and repair of such damage or destruction unless: (i) the Sub-Unit Condominium is terminated; (ii) repair or replacement would be illegal under any Legal Requirement; or (iii) the Sub-Unit Owners holding at least 100% of the votes in the Sub-Unit Condominium Association, including the Sub-Unit Owner of the Damaged Sub-Unit, vote not to rebuild; and (c) the Sub-Unit Owner of each Damaged Sub-Unit shall pay all costs of such restoration, repair and replacement or rebuilding in excess of the net proceeds of the collectible Insurance Proceeds.

Section 8.4 Obsolescence of Common Elements. If the Owners holding not less than 100% of the Allocated Interests shall vote, at a meeting of the Master Association duly called for purposes of considering same, that the Common Elements or any part thereof (or any Systems which serve only, or are a part of, individual Units), are obsolete, the Master Association shall promptly proceed with the necessary replacements and improvements thereto pursuant to a budget established for such purpose, and the cost thereof shall be and constitute a Special Assessment payable by all the Owners within 30 days of the date notice of such Special Assessment is delivered to them by the Master Association.

Section 8.5 Obsolescence of the Property. If the Owners holding not less than 100% of the votes in the Master Association, at a meeting of the Master Association duly called for purposes of considering same, determine that the Property is obsolete, the Master Association, after first obtaining the written consent of 80% of the Mortgagees, shall promptly proceed with the sale thereof in its entirety. Any proceeds from such sale shall be received, held and applied for and on account of the Owners as provided in the Act.

Section 8.6 The Master Association as Attorney-in-Fact. Each Owner, by acceptance of a deed to a Unit, hereby irrevocably makes, constitutes and appoints the Master Association, and each and every one of its successors in interest hereunder, as the Owner's true and lawful attorney-in-fact, for and in the Owner's name, place and stead, upon the damage or destruction of the Property or any part thereof, or upon any determination by the Owners made pursuant to this Article VIII, to take any and all actions, and to execute and deliver any and all instruments as the Master Association may, in its sole and absolute discretion, deem necessary or advisable to effect the intents and purposes of this Article VIII, hereby giving and granting unto the Master Association full power and authority to do and perform all and every act whatsoever requisite or necessary to be done in and about the premises as fully, to all intents and purposes, as an Owner might or could do, hereby ratifying and confirming whatsoever the Master Association may do by virtue of the provisions of this Master Declaration. The Master Association is hereby authorized, in the name and on behalf of all the Owners, to do and perform all actions necessary or appropriate to effect the intent and purposes of this Article VIII, including the power and authority to make and settle claims under any insurance policies maintained by the Master Association, contract for and with respect to restoration and repair work, contract for and with respect to replacements and improvements to the Common Elements (to the extent authorized as contemplated by Section 8.4 of this Master Declaration), to contract for and with respect to a sale of the Property (to the extent contemplated by Section 8.5 of this Master Declaration), and to execute and deliver all instruments necessary or incidental to any such actions.

Section 8.7 Matters Relating to Restoration and Repairs. Any restoration and repair work undertaken by the Master Association or an Owner pursuant to this Article VIII shall be performed in a good and workmanlike manner in order to restore the Improvements to a condition similar to that existing prior to such damage or destruction; provided, however, that in no event shall the Master Association be responsible for restoring, repairing or replacing any improvements to a Unit made by an Owner or the contents located in such Unit. All such restoration and repair work, whether done by the Master Association or an Owner, shall be effected in a manner so as to observe all vertical and horizontal Unit

boundaries existing prior to such damage or destruction. If an Owner or the Owners decide to rebuild or repair any Unit in excess of its full replacement cost, such Owner or Owners shall be responsible for any such costs exceeding the full replacement value of such Unit; provided, however, that if the Owners holding not less than 100% of the Allocated Interests shall vote to incur such expenses, such additional expenses, to the extent they exceed the replacement value of such Unit, shall constitute a Special Assessment.

ARTICLE IX **EMINENT DOMAIN**

Section 9.1 General Provisions. If all or any part of the Property is subject to a Taking, the Master Association and each Owner affected thereby shall be entitled to participate in proceedings incident thereto at their respective expense. The Master Association shall give notice of such proceeding, as it receives such notice, to all the Owners and to all the Mortgagees which have requested such notice; provided, however, that the failure of the Master Association to give such notice shall not prejudice the right of any Mortgagee to participate in such proceedings. The expense of participation in such proceedings by the Master Association shall be a Common Expense. The Master Association is specifically authorized to obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Master Association in its discretion deems necessary or advisable to aid or advise it in matters relating to such proceedings. Any restoration or repair of the Property following a partial Taking shall be performed in accordance with the provisions of this Master Declaration and shall follow, as nearly as possible, the original plans and specifications for the Property, unless otherwise approved by all the Mortgagees.

