Items 1a/b, South Nashville Community Plan Amendment/Fairgrounds Mixed-Use District

From: Mr. & Mrs. Brittany Mangum [mailto:brittanyturner8@gmail.com]
Sent: Friday, July 27, 2018 10:44 AM
To: Planning Commissioners
Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

My husband and I attend many sports events in Nashville. If the MLS team comes to Nashville, we want to be season ticket holders. An MLS team in Nashville would make our city the global, metropolitan city it needs to be!

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Thank you for your support in the growth of Nashville!

Sincerely,

Brittany Mangum

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I live in the Woodbine/Nolensville Rd area. I have lived here 30 years. It will prove helpful to this area and to Nashville to have this new team expansion and revitalize the fairgrounds area. Now it just looks run down and sketchy. People are reluctant to come to this area due to the falling to ruins structures. The city needs this fresh new team and upgrade to the area.

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Teresa Stafford-Scherer

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

Grow Nashville! Let's move into the 21st century. Sports , Arts, Museums, and Music! Soccer will be great for the economy. Plus pro soccer will be good for the community with more local programs starting because of it.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Thank you for be a visionary!

Sincerely,

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

My name is David Neely, and while I don't live in Davidson County I did want to share my support for the plan to bring Major League Soccer to Nashville.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

I know that my family is very much looking forward to attending MLS matches and that some local businesses would benefit greatly from the increased revenue of folks like us who normally don't venture into the area bringing our dollars to the table. I thank you for reading and do hope that you all vote for approval. Sincerely,

Sincerely,

David Neely

Dear Members of the Planning Commission,

Soccer does more than provide a couple hours entertainment: it allows families to enjoy a national event together in safe, family oriented environment. As a transplant from Los Angeles, I see Nashville as a world class City without the overwhelming downside. Soccer, in general, and Nashville Sounds, in particular, are terrific community partners. The City of Nashville will benefit all it's citizens by approving this stadium.

Dear Members of the Planning Commission,

I am 32 years old. This team is about the future and not the past. I have a young family in the 16th district and am wanting to see my community grow for the better, rather than living in the past and talking about the glory days of the flea market and race track. Woodbine will never be what it once was but it could be so much more than what it is. Things like this bring positive change and it is what is best for Nashville.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Having worked for years just a stone's throw from the fairgrounds I know firsthand how much these improvements are needed. In addition, I firmly believe an MLS team has to potential to generate as much or more turnout and Nashville pride as the Preds but that potential is predicated on setting the franchise and the city up for success.

Thank you for your support and your vote on behalf of the people of Nashville and greater areas.

Sincerely,

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Soccer is alive and well in our city and the Fairgrounds Nashville would be the perfect place for an MLS stadium. As a season ticket holder for Nashville SC, I have watched this city rally around the team and I'm only looking forward to more of the same from the MLS team. Please make this happen for us!

Sincerely,

Drew Smith
2468 Old Natchez Trce
Franklin, TN 37069

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only

vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Dear Members of the Planning Commission,

Please don't stop the momentum. let's get this stadium built.

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

I appreciate your time in reading this

Dear Members of the Planning Commission,

I'm originally from Kansas City, Missouri. I was a season ticket holder for Sporting KC. This proposed stadium will bring more revenue to the city and boost tourism even more. So many youth are playing soccer too. This will provide families an opportunity to enjoy the sport at another level. Not only will the venue accommodate soccer it will increase more opportunities for festivals and music events.

It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

When I see all the very excited girls and boys at these games, I am quite heartened at thought of this stadium and pro team. I may be able to enjoy soccer for several more years , but the these young fans are the ones who will truly benefit for their lifetime. Please let them grow up with a pro team that they can all relate to because they can all play, and be they small or big, girl or boy, white or black.

I'm excited about the proposed plans at the Fairgrounds site as I've thought since I was a child that the place was a blip in our city of tasteful buildings. Its fairly central location and convenience to various interstates should make easy access for most of its customers. Too, I see easy parking fixes which do not involve infinite stretches of asphalt as currently occupy the site. Again, please support this project on this site and bring a team to Nashville that everyone can embrace!

