

STORMWATER MANAGEMENT COMMITTEE MEETING DETAILS for 06-MAY-2021

Case # 202100003 Lake Providence Church
Address: 5891 Nolensville Pike

Council District: 04 (Robert Swope)
APN: 17200007900

Case Description: Request is to appeal the adverse decision of Metro Water Services (MWS) National Pollutant Discharge Elimination System (NPDES) Program regarding a Notice of Non-Compliance (NON) to Lake Providence Missionary Baptist Church, located at 5891 Nolensville Pike, Nashville, TN 37211 for disturbance of a regulated stream buffer. The no-disturb stream buffer requirements went into effect as a result of the original development activity under grading permit 2001-096.

A Notice of Non-Compliance was presented to Lake Providence August 14, 2020 informing the church that it was in violation of no-disturb stream buffer requirements that went into effect as a result of the original development activity under grading permit 2001-096. Notice stated, "cutting the trees disturbed a regulated stream buffer" and was in direct violation of Metro Nashville Stormwater Management Manual Section 6.9. The Appellant is appealing the decision of Metro Water Services.

Case # 202100004 The Farm @ Natchez Trace
Address: 9479 Highway 96

Council District: 35 (Dave Rosenberg)
APN: 17800003400

Case Description: Given some confusion regarding their site's Grading Permit-related buffer provisions, the site was found to be mowing "no-disturb" areas of their buffer as a normal course of site maintenance (during a stormwater control measure inspection).

Variance request is to allow the following:

1. Stream buffer disturbance
 2. Continuous mowing & maintenance of the buffer