Section 9.2 Taking of All or Substantially All of One Unit. If a Unit (or a substantial part thereof such that the remnant may not practically or lawfully be used for any purpose permitted by this Master Declaration) is subject to a Taking, the Owner and any Mortgagee of such Owner shall be entitled to the award for such Taking, including the award for the value of such Owner's interest in the Common Elements, whether or not such Common Element interest is acquired, and, after payment thereof, such Owner and any Mortgagee of such Owner shall be divested of all interest in the Property. In such event, the condemned Unit's entire Allocated Interest shall be automatically reallocated to the remaining Units in proportion to the respective Allocated Interests of those Units before the Taking, unless the decree relating to the Taking provides otherwise. A remnant of a Unit remaining after part of a Unit is the subject of a Taking described in this Section 9.2 shall be a Common Element. If any repair or rebuilding of the remaining portions of the Property is required as a result of such Taking, the remaining Owners shall determine by the affirmative vote or written consent of the remaining Owners holding not less than 100% of the votes in the Master Association either to rebuild or repair the Property or to take such other action as such remaining Owners may deem appropriate. If no repair or rebuilding shall be required, or if none is undertaken, the remaining portion of the Property shall be resurveyed, if necessary, and this Master Declaration shall be amended to reflect such Taking. This Master Declaration shall in all circumstances be amended to reflect the reallocated Allocated Interests following the Taking.

Section 9.3 Partial Taking of a Unit. If only a portion of a Unit is subject to a Taking, such that the remaining portion of such Unit can practically and lawfully be used for any purpose permitted by this Master Declaration, the Owner shall be entitled to the award for such Taking, including the award for the value of such Owner's interest in the Common Elements, whether or not such Common Element interest is acquired, and the Allocated Interest of the Unit subject to such Taking shall be reduced and the Allocated Interests of the other Units shall be increased in accordance with the Reallocation Percentage. The Owner of such Unit, at its sole cost and expense, shall promptly repair, restore and rebuild the remaining portions of such Unit as nearly as possible to the condition which existed prior to such Taking.

Section 9.4 Taking of Common Elements. If an action is brought to effect a Taking of all or any portion of the Common Elements together with or apart from any Unit, the Board of Directors, in addition to the general powers set out in this Master Declaration, shall have the sole authority to determine whether to defend or resist any such proceeding, to make any settlement with respect thereto, or to convey such property to the condemning authority in lieu of such condemnation proceeding unless the action involves a material portion of the Common Elements, in which case the agreement of all the Owners shall be required. With respect to any such Taking of the Common Elements only, all damages and awards shall be determined for such Taking as a whole and not for any Owner's interest therein. After the damages or awards for a Taking of the Common Elements are determined, such damages or awards shall be held by the Master Association, acting as trustee for each Owner and their Mortgagees, as their interests shall appear, and any amounts not used for repair or restoration of the remaining Common Elements shall be divided among the Owners in proportion to each Owner's Allocated Interest before the Taking, except that such portion of any such award attributable to the condemnation of a Limited Common Element shall be divided among the Owners of the Units served by such Limited Common Elements as such Owners' interests existed in the Limited Common Elements condemned. The Owners shall determine by the affirmative vote or written consent of the Owners holding not less than 100% of the votes in the Master Association either to rebuild or repair the remaining Common Elements or to take such other action as the Owners may deem appropriate. If it is determined that such Common Elements should be replaced or restored by obtaining other land or building additional structures, this Master Declaration and the Map attached hereto shall be duly amended by instrument executed by the Board of Directors on behalf of the Owners and recorded in the Condominium Records.