Sincerely,

Ramsey Doran, Soccer Mom and Grandmom

Dear Members of the Planning Commission,

Please consider this proposal as a way that we can honor the Fairgrounds of the past by brining it's magnificence into the future of what Nashville has yet to become. Within the new facility we should show this with a memorial to the memory of the Fairgrounds and what they've meant to the people of Nashville. I would invite you to take a look at the Battery in Atlanta and what a positive impact that new environment has had on the surrounding community.

Dear Members of the Planning Commission,

I would like to have a place to take friends and out of town guest besides "downtown". Nashville has so much many lovely neighborhoods with something to offer. Bringing pockets of restaurants, small businesses and improving attractions in these neighborhoods will provide local/convenient jobs for the residents of those areas. We like to support neighborhood growth and small businesses and most often choose that option instead large chain locations. We also have great pride in Nashville and the many things it has to offer. We like to show it off to our friends and visitors. Soccer is a beloved sport around the world. Bringing professional soccer will increase the global awareness of Nashville. It will make the city attractive to a more people from around the world. Honestly, that will mean more money for the

people of Nashville and middle Tennessee. The Wedgewood-Houston area has so much potential. Please continue to support this endeavor.

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

In addition, I also think it is very important to stay on course with the plan to build the new stadium at the fairgrounds, and not any other location. This neighborhood is the perfect community for a soccer club, and is a neighborhood that has long been overlooked for economic development, but is beginning to show signs of revitalization. Please vote to continue the progress we've made and to bring the MLS to South Nashville at the fairgrounds.

Sincerely,

Parker Loudermilk
609 Mount Pisgah Ct

Nashville, TN 37211

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

As a lifelong soccer player and fan, I'm writing to share my family's support for MLS stadium

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

I firmly believe the stadium will benefit Wedgewood-Houston and the city at large. It's a win win.

Sincerely,

Tim Schwarz

Dear Members of the Planning Commission,

Please support the MLS stadium project

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of a better match than Nashville and pro soccer. This city loves its sports teams and

adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

I support pro soccer in Nashville. Please vote Yes.

Sincerely,

Joe DeSantis

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

I attended an Atlanta United game in Atlanta last year and the most striking thing to me was the diversity of the crowd. Soccer is a world sport, and as much as I love the Preds, hockey does not have as much diversity in its fan base as does soccer. Nashville will be a better city if we are able to move forward with these plans. Please support the MLS and its place at the Fairgrounds.

Dear Members of the Planning Commission,

As a Middle Tennessee resident and voter, I strongly support the proposed new soccer complex and ask you to support it as well. MLS teams around the country have served as critical building blocks in the revitalization of urban areas, drawing revenue and development improvements to an area badly in need of it. Beyond the construction phase, the complex will serve as a magnet for other small businesses, raising the standard of living for both new and existing residents. A failure on our part to do the right thing will resonate in the continued deterioration of a once proud neighborhood.

Thank you for being an active part of the forward facing Nashville leadership. Your foresight will pay dividends for you and your constituents well beyond your tenure and leave as a legacy a vibrant, positive sports and tourism economy.

Sincerely,

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Alex Hamell

Dear Members of the Planning Commission,

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Sincerely,

Maria Petty

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

My name is Aaron Moredock, and live in Nashville, Tennessee.

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Aaron M. Moredock

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am not a lifelong fan of soccer, as the message below states, but I married Russanne Buchi-Fotr , who was born and raised right here in Nashville, and have lived here since 1985. Russie and I have raised our two children, and foster parented many others in this vibrant city. We care deeply for the well-being of Nashville. We think the Nashville SC, and the Fairgrounds Project is in the best interests of the people of Nashville and Middle Tennessee.

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Thank you for your consideration.

Sincerely,

Julian Fotre

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it makes financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Sarah Orellana

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

So proud to have soccer in NASHVILLE

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Thanks for considering our city to be the next BIG soccer crazed atmosphere.

Go Nashville SC

Sincerely,

Shaun Senters

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

As a Nashville native, from a family that has lived in the Nashville community for many generations, I want to express my support for the proposed stadium and Fairgrounds renovation. I believe this renovation will enhance the Fairgrounds site and make it a place that families will enjoy for years to

come. I think the plan will keep some of the Nashville events that so many love, but also drive new audiences to this area of the city, that they would otherwise not visit. As a new parent, I can tell you that our family plans to visit the soccer stadium and with the renovation of the fairgrounds, are much more likely to visit those as well during various events.

