After further discussion and questions by the members of the Board of Directors of the Corporation, upon motion by Mr. Moth, seconded by Dr. Addae that the above Resolution be adopted, Ms. McGehee took a roll call vote and such Resolution was adopted, all members present voting affirmatively thereon.

The Chairman then recognized Mr. Brent Elrod of Urban Housing Solutions, who requested on behalf of Urban Flats, L.P., a Tennessee limited partnership, that the Board of Directors of the Corporation consider preliminary approval of those certain not to exceed \$20,000,000 multifamily housing revenue bonds, in one or more series (the “Urban Flats Bonds”), the proceeds of the sale thereof to be loaned to Urban Flats, L.P., to finance the acquisition, construction, and equipping of an approximately 131 unit multifamily housing facility to be located at or near 411 Murfreesboro Pike, Nashville, Davidson County, Tennessee. Mr. Elrod described the proposed development at the site of the original Murphy Court hotel, which was previously converted to house the homeless population. Mr. Elrod described the new development as high density mixed income with four stories located over garage and office space, targeting the low to moderate income workforce, and more than doubling the number of available units. Mr. Elrod noted that current residents would be temporarily relocated but not displaced, and that units in the new development would be set aside for homeless residents.

After questions and discussion by members of the Board of Directors of the Corporation, the Chairman then stated that it was necessary to hold a public hearing required by Section 147(f) of the Internal Revenue Code of 1986, as amended, in connection with the consideration of the issuance of the Urban Flats Bonds and the nature and location of the facilities to be financed with the Urban Flats Bonds. The Chairman asked Ms. Barnett if anyone from the public had contacted her requesting to speak at this public hearing regarding this matter and she responded no. The Chairman then asked if there was anyone present from the public who wished to speak on behalf of or oppose the issuance of the Urban Flats Bonds or the nature and location of the facilities to be financed with the Urban Flats Bonds. The Chairman then noted that there was no one from the public present who wished to speak on behalf of or oppose such approval and then declared the public hearing closed.

After further questions and discussion by the members of the Board of Directors of the Corporation, the following Resolution was presented:

WHEREAS, there has been prepared and submitted to this meeting of the Board of Directors of the Issuer a proposed agreement (the “Agreement”) to be executed by the Issuer and the Applicant in connection with the financing of the Project, a copy of such Agreement being attached hereto and incorporated herein as fully as though copied; and,

- (1) The Issuer hereby approves the issuance of the Bonds for the purposes specified in the preamble hereto and the Agreement, subject only to the submission of implementing documents (including, but not limited to, an opinion of Counsel for the Issuer that the Project constitutes a “project”, as such term is defined in the Act) satisfactory to the Issuer and its Legal Counsel.

- (d) The expenditures described in (a) above are "capital expenditures" as defined in Treas. Reg. § 1.150-1, which are any costs of a type which are properly chargeable to a capital account (or would be so chargeable with a proper election) under general Federal income tax principles (as determined at the time the expenditure is paid).

AGREEMENT TO ISSUE BONDS

This AGREEMENT TO ISSUE BONDS (the “Agreement”), dated as of January 11, 2021, made and executed by and between THE HEALTH AND EDUCATIONAL FACILITIES BOARD OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE (the “Issuer”), a public, nonprofit corporation organized and existing under the laws of the State of Tennessee, and URBAN FLATS, L.P. (the “Applicant”), a Tennessee limited partnership:

W I T N E S S E T H:

For and in consideration of the mutual covenants and undertakings set forth herein, and other valuable consideration, the receipt of which is hereby acknowledged, the parties hereto do hereby agree as follows:

Section 1. Recitation of Facts. As a means of setting forth the matters of mutual inducement which have resulted in the making and execution of this Agreement, the following statements of fact are hereby recited:

(a) The Issuer is authorized by the provisions of Title 48, Chapter 101, Part 3, Tennessee Code Annotated, as amended (the “Act”), to issue, sell, and deliver revenue bonds and to use the proceeds therefrom for, among other things, financing, acquiring, improving, constructing, equipping, owning, leasing, and disposing of properties for the purpose of enabling certain types of entities to provide facilities, including multifamily housing facilities, in order to promote the welfare, prosperity, health, and living conditions of the people of the State of Tennessee;