Section 9.5 Taking of Several Units. If an eminent domain proceeding results in the Taking of all or part of multiple Units, then the damage and awards for such Taking shall be determined and paid for each Unit as described in Section 9.2 and Section 9.3 of this Master Declaration, and the following shall apply: (a) the Master Association shall determine which of the Units damaged by such Taking may be practically and lawfully used for any purpose permitted by this Master Declaration, taking into account the nature of the Property and the reduced size of each Unit so damaged; (b) if the remaining Owners shall determine by the affirmative vote or written consent of the remaining Owners holding not less than 100% of the votes in the Master Association, with the written consent of 51% of the Mortgagees, that it is not reasonably practicable to operate the undamaged Units and the damaged Units which can be practically and lawfully used for any purpose permitted by this Master Declaration as a mixed-use condominium project in the manner provided in this Master Declaration, then the Property shall be deemed to be regrouped and merged into a single estate owned jointly in undivided interests by all the remaining Owners, as tenants-in-common, in the percentage of the Allocated Interest of each Owner (after reallocation in accordance with the procedures described in Section 9.2 and Section 9.3 of this Master Declaration); and (c) if the Condominium is not so terminated, then the damages and awards made with respect to each Unit which can be practically and lawfully used for any purpose permitted by this Master Declaration shall be applied to repair and reconstruct such Unit as provided in Section 9.3 of this Master Declaration. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed pro rata against the Owners of those Units which are being repaired or reconstructed. With respect to those Units which may not be practically or lawfully used for any purpose permitted by this Master Declaration, after payment of the award, such Owner and any Mortgagee of such Owner shall be divested of all interest in the Property and the condemned Unit's entire Allocated Interest shall be automatically reallocated to the remaining Units in proportion to the respective Allocated Interests of those Units before the Taking, unless the decree relating to the Taking provides otherwise. A remnant of a Unit remaining after part of a Unit is the subject of a Taking, if the remnant of such Unit cannot be practically or lawfully used for any purpose permitted by this Master Declaration, shall be a Common Element. If any repair or rebuilding of the remaining portions of the Property (other than Units which can be practically and lawfully used for any purpose permitted by this Master Declaration) is required as a result of such Taking, the remaining Owners shall determine by the affirmative vote or

written consent of the remaining Owners holding not less than 100% of the votes in the Master Association either to rebuild or repair the Property or to take such other action as such remaining Owners may deem appropriate. If no repair or rebuilding shall be required, or if none is undertaken, the remaining portion of the Property shall be resurveyed, if necessary, and this Master Declaration shall be amended to reflect such Taking. This Master Declaration shall in all circumstances be amended to reflect the reallocated Allocated Interests following the Taking.

Section 9.6 Complete Taking of Property. If all of the Property is the subject of a Taking, all damages and awards shall be held by the Master Association, acting as trustee, for the accounts of all the Owners and their Mortgagees, as their interests shall appear, and shall be paid to or for the accounts of the Owners in proportion to their Allocated Interests and this Condominium shall terminate upon such payment.

Section 9.7 Payment of Awards and Damages. Any damages or awards provided in this Article IX to be paid to or for the account of any Owner by the Master Association, acting as trustee, shall be applied first to the payment of any Governmental Impositions past due and unpaid with respect to that Unit; second, to any Priority Lien Indebtedness on that Unit; third, to the payment of any Assessments charged to or made against the Unit and unpaid; and finally to the Owner.

Section 9.8 Sub-Unit Condemnation. The term "Unit" as used in this Article IX shall also refer to any Sub-Unit (or portion thereof) subject to a Taking in the same manner as applicable to the Taking of a Unit (or part thereof) except that with respect to any such Sub-Unit (or portion thereof): (a) any requirement or percentage of voting shall refer to a vote by the Sub-Unit Owners based upon the votes in such Sub-Unit Condominium Association (or based upon Allocated Interests if there is no Sub-Unit Condominium Association); (b) the term "Property" shall refer to the Sub-Unit Condominium; (c) references to the Master Association shall be deemed to refer to the Sub-Unit Condominium Association (if any); and (d) any re-allocation of the Allocated Interests shall be made in accordance with the Reallocation Percentage applicable to the Sub-Unit Condominium which shall be equal to the Allocated Interest of the Unit that was subdivided to create the applicable Sub-Unit Condominium.

ARTICLE X **RESOLUTION OF DISPUTES**

Section 10.1 Disputes.

