

Executive Committee of the CoC Homelessness Planning Council

May 24, 2021: 8:30a – 10:00a

800 2nd Ave North

Metro Social Services, Large Board Room

We define racism as racial prejudice plus the misuse of power by systems and institutions (misuse can be intentional or unintentional). We are mindful of the racial inequities across housing, economic mobility, health care, criminal justice, and other systems. These all contribute to racial inequities in homelessness. I pledge to stay mindful of the power and privilege that I bring into every space that I enter and conversation that I have. I pledge to actively and intentionally practice antiracism when participating in Membership Committee meetings, representing this committee and the CoC in the community, and in talking about homelessness and housing issues in Nashville.