(b) The Applicant desires to finance the acquisition, construction and equipping of an approximately 131 unit multifamily housing facility to be located at or near 411 Murfreesboro Pike in Nashville, Davidson County, Tennessee (collectively, the “Project”);

(c) It is estimated by the Applicant that the financing of the Project, together with related financing, architectural, engineering, legal, accounting, consulting, and other professional charges, fees, and expenses, will require an expenditure of not to exceed Twenty Million Dollars (\$20,000,000) in revenue bonds;

(d) The Applicant has advised the Issuer that the plans of the Applicant to acquire and construct the Project are dependent upon certain assistance which the Issuer can provide, such assistance being more fully specified in paragraph (a) of Section 2 hereof;

(e) The Issuer has duly considered the nature of the Project, and has found and determined that the assistance specified in paragraph (a) of Section 2 hereof will be in furtherance of the public purposes for which the Issuer was created; and,

(f) The Issuer has, therefore, determined that the issuance, sale, and delivery of the Bonds, as such term is hereinafter defined, for the purposes, described in paragraph

(a) of Section 2 hereof, are necessary to implement the public purposes enumerated in the Act.

Section 2. Undertakings on the Part of the Issuer. Subject to the provisions and limitations contained in the Act and in any and all other applicable statutes, laws, ordinances, and regulations, whether federal, state, local, or otherwise, the Issuer hereby agrees as follows:

(a) That it will authorize the issuance, sale, and delivery of the revenue bonds, in one or more series, in the aggregate principal amount of not to exceed Twenty Million Dollars (\$20,000,000) (the “Bonds”), the proceeds of the sale thereof to be loaned to the Applicant for the purpose of paying the costs of the Project and other costs related thereto, the Applicant to make aggregate loan payments sufficient to pay, when and as due, the debt service on the then outstanding Bonds, and in addition, such other payments as may be customary in such proceedings;

(b) That it will adopt, in connection with the issuance of the Bonds, such proceedings as may be necessary or desirable for the execution and delivery, on behalf of the Issuer, of one or more loan agreements, indentures, or other documents (such loan agreements, indentures, or other documents being herein called, the “Indentures”), from the Issuer to the purchaser or purchasers (individually, the “Purchaser”; collectively, the “Purchasers”) of such Bonds, or to one or more trustees (individually, the “Trustee”; collectively, the “Trustees”) to be nominated, subject to the approval of the Issuer, by the Applicant, each of such Indentures to contain such terms and provisions as are customary for similar loan agreements, indentures, or other documents in the State of Tennessee, and as are mutually agreeable to the Issuer, the applicable Purchaser or Purchasers, or the applicable Trustee or Trustees, and the Applicant;

(c) That it will adopt, in connection with the issuance of the Bonds, such proceedings as may be necessary or desirable for the execution and delivery, on behalf of the Issuer, of one or more loan agreements (the “Loan Agreements”) providing for the loan of the proceeds of the Bonds, as provided in paragraph (a) of this Section, to the Applicant, each of such Loan Agreements to contain such terms and provisions as are customary for similar loan agreements in the State of Tennessee, and as are mutually agreeable to the Issuer and the Applicant;

(d) That it will adopt, in connection with the issuance of the Bonds, such proceedings as may be necessary or desirable for the execution and delivery, on behalf of the Issuer, of such other, further, or different documents as may be necessary or desirable to effectuate the assistance set forth in paragraph (a) of Section 2 hereof, such other or further documents to contain such terms and provisions as may be mutually satisfactory to the Issuer and the Applicant;

(e) That it will perform such other or further acts and adopt such other or further proceedings as may be necessary or desirable to faithfully implement its undertakings hereunder; and,

(f) That, based upon the representations of the Applicant that it is necessary to proceed immediately with the Project, the Issuer hereby agrees that the Applicant may proceed with such plans for the Project, enter into contracts for the Project, and take such other steps as may be deemed appropriate by the Applicant in connection therewith, as soon as practicable, so that the inhabitants of the State of Tennessee may benefit from the Project without delay, the Applicant being hereby authorized to be reimbursed from the proceeds of the Bonds, if issued, for all costs so incurred by, or behalf of such Applicant; provided, however, that nothing herein contained shall be deemed to authorize the Applicant to obligate the Issuer in any manner for the payment of any monies except from the proceeds of the Bonds, or for the performance of any acts in connection with the Project, except as otherwise herein expressly provided.