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Please vote for this important measure that will give our community a place to gather

Sincerely,

Courtney Barlar

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am a long time resident of Nashville and surrounding areas and support bringing MLS to Nashville. The underutilized area of the fairground will be a perfect location for the new MLS stadium. It will help revitalize an area that really needs it. I work in the 37211 area and that stretch of molensville road is already starting to change for the better. This will only attract more businesses and visitors. All while keeping current uses in tact. Vote yes!! This will be a win-win for everyone!

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Steven Wemple

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

Good morning, I want you to know that I support the stadium proposal at the Nashville Fairgrounds. I visit the Fairgrounds often, primarily for the flea market and am looking forward to the new facilities and revitalization of the area that I think the stadium will provide.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Sincerely,

David Bogema

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their

various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Sincerely,

Matthew Drew

Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Patrick Fears

Dear Planning Commission Metro,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Joe Campopiano

Subject: Let's build the stadium and bring MLS to Nashville!

Dear Planning Commission Metro,

I am writing to encourage you to support the move to build a soccer specific stadium at the Fairgrounds and bring MLS to Nashville. This will be a great improvement to the area and help build upon the thriving culture and community of Nashville. Even more, it is a unique opportunity to unite the city ethnically, as Nashville is home to 100,000+ foreign born residents and soccer is by far the most popular sport around the world. Thank you for approving and supporting this exciting endeavor — the citizens of Nashville are behind you!

To: Sledge, Colby (Council Member); Colby Sledge; O'Connell, Freddie (Council Member); Planning Commissioners

Subject: Why I support the Edgehill Conservation Overlay

Dear Colby, Freddie and Planning Commission:

My name is Terri Chapman and my family has owned 1721 15th Avenue, since I was twelve years old. I am fifty five now and I can remember the day moving trucks came to our modest home, off Jefferson Street, in route to South Nashville. As a little girl, I was saddened by the move however; my granny assured us kids that we would make new friends and most importantly, we would attend better schools. It was her plan for every one of her children and grandchildren to own a home and to receive a college degree. That was her mantra for many years. At her death, all of us "kids" had purchased a home, attended college and started businesses. This success story happened in two generations.

Back to the Edgehill story:

When the moving men pulled up to the red brick house, on the corner of 15th and Wedgewood not far from Belmont College, I was amazed. It seemed like a mansion in comparison to the home we had left on 28th and Fomosa in North Nashville. In this home, I had my own bedroom and there where two bathrooms and a basement, things I had never seen before in the homes where Black people lived in my old neighborhood. I also noticed people of different races walking around the neighborhood. Many of them were college students from Belmont. That was different for me also. Coming from North Nashville, everyone who walked around the neighborhood then were of the same heritage. I could instantly tell this was going to be a very different place from where I came from.

One of the first things, any self respecting kid does to make new friends is to find the nearest playground. After the moving trucks left and granny told us the rules of the new neighborhood, we skipped down the street and around the corner to Murrell School. Immediately my brother, cousins and I realized we were in the right place at the right time. We were just in time to play "Telephone", a game

where kids stand in a line and whisper phrases to each other. It was interesting to see how the beginning phrase became distorted as it was whispered over and over again. By the time the phrase was repeated by the last person in line, the meaning was always something totally different from the original words uttered.

“Telephone” was an interesting game. Depending upon who the players were that day, and their personal agendas, the beginning phrase could take on a life of it’s own. Due to the intentional efforts to “twist” or “spin” the outcome of the game, the most clever kids could “flip” the phrase. Bullies, or those with the loudest voices in the neighborhood, would deliberately change the phrase to confuse everyone. The popular/active kids would try to bring about peace during the game. The quiet kids, those who seemed not have any say so in the matter, just went along with whomever seemed to be the most powerful at the time, just to get along. I tell this story because I feel this is what is happening during the approval process of the Overlay in Edgehill. We have bullies, quiet people and those who are active in the community trying to make sense of this ordinance, with much input from those who do not want it to pass. (Dissemination of inaccurate and untrue statements pertaining to the Overlay process and those who worked on it.)