(a) **Mediation.** All Disputes, except those relating to equitable remedies, which are not resolved within 15 days after same have arisen (unless such greater time is provided elsewhere in the Governing Documents) shall be submitted for, or determined by, non-binding mediation as a condition precedent to the arbitration required by this Article X. Mediation of any Dispute shall be initiated by any Owner making a written demand therefor to the other Owner or Owners involved in such Dispute and the Master Association. With respect to such mediation, the parties shall, within ten days after delivery of such written notice to the Master Association, agree upon a mediator who is: (i) a reputable Person actively engaged in the commercial real estate industry for a continuous period of not less than ten years; and (ii) is not an Affiliate of, or has had material business dealings with any Owner or any member of the Master Association. If the parties are unable to agree upon a mediator, a mediator having the qualifications set forth above shall be appointed by the American Arbitration Association office in Nashville, Tennessee. Such mediation shall occur within 30 days after the mediator has been agreed upon or appointed and shall occur at a mutually acceptable location in Nashville, Tennessee. The costs of such mediation services shall be shared equally (but each party shall bear the cost of their own travel and attorneys' fees); provided, however, that if the Dispute is not resolved pursuant to such

mediation, the provisions of Subsection 10.3(a) of this Master Declaration shall govern the payment of attorneys' fees and costs and expenses of mediation and arbitration under this Article X.

(b) Final Offer Arbitration. If the parties reach an impasse at mediation, as determined by the mediator in the mediator's sole and absolute discretion, and are unable to resolve any Dispute within 30 days of such mediation session, the Dispute shall be submitted to mandatory, binding arbitration, which may be initiated by either party (as the exclusive remedy with respect to a Dispute under this Master Declaration) by making a written demand therefor to the other parties involved in such Dispute no later than 45 days after the mediator declares that the parties have reached an impasse at mediation or the mediation otherwise fails. The parties agree to select a single impartial arbitrator from a list taken from the American Arbitration Association of commercial arbitrators within 15 days of submitting the Dispute to arbitration, and if they cannot agree on an arbitrator, each party shall select a person and those two so selected shall then select the single impartial arbitrator who shall thereafter serve as arbitrator with respect to the Dispute. The issues in dispute shall be submitted as "baseball" or final-offer arbitration, whereby each party shall submit what it deems to be its most reasonable position to the arbitrator and the arbitrator shall select one of those two positions. The arbitrator shall have no discretion to select or award a position other than to select one of those submitted by the parties. To the extent rules governing arbitration are deemed necessary by the arbitrator (or by agreement of the parties), the current Rules for Commercial Mediation and Arbitration promulgated by the American Arbitration Association shall apply. The decision of the arbitrator shall be rendered no later than ten days from the initiation of the arbitration procedure.

Section 10.2 General

(a) Procedure and Award. In no event shall a Dispute be initiated after the date when institution of legal or equitable proceedings based on such Dispute would be barred by the applicable statute of limitations. In any arbitration of a Dispute, the party or parties whose position is not selected or awarded shall be responsible for all attorneys' fees, costs and expenses (incurred in connection with the mediation and arbitration of a Dispute under this Article X) of the party whose position is selected or awarded for the arbitration of the Dispute under this Article X. The parties may resort to any court of competent jurisdiction for enforcement of, or any other action relating to, the arbitrator's award.

(b) Consolidation. It is expressly understood and agreed that Declarant shall have the right, but not the obligation, to join in any such dispute resolution proceedings any other party whose work or services on or in connection with the Property may be at issue or whose claims(s) involve the design or construction of the Property.

(c) Sole Remedy. With respect to any Dispute it is agreed that the dispute resolution provisions of this Article X shall be the sole remedy of the parties involved in such Dispute. Notwithstanding any other provisions of this Master Declaration, the foregoing agreement to arbitrate and other agreements to arbitrate with an additional person or entity duly consented to by the parties shall be specifically enforceable under prevailing arbitration law in any court having jurisdiction thereof. The foregoing agreement to arbitrate shall not constitute an agreement or consent to arbitration of any dispute, claim, controversy or matter that does not constitute a Dispute. The foregoing agreement to arbitrate any Dispute shall not constitute an agreement or consent to arbitration with any Person not named or described in this Master Declaration; provided that any arbitration proceeding initiated under the terms of Section 10.2 of this Master Declaration may, at the request of any party, be joined or consolidated with other

arbitration proceedings involving additional parties if the Dispute, and the subject of such other proceedings arise out of common or interrelated factual occurrences. Except to the extent permitted by applicable law, any award of the arbitrator shall be final, binding and non-appealable upon the parties involved in the Dispute and judgment thereon may be entered by any court having jurisdiction.

Section 10.3 Sub-Unit Representation. The Sub-Unit Condominium Association (or other designated representative of the Sub-Unit Condominium) shall be the sole representative on behalf of all Sub-Units within a Sub-Unit Condominium in any proceeding with respect to any Dispute pursuant to this Article X.