Section 3. Undertakings on the Part of the Applicant. The Applicant hereby agrees as follows:

(a) That the Applicant will authorize such proceedings as may be necessary or desirable to execute and deliver the Loan Agreements on behalf of the Applicant;

(b) That the Applicant will authorize, execute, and deliver such other, further, or different documents as may be necessary or desirable to effectuate the assistance set forth in paragraph (a) of Section 2 hereof, such other or further documents to contain such terms and provisions as may be mutually satisfactory to the Issuer and the Applicant;

(c) That the Applicant will perform such other or further acts, and adopt such other or further proceedings as may be necessary or desirable to faithfully implement the undertakings hereunder of the Applicant; and,

(d) That the Applicant will hold the Issuer harmless from all pecuniary liability, and will reimburse the Issuer for all expenses which it or its legal counsel may incur in the fulfillment and implementation of its obligations hereunder, which covenant shall survive any termination of this Agreement.

Section 4. No Liability of The Metropolitan Government of Nashville and Davidson County, Tennessee. Anything herein contained to the contrary notwithstanding, no commitment set forth herein of the Issuer shall result in The Metropolitan Government of Nashville and Davidson County, Tennessee, being or becoming liable for the payment of the principal of, or the interest on, the Bonds, or for the performance of any pledge, mortgage, obligation, or agreement of any kind whatsoever of the Issuer, and none of the Bonds, nor any of the agreements or obligations of the Issuer shall be construed to constitute an indebtedness of The Metropolitan Government of Nashville and Davidson County, Tennessee, within the meaning of any constitutional or statutory provision whatsoever.

Section 5. Mutual Agreements as to Terms of Documents. All commitments herein contained of the Issuer and of the Applicant are subject to the express provision that the Issuer and the Applicant agree upon mutually acceptable terms and conditions of all documents, including, but not limited to, the Indentures and the Loan Agreements, whose execution and delivery are contemplated by the provisions hereof.

Section 6. Other Conditions. All commitments of the Issuer under Section 2 hereof, and of the Applicant under Section 3 hereof, are subject to, in addition to any and all other conditions contained herein, an opinion of Counsel for the Issuer that the project constitutes a “project,” as such term is defined in the Act. The action taken by the Issuer, as evidenced by the execution of this Agreement, does not express an endorsement or preference of the Issuer for the project herein proposed relative to any other project with respect to any restrictions, reviews, requirements, or approvals applicable to such projects by any law either existing or subsequently enacted.

Section 7. Termination of Agreement. This Agreement, and all of the terms and provisions hereof, shall terminate and be of no further force and effect from and after the issuance, sale, and delivery of the Bonds. Furthermore, if such Bonds, for any reason whatsoever, have not been sold and delivered by December 31, 2021, this Agreement, and all of the terms and provisions hereof (except as herein specified), shall become void and of no further force and effect, unless extended by agreement of the parties hereto.

Section 8. Payment of Fees. The Applicant shall pay all fees, costs, and expenses, including reasonable attorney’s fees, incurred by the Issuer or its Legal Counsel in connection with the financing herein contemplated, including proceedings preliminary thereto, as such fees, costs, and expenses accrue and such obligation to pay such fees, costs, and expenses shall survive any termination thereof.

Section 9. Execution of Agreement. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto, each after due consideration and authorization, have executed this Agreement on the date first above written.

AGREEMENT TO ISSUE BONDS

This AGREEMENT TO ISSUE BONDS (the "Agreement"), dated as of January 11, 2021, made and executed by and between THE HEALTH AND EDUCATIONAL FACILITIES BOARD OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE (the "Issuer"), a public, nonprofit corporation organized and existing

under the laws of the State of Tennessee, and FAIRGROUNDS AFFORDABLE HOUSING, LP (the “Applicant”), a Tennessee limited partnership:

W I T N E S S E T H:

For and in consideration of the mutual covenants and undertakings set forth herein, and other valuable consideration, the receipt of which is hereby acknowledged, the parties hereto do hereby agree as follows:

Section 1. Recitation of Facts. As a means of setting forth the matters of mutual inducement which have resulted in the making and execution of this Agreement, the following statements of fact are hereby recited:

(a) The Issuer is authorized by the provisions of Title 48, Chapter 101, Part 3, Tennessee Code Annotated, as amended (the “Act”), to issue, sell, and deliver revenue bonds and to use the proceeds therefrom for, among other things, financing, acquiring, improving, constructing, equipping, owning, leasing, and disposing of properties for the purpose of enabling certain types of entities to provide facilities, including multifamily housing facilities, in order to promote the welfare, prosperity, health, and living conditions of the people of the State of Tennessee;

(b) The Applicant desires to finance the acquisition, construction and equipping of an approximately 160 unit multifamily housing facility to be located at or near the campus of the Nashville Fairgrounds located at or near 625 Smith Avenue, south of the intersection of Wedgewood Avenue and Rains Avenue, in Nashville, Davidson County, Tennessee (collectively, the “Project”);

(c) It is estimated by the Applicant that the financing of the Project, together with related financing, architectural, engineering, legal, accounting, consulting, and other professional charges, fees, and expenses, will require an expenditure of not to exceed Twenty-Five Million Dollars (\$25,000,000) in revenue bonds;

(d) The Applicant has advised the Issuer that the plans of the Applicant to acquire and construct the Project are dependent upon certain assistance which the Issuer can provide, such assistance being more fully specified in paragraph (a) of Section 2 hereof;

(e) The Issuer has duly considered the nature of the Project, and has found and determined that the assistance specified in paragraph (a) of Section 2 hereof will be in furtherance of the public purposes for which the Issuer was created; and,

(f) The Issuer has, therefore, determined that the issuance, sale, and delivery of the Bonds, as such term is hereinafter defined, for the purposes, described in paragraph (a) of Section 2 hereof, are necessary to implement the public purposes enumerated in the Act.

Section 2. Undertakings on the Part of the Issuer. Subject to the provisions and limitations contained in the Act and in any and all other applicable statutes, laws, ordinances, and regulations, whether federal, state, local, or otherwise, the Issuer hereby agrees as follows:

(a) That it will authorize the issuance, sale, and delivery of the revenue bonds, in one or more series, in the aggregate principal amount of not to exceed Twenty-Five Million Dollars (\$25,000,000) (the “Bonds”), the proceeds of the sale thereof to be loaned to the Applicant for the purpose of paying the costs of the Project and other costs related thereto, the Applicant to make aggregate loan payments sufficient to pay, when and as due, the debt service on the then outstanding Bonds, and in addition, such other payments as may be customary in such proceedings;

(b) That it will adopt, in connection with the issuance of the Bonds, such proceedings as may be necessary or desirable for the execution and delivery, on behalf of the Issuer, of one or more loan agreements, indentures, or other documents (such loan agreements, indentures, or other documents being herein called, the “Indentures”), from the Issuer to the purchaser or purchasers (individually, the “Purchaser”; collectively, the “Purchasers”) of such Bonds, or to one or more trustees (individually, the “Trustee”; collectively, the “Trustees”) to be nominated, subject to the approval of the Issuer, by the Applicant, each of such Indentures to contain such terms and provisions as are customary for similar loan agreements, indentures, or other documents in the State of Tennessee, and as are mutually agreeable to the Issuer, the applicable Purchaser or Purchasers, or the applicable Trustee or Trustees, and the Applicant;

(c) That it will adopt, in connection with the issuance of the Bonds, such proceedings as may be necessary or desirable for the execution and delivery, on behalf of the Issuer, of one or more loan agreements (the “Loan Agreements”) providing for the loan of the proceeds of the Bonds, as provided in paragraph (a) of this Section, to the Applicant, each of such Loan Agreements to contain such terms and provisions as are customary for similar loan agreements in the State of Tennessee, and as are mutually agreeable to the Issuer and the Applicant;

(d) That it will adopt, in connection with the issuance of the Bonds, such proceedings as may be necessary or desirable for the execution and delivery, on behalf of the Issuer, of such other, further, or different documents as may be necessary or desirable to effectuate the assistance set forth in paragraph (a) of Section 2 hereof, such other or further documents to contain such terms and provisions as may be mutually satisfactory to the Issuer and the Applicant;