It would be absurd for me to refer to the Opposition as bullies however; I do feel that they have stoked fears in many uninformed residents and property owners. (People who have never read the Overlay for themselves) I have knocked on approximately 178 doors in the past seven days conducting a Community Needs Assessment. We have spoken with roughly 30% of the people who live here. I was shocked at the information that has been communicated about the Overlay or residents interpretation of it in general. I had people tell me that they could not paint their homes, that they would not be able to sell their homes at a good price and that their taxes were going to go up solely because of the Overlay. (Taxes are going up everywhere in the “It City”) One lady said she didn’t know what the Overlay had to do with African American history. (Sadly, she was Black) It was a very rewarding and insightful experience. What I learned was the “Telephone” game had taken on a new meaning in Edgehill.

The modern day “Telephone” game in Edgehill began with a few people who are focused on their own property rights and not the neighborhood and it’s history as a whole. These individuals use email, FaceBook, social media and list serves to “stir up” dissention and to drive a wedge between long time African American property owners. (We saw this tactic used to divide us during slavery) Half truths are being disseminated about the Overlay process and the citizens who worked hard, for almost two years to develop it. You would not believe the lies I have heard over a bottle of water on a front porch. The Opposition is loud, professionally organized by Republican operatives, rude and very aggressive in their fight for their property rights. (Trump playbook) I have no problem with their views, we still live in a democracy. The only problem I have with their argument is the fact that they refuse to believe that the

Metropolitan Government will be efficient and organized enough to handle their requests once the Overlay becomes legislation. That is yet another issue that needs to be addressed in a broader sense.

As any kid knew on the Murrell School playground, eventually the “Telephone” game became boring. Kids who wanted to know what the original phrase was, were surprised at how it had changed by the end of the game. Some of us asked questions to see who had really changed the phrase to something completely different. Sure enough, it was always the bullies. (That’s why I took it upon myself to go door to door visiting the Opposition. I wanted to hear what they had been told firsthand.)

It is my hope that the Edgehill community can heal after the Overlay is passed. No legislation will make everyone happy. The Overlay will slow down irresponsible builders and those seeking to simply build non owner occupied Air BNB’s. The property next door to my mom recently sold and she is afraid another investor/developer will build a tall and skinny which will block out her sunlight. God forbid, if it becomes a haven for weekend bachelorette and bachelor parties. Who wants that for their elderly parent? What happened to the Edgehill neighborhood I moved into years ago? There was a time when we knew our neighbors and they knew us. Unfortunately, that is not the case now. It has become a transient neighborhood, much like the new Nashville.

Terri Chapman

Care Giver/POA/Daughter of Marguerite Chapman, Property Owner 1721 and 1723 15th Avenue

Subject: Comments regarding the SP Application for the Sports Village District at the Fairgrounds

To the Honorable Members of the Metropolitan Nashville Planning Commission,

Thank you for this opportunity to submit the attached letter expressing how the proposed **SP application for a mixed-use district for the Sports Village District at the Fairgrounds** reflects best practices in the use of land that are part of the underlying principles of the Urban Land Institute (ULI).

Respectfully submitted,

Rose Faeges-Easton

Sr. Director, ULI Nashville

615-497-2603

(attachment follows)

To the Honorable Members of the Metropolitan Nashville Planning Commission ~

I appreciate this opportunity to express how the proposed **SP for a mixed-use district for the Sports Village District at The Fairgrounds** reflects the best practices in the use of land that are part of the underlying principles of the Urban Land Institute (ULI).

ULI, a non-profit education and research organization, is the leading professional organization providing leadership in best practices in building and sustaining thriving communities through convening, collaborations and facilitating conversations. The oldest and largest network of interdisciplinary and cross-sector real estate and land use experts in the world, ULI's world-wide membership and researched expertise provides thoughtfully-developed findings on smart growth.

Some of the ways in which the proposed Fairgrounds Master Plan application reflect ULI principles, and are consistent with those of Metro Nashville, include:

- **COMMUNITY ENGAGEMENT and INPUT** – Recognizing its value to the fairgrounds' facilities, users, and adjacent neighborhood, the Metro Board of Fair Commissioners unanimously approved the Fairgrounds Improvement Plan, including the proposed SP rezoning and mixed-use master plan.

After gathering valuable input through extensive community engagement, the Master Plan's vision for redevelopment of the fairgrounds reflects sensitivity to adjacent uses and neighborhoods, embraces the authenticity and history of the site, and facilitates the promise of making the Metro-designated 'Promise Zone' a reality through public-private partnerships.

