Buyer's Right To Cancel

You may cancel this agreement by contacting USS, Inc. prior to your scheduled start date.

No	Image
1	 A close-up photograph showing a large, horizontal pipe wrapped in silver insulation. A white Titan jack support is positioned vertically, supporting the pipe. Several dark I-beams are visible in the background, running parallel to the pipe. The scene is dimly lit, with a bright light source creating a glare on the pipe's surface.
1	<p>Run I beams and Titan jack supports parallel with Girders. Remove old supports. Water lines may need to be moved</p>
2	 A photograph showing a complex network of pipes, beams, and supports. A large, insulated pipe is visible in the foreground, similar to the one in the first image. Above it, there are several dark I-beams and a network of white and yellow pipes. The scene is dimly lit, with a bright light source creating a glare on the pipe's surface.