ARTICLE XI MISCELLANEOUS

Section 11.1 Revocation or Termination of Master Declaration. Except as provided in Section 9.6 of this Master Declaration, this Master Declaration may be revoked or the Condominium established hereby may be terminated only by an instrument in writing, duly approved, executed and acknowledged by those Owners holding not less than 100% of the votes in the Master Association, with the written consent of 80% of the Mortgagees. Any such instrument of revocation or termination shall be duly filed of record in the County. If the Property is to be sold upon termination, the agreement effecting such termination shall also set forth the terms of such sale and comply with the provisions of the Act.

Section 11.2 Amendment to Master Declaration. This Master Declaration may be amended at a meeting of the Owners at which the amendment is approved by those Owners holding not less than 67% of the votes in the Master Association, with the written consent of not less than 51% of the Mortgagees, unless the subject matter of such amendment constitutes a Major Decision, in which event the Owners affected by such amendment must approve such amendment as contemplated by Section 4.6 of this Master Declaration or unless the subject matter of such amendment constitutes a Unilateral Decision, in which event such amendment does not require Owner approval as contemplated by Section 4.7 of this Master Declaration. Such amendment shall be evidenced by a written instrument executed and acknowledged by an officer of the Master Association on behalf of the consenting Owners and by the consenting Mortgagees and filed of record in the County. Any such amendment so effected shall be binding upon all of the Owners; provided, however, that except as permitted or required by the Act, no such amendment shall: (a) change the boundaries of any Unit; (b) prohibit the leasing of any Unit; (c) change the Allocated Interest of a Unit; or (d) change the use restrictions on a Unit unless, with respect to the matters described in Subsections 11.2(a)-(d) of this Master Declaration, such amendment has been consented to by the Owner and the Mortgagee of all affected Units.

Section 11.3 Partial Invalidity. If any provision of the Governing Documents shall be determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall in no way impair or affect the validity or enforceability of the remainder of the Governing Documents.

Section 11.4 Conflicts. If any of the provisions of the Governing Documents shall be in conflict with the provisions of the Act or the TNCA, the provisions of such statutes shall control. If a conflict exists between the provisions of the Governing Documents, such documents shall control in the following order:

- (a) this Master Declaration;
- (b) the Charter;
- (c) the Bylaws; and
- (d) the Regulations.

Each Unit Owner and any Sub-Unit Owner acknowledges that such Unit Owner and Sub-Unit Owner have been given the opportunity to review the documents listed in Subsections 11.4(a)-(d) of this Master Declaration and have had the opportunity to confer with counsel in connection with the purchase of a Unit or Sub-Unit as applicable. The provisions of the Governing Documents embody the entire final documentation to which the Units, the Unit Owners, any Sub-Units and any Sub-Unit Owners will be subject in relation to the Condominium and supersede any and all agreements, representations and understandings, whether written or oral, between the Declarant and the Unit Owners.

Section 11.5 Captions and Exhibits. Captions used in the various articles and sections of this Master Declaration are for convenience only, and they are not intended to modify or affect the meaning of any of the substantive provisions of this Master Declaration. All exhibits are incorporated in and made a part of this Master Declaration.

Section 11.6 Usury. It is expressly stipulated and agreed to be the intent of Declarant that at all times the terms of this Master Declaration, the Bylaws and the Regulations shall comply strictly with the applicable Tennessee law governing the maximum rate or amount of interest payable under any provision of this Master Declaration, the Bylaws or the Regulations. If the applicable law is ever judicially interpreted so as to render usurious any amount contracted for, charged, taken, reserved or received pursuant to this Master Declaration, the Bylaws, the Regulations or any other communication or writing by or between Declarant, the Master Association and the Owners related to the matters set forth in this Master Declaration, the Bylaws or the Regulations, then it is the express intent of Declarant that all amounts charged in excess of the maximum rate allowed by Tennessee law shall be automatically canceled, *ab initio*, and all amounts in excess of the maximum rate allowed by Tennessee law theretofore collected shall be refunded, and the provisions of this Master Declaration, the Bylaws or the Regulations shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law. The Owners hereby agree that as a condition precedent to any claim seeking usury penalties against Declarant, the Master Association or any billing Owner, any Person will provide written notice to Declarant, the Master Association or any billing Owner, advising Declarant, the Master Association or any billing Owner in reasonable detail of the nature and amount of the violation, and Declarant, the Master Association or any billing Owner shall have 60 days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to a Person or crediting such excess interest against the obligation then owing by such Person to Declarant, the Master Association or any billing Owner.