- **AFFORDABILITY** – The major Metro priority of increasing the stock of various levels of housing affordability is reflected by developers of the Master Plan and they are already working closely with Metro Nashville to ensure this is included in build-out of the Sports Village District. On many occasions, ULI National, ULI Nashville and Metro have partnered in effort to develop and achieve this goal.

Nashville is in an affordable housing crisis and Metro has challenged private developers to come up with innovative solutions to assist. The proposed SP application is one step to facilitate that collaboration to provide new workforce, mixed-income housing products and enhanced housing affordability, in general.

- **HEALTH and WELL-BEING** – Fundamental in the proposed SP is to enhance access to and availability of affordable healthy life-options such as natural open space, programmed recreation, daylighting and clean-up of Brown's Creek, establishing greenway/trail connections and providing for new, and providing exciting public gatherings spaces in general...including for family dog!

Building for a healthy community is a priority area of ULI with a substantial amount of study, and is reflected clearly in the tenets of the proposed Master Plan.

- **PLACEMAKING** – The proposed SP and Master Plan provides for authentic development and redevelopment of the Sports Village District that celebrates its culture and history, and informs and is sensitive to adjacent neighborhoods. All current uses of the Fairgrounds remain with this proposed rezoning and the overall Fairgrounds Improvement Plan, including racing, the flea market, Christmas Village.

The Master Plan sensitively and thoughtfully accommodates a mix of uses that will sustain an authentic ‘Nashville’ experience, and as ULI promotes; create a sense of place, provide opportunities for a mix of commercial and housing affordability and set out architectural and development standards and aesthetics through form-based regulations and zoning standards that activate the street, provide public spaces and enhance the pedestrian experience. It will facilitate wide variety of new opportunities for the people of Nashville to come together.

- **CONNECTIVITY** – The SP application and Master Plan offers a multi-modal system of connectivity to/from and within the proposed Sports Village District, with extensive attention given to circulation, safety, parking, aesthetics and modal options; giving particular sensitivity to adjacent neighborhoods’ needs, opportunities and stability. Designing a thriving walkable area, the proposed 10-acre mixed use development will park itself and not infringe upon parking for the fairgrounds.

For these reasons and more, as proposed, this new vibrant destination, built on principles that reflect ULI’s best practices for a thriving and sustaining community, would provide a multitude of far-reaching benefits to those who would work/play/live/visit there, to the adjacent neighborhoods and to the city and its citizens, at-large.

Respectfully submitted,
Rose

The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Sincerely,

Holley Dougherty

Subject: Please support the Major League Soccer stadium

Dear Metro Planning Commission Commissioners,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing

your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Daniel Ryan

Subject: Support of the Fairgrounds/MLS plan

Commissioners,

I live near the Fairgrounds in Nashville, and I support the legislation to rezone a portion of the property for affordable housing, neighborhood services, community space and more. This is a critical piece of the entire Fairgrounds Improvements Plan, and will provide a new source of funding for the Fairgrounds. I ask that you vote in favor of the rezoning and community plan amendment.

Sincerely,

Jonathan Knowlton

Subject: Elm hill place development

Members of the Planning Commission,

This area of elm hill pike is already to maximum saturation of development and they are wanting to change it from rs10 that support 54 homes to

SP so they can put more than double that. All the people in this area are vehemently opposed to the sp rezoning. We do want the home to be built but

We want homes conducive to families who will move in and raise their families here. What they are proposing is not

We have been already forced into having a daycare business right in the middle of our neighborhood with the rezoning of

Parcel 10800033300 belonging to Gregg Eatherly. The neighborhood was against this rezoning but it was pushed thru any way.

I hope the Commission will see fit to support our neighborhood in stopping this.

Subject: Elm Hill Place Rezoning

Hi Commissioners!