(e) That it will perform such other or further acts and adopt such other or further proceedings as may be necessary or desirable to faithfully implement its undertakings hereunder; and,

(f) That, based upon the representations of the Applicant that it is necessary to proceed immediately with the Project, the Issuer hereby agrees that the Applicant may proceed with such plans for the Project, enter into contracts for the Project, and take such other steps as may be deemed appropriate by the Applicant in connection therewith, as

soon as practicable, so that the inhabitants of the State of Tennessee may benefit from the Project without delay, the Applicant being hereby authorized to be reimbursed from the proceeds of the Bonds, if issued, for all costs so incurred by, or behalf of such Applicant; provided, however, that nothing herein contained shall be deemed to authorize the Applicant to obligate the Issuer in any manner for the payment of any monies except from the proceeds of the Bonds, or for the performance of any acts in connection with the Project, except as otherwise herein expressly provided.

Section 3. Undertakings on the Part of the Applicant. The Applicant hereby agrees as follows:

(a) That the Applicant will authorize such proceedings as may be necessary or desirable to execute and deliver the Loan Agreements on behalf of the Applicant;

(b) That the Applicant will authorize, execute, and deliver such other, further, or different documents as may be necessary or desirable to effectuate the assistance set forth in paragraph (a) of Section 2 hereof, such other or further documents to contain such terms and provisions as may be mutually satisfactory to the Issuer and the Applicant;

(c) That the Applicant will perform such other or further acts, and adopt such other or further proceedings as may be necessary or desirable to faithfully implement the undertakings hereunder of the Applicant; and,

(d) That the Applicant will hold the Issuer harmless from all pecuniary liability, and will reimburse the Issuer for all expenses which it or its legal counsel may incur in the fulfillment and implementation of its obligations hereunder, which covenant shall survive any termination of this Agreement.

Section 4. No Liability of The Metropolitan Government of Nashville and Davidson County, Tennessee. Anything herein contained to the contrary notwithstanding, no commitment set forth herein of the Issuer shall result in The Metropolitan Government of Nashville and Davidson County, Tennessee, being or becoming liable for the payment of the principal of, or the interest on, the Bonds, or for the performance of any pledge, mortgage, obligation, or agreement of any kind whatsoever of the Issuer, and none of the Bonds, nor any of the agreements or obligations of the Issuer shall be construed to constitute an indebtedness of The Metropolitan Government of Nashville and Davidson County, Tennessee, within the meaning of any constitutional or statutory provision whatsoever.

Section 5. Mutual Agreements as to Terms of Documents. All commitments herein contained of the Issuer and of the Applicant are subject to the express provision that the Issuer and the Applicant agree upon mutually acceptable terms and conditions of all documents, including, but not limited to, the Indentures and the Loan Agreements, whose execution and delivery are contemplated by the provisions hereof.

Section 6. Other Conditions. All commitments of the Issuer under Section 2 hereof, and of the Applicant under Section 3 hereof, are subject to, in addition to any and all other conditions contained herein, an opinion of Counsel for the Issuer that the project constitutes a

“project,” as such term is defined in the Act. The action taken by the Issuer, as evidenced by the execution of this Agreement, does not express an endorsement or preference of the Issuer for the project herein proposed relative to any other project with respect to any restrictions, reviews, requirements, or approvals applicable to such projects by any law either existing or subsequently enacted.

Section 7. Termination of Agreement. This Agreement, and all of the terms and provisions hereof, shall terminate and be of no further force and effect from and after the issuance, sale, and delivery of the Bonds. Furthermore, if such Bonds, for any reason whatsoever, have not been sold and delivered by December 31, 2021, this Agreement, and all of the terms and provisions hereof (except as herein specified), shall become void and of no further force and effect, unless extended by agreement of the parties hereto.

Section 8. Payment of Fees. The Applicant shall pay all fees, costs, and expenses, including reasonable attorney’s fees, incurred by the Issuer or its Legal Counsel in connection with the financing herein contemplated, including proceedings preliminary thereto, as such fees, costs, and expenses accrue and such obligation to pay such fees, costs, and expenses shall survive any termination thereof.

Section 9. Execution of Agreement. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto, each after due consideration and authorization, have executed this Agreement on the date first above written.