Section 11.7 Use of Number and Gender. Whenever used in this Master Declaration, and unless the context shall otherwise provide, the singular number shall include the plural, the plural number shall include the singular and the use of any gender shall include all genders.

Section 11.8 Governing Law. THIS MASTER DECLARATION AND THE BYLAWS, THE CHARTER, AND THE REGULATIONS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TENNESSEE, EXCEPT FOR THE PROVISIONS OF ARTICLE X OF THIS MASTER DECLARATION, WHICH SHALL BE GOVERNED BY FEDERAL LAW. VENUE FOR ANY ACTION BROUGHT IN CONNECTION WITH THE CONDOMINIUM SHALL BE IN DAVIDSON COUNTY, TENNESSEE.

Section 11.9 Notice. All notices or other communications required or permitted to be given pursuant to this Master Declaration shall be in writing and shall be considered as properly given (a) if mailed by first class United States mail, postage prepaid, registered or certified with return receipt requested; (b) by delivering same in person to the intended addressee; (c) by delivery to an independent

third party commercial delivery service for same day or next day delivery and providing for evidence of receipt at the office of the intended addressee; or (d) by prepaid telegram, telex, or telefacsimile to the addressee. Notice so mailed shall be effective upon its deposit with the United States Postal Service or any successor thereto; notice sent by such a commercial delivery service shall be effective upon delivery to such commercial delivery service; notice given by personal delivery shall be effective only if and when received by the addressee; and notice given by other means shall be effective only if and when received at the office or designated place or machine of the intended addressee. For purposes of notice, the addresses of Declarant shall be as set forth in Section 1.1 of this Master Declaration and the Master Association shall be as set forth in this Section 11.9, the address of each Owner shall be the address of the Unit and the address of each Mortgagee shall be the address provided to the Master Association; provided, however, that any party shall have the right to change its address for notice hereunder to any other location within the United States by the giving of 30 days' notice to the Master Association in the manner set forth in this Section 11.9:

Master Association: 250 Fifth Avenue South
Nashville, Tennessee 37203

Section 11.10 Estoppel Certificates. Each Owner, from time to time but no more often than twice each calendar year, shall have the right to require the Master Association (as to all items listed in this Section 11.10) and the other Owners (as to Subsections 11.10(c), (d), (e) and (f)) to deliver to the requesting Owner a written statement addressed to the requesting Owner and its Mortgagee or purchaser of its Unit, as applicable, without payment of any fee or cost certifying: (a) this Master Declaration is unmodified and in full force and effect (or if modified that this Master Declaration as so modified is in full force and effect); (b) this Master Declaration attached to the certificate is a true and correct copy of this Master Declaration and all amendments hereto; (c) the date through which all Assessments have been paid by the Owner requested to provide the certificate and by the Owner requesting such certificate; (d) to the knowledge of the certifying party, neither the certifying party nor the requesting party is in default of any of its obligations under this Master Declaration (or if the certifying party knows the certifying party or requesting party to be in default, specifying the defaults and the remaining cure period, if any); (e) the certifying party holds no existing liens against the requesting party's Unit; and (f) such other matters as are reasonably requested by the requesting Owner.

Section 11.11 Expiration or Termination of the Facility Lease. IDB hereby agrees and acknowledges that no expiration or termination of the Facility Lease shall terminate the Condominium created by this Master Declaration. Additionally, upon the expiration or termination of the Facility Lease, the interest of IDB in the Hotel Land shall automatically merge with Hotel Owner's leasehold interest in the Hotel Unit.

