Subject: Agenda Item 13: letter in support of staff recommendation to approve Riverside Drive Contextual Overlay Case 2018Z-020PR-001

Dear Planning Commissioners,

My husband and I are in full support of the Riverside Drive Contextual Overlay, #2018Z-020PR-001.

I'm not sure if I need to elaborate here, as there is so much I could say. If you need more explanation, I would be happy to provide a lengthier email.

Sincerely,

Jennie and Joe Pisapia