As a Donelson resident, my family and I traverse Elm Hill Pike regularly. We were drawn to this area with our young family (I gave birth just two weeks after moving in!) because of the established character of the neighborhoods - yards for playing and pets, room for box gardens, quiet streets. We are hopeful that our children will be able to grow up in the sort of environment that I had as a Tennessee native. Rezoning the 13+ acres along Elm Hill Pike from RS10 runs opposite to those hopes. We do not believe that the proposed development is in keeping with the character of the area. It does not reflect our values. I understand that as is, the zoning will allow for 50-ish new residences to be built. My question is why that option isn't being considered. Fifty more dwellings will impact the traffic, but not to the extent that 100+ would. It would also allow for actual yards, which means safety for children, and encourage the sort of community we so appreciate. I am asking you to weight my voice and the voices of my neighbors above the financial interests of developers. We are the people who make our city the wonderful place it has been for years. Please consider the impact we can have to keep it that way for the future.

Thanks,

Mary F. Cook

Item 6, Edgehill Neighborhood Conservation Overlay District

Subject: Edgehill Conservation Overlay

Dear Ladies and Gentlemen:

Attached please find a letter of my support for the Edgehill Conservation Overlay. Thank you for your consideration.

Sincerely,

Jennifer Jones

(attachment follows)

*Jennifer L. Jones
1031 15th Ave S
Nashville, TN 37212*

July 27th, 2018

Dear Ladies and Gentlemen:

I, Jennifer Jones, am in complete support of the Edgehill Conservation Overlay. I purchased my home at 1031 15th Ave S in 1999 and have resided there since. My home was built in 1915. My parcel is on the corner of 15th Ave S and Tremont.

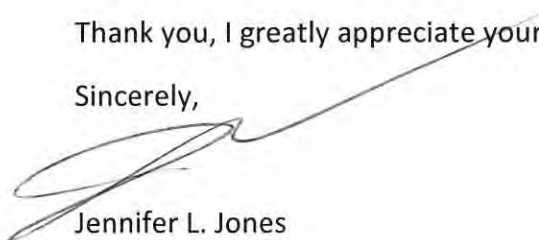

I write this letter to request that each of you please utilize your respected voices to help protect the architectural and historic character of Edgehill's historic sites by working to pass the Edgehill Conservation Overlay. For this historic neighborhood to survive, Edgehill requires assistance in stabilizing our neighborhood and requests expertise in helping to manage our growth and change through public design review.

Edgehill also needs assistance in helping to save our greenery by preventing the destruction of trees, hedges and grass. In July, 2017, I was forced to consider moving approximately 181 linear feet of hedge. Experts were hired to analyze the process. I was informed that should I move my hedges, it would take 20 years for the microhabitat to develop to the point it was that specific day. Since the 'development' of Edgehill has taken place, I have gradually experienced the disappearance of tens of hummingbirds that flooded my backyard. I no longer see cardinals either.

The Edgehill story should never become a story of the past, a historic neighborhood destroyed by 'progress'. Edgehill deserves to be a living, breathing testament to the living history of Nashville years.

Thank you, I greatly appreciate your consideration of this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer L. Jones", with a long, sweeping underline that extends across the page.

Dear Planning Commissioners and Council Persons,

Thank you for your patience with our conservation overlay. I have been working on this overlay for a long time and I am in support of it.

This overlay will be the first protection of historic African American homes in Nashville. It will also maintain the character of the neighborhood in regards to new homes with the help of the historic Commission.

Long-term goals such as historic preservation and Environmental Conservation are always a hard sell compared to "I want my money now" ideology. But the payout is usually greater for everyone in the end. Enough said.

Thank you,

Rob Benshoof

Subject: Conservation Overlay in Edgehill

Dear Nashville Planning Commissioners,

I'm writing to express strong support for the conservation overlay in Edgehill, my neighborhood.

We have a number of historic homes and the neighborhood has a rich African-American history. These things are now in danger as real-estate developers are razing the beautiful old houses so that they can put up two, new skinny houses in their place. Many of the new houses have bizarre styles and look like

alien mushrooms on our block. (If you want to see how unregulated development has started to devastate the neighborhood, a drive up 15th street just north of Wedgewood will be eye-opening.)

Other neighborhoods in Nashville have used the conversation overlay to protect the historic buildings and atmosphere. We'd like to be able to do the same.

Thank you for reading this!

Best wishes,

Mary Henson and I live at 1404 South St. We have watched with both excitement and concern at the many new homes in our community. Excitement because growth is just that but concern because growth without planning usually ends badly. Music row a tourist magnet is headed down that path. Preserving and protecting a neighborhood whose history has deep roots in the African American community is visionary and courageous. The overlay is a great idea.