ARTICLE XII

MORTGAGEE PROTECTION PROVISIONS

Section 12.1 Notice Provisions. All Mortgagees shall be entitled to receive the following notices in writing from the Master Association or any Owner exercising rights affecting that Mortgagee's borrower's rights under this Master Declaration or affecting the Mortgagee's rights, as the case may be, which notice shall be sent promptly following the occurrence of the applicable event:

- (a) notice of any proposed action which requires the consent of Mortgagees, which notice shall be given not less than 30 days prior to the desired effective date of such action;
- (b) notice of default by the Owner (the beneficial interest in which Unit is held by that Mortgagee) in the performance of such Owner's obligations, delinquency in the payment of

Assessments owed by such Owner or Governmental Impositions which remains uncured for a period of 60 days after notice thereof;

(c) notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond required to be maintained hereunder by the Master Association or by any Owner;

(d) notice of any damage or destruction to or Taking of any portion of the Condominium that affects either a material portion of the Property or a Unit, the beneficial interest in which is held by that Mortgagee, which notice shall be given promptly upon the Master Association's obtaining knowledge of such damage or destruction;

(e) 60 days' notice prior to the Master Association instituting any foreclosure action on any Unit; and

(f) 30 days' notice prior to the effective date of (i) any proposed material amendment to this Master Declaration or the Map; (ii) any termination of an agreement for professional management of the Property following any decision of the Owners to assume self-management of the Property; and (iii) any proposed termination of the Condominium.

Section 12.2 Cure Rights. Any Mortgagee shall have the right, but not the obligation, at any time prior to the termination of this Master Declaration, and without payment of any penalty, to do any act or thing required of such Mortgagee's borrower hereunder; and to do any act or thing which may be necessary or proper to be done in the performance and observance of the agreements, covenants and conditions of such Owner in this Master Declaration. All payments so made and all things so done and performed by any Mortgagee shall be effective to prevent a default under this Master Declaration as the same would have been if made, done and performed by Declarant or any Owner instead of by said Mortgagee. Any event of default under this Master Declaration which in the nature thereof cannot be remedied by Mortgagee shall be deemed to be remedied if: within 30 days after receiving written notice from the non-defaulting party setting forth the nature of such event of default, or prior thereto the Mortgagee shall: (a) have acquired the property owned by the defaulting party (the "Acquired Property") or commenced foreclosure or other appropriate proceedings in the nature thereof, and shall thereafter diligently prosecute any such proceedings; (b) have fully cured any default in the payment of any monetary obligations owed the non-defaulting party hereunder within such 30 day period and shall thereafter continue to perform faithfully all such non-monetary obligations which do not require possession of the Acquired Property; and (c) after gaining possession of the Acquired Property following a foreclosure or deed in lieu thereof, the Mortgagee performs all future obligations of the defaulting party hereunder as and when the same are due.

Section 12.3 No Invalidity of Mortgage Lien. No violation of this Master Declaration by, or enforcement of this Master Declaration against, any party shall affect, impair, defeat or render invalid the lien of any mortgage that secures any Priority Lien Indebtedness.

Section 12.4 Mortgagee Requirements. The Master Association agrees to cooperate reasonably with any requesting party in regard to the satisfaction of requests or requirements by a Mortgagee; provided, however, such cooperation shall be at the sole cost and expense of the requesting party, and provided, further, that no party shall be deemed obligated to accede to any request or requirement that materially and adversely affects its rights under this Master Declaration.

Section 12.5 Unpaid Assessments. Each Person holding a mortgage secured by any Priority Lien Indebtedness encumbering any Unit, which Person obtains title to such Unit pursuant to judicial foreclosure, or the powers provided in such mortgage, or a deed in lieu of foreclosure, shall take title to

such Unit free and clear of any claims for unpaid Assessments against such Unit which accrued prior to the time such Person acquires title to such Unit, except as otherwise set forth in Article VII of this Master Declaration or the Act.

Section 12.6 Books and Records. All Mortgagees, upon written request, shall have the right to (a) examine the books and records of the Master Association, including current copies of this Master Declaration, the Bylaws and the Regulations and financial statements, during normal business hours; (b) require the Master Association to submit an annual audited financial statement for the preceding fiscal year within 120 days of the end of the Master Association's fiscal year, if one is available, or have one prepared at the expense of the requesting Person if such statement is not otherwise prepared by the Master Association; (c) receive written notice of all meetings of the Owners; and (d) designate in writing a representative to attend all such meetings.

Section 12.7 Priority of Rights. No provision of this Master Declaration shall be construed or applied to give any Owner priority over any rights of any Mortgagee if the proceeds or awards are not applied to restoration but are distributed to the Owners after a casualty loss, or Taking of, a Unit and/or the Common Elements.

Section 12.8 Required Percentage. Any required percentage of Mortgagees in this Master Declaration shall mean and refer to such percentage of the face amount of the indebtedness held by such Mortgagees and not the number of such Mortgagees, unless otherwise required by the Act.

ARTICLE XIII **INDEMNIFICATION AND LIMITED LIABILITY**
