Subject: Major League Soccer is what Nashville needs; so please support the proposed stadium!

Dear Members of the Planning Commission,

The 2018 World Cup said it all. What a great event! Nashville could also potentially share in the sport that binds the world together.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

I recently went on a trip to Belize, and in the small village of Hopkins, Belize, I and my wife had the privilege of experiencing the World Cup final between Croatia and France with many people throughout the world in this village. Although Belize was not in the world cup, it was incredible to see the interest that so many different people shared in this one event. This could be Nashville. As soccer becomes increasingly popular in the United States, we, as Nashvillians, are on the cusp of bringing this world sport into our back yard and having all of share in this Major League experience.

Sincerely,

John Bernatavitz

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

As a parent of one of the many youth soccer players of the region I feel it is very important to support a professional soccer team in Nashville with the completion of the proposed stadium.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

George Allen

As a Williamson County resident, I can tell you that the new stadium will bring me into a part of town that I have never accessed. I plan on visiting often and will gladly pay the ticket tax intended to pay for the bonds. I feel like the agreement that has been reached is a win-win for the city and will set a precedent for negotiations of a new football stadium or even, one day, a MLB stadium.

Sincerely,

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Thank you!

Sincerely,

Dear Members of the Planning Commission,

The World's Most Popular Sport is coming to Nashville

I want to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is an excellent location, and the renovation and development will certainly be a bonus to economy and enhance the overall site. Once completed, the Fairgrounds will become a 'must see location for families' in central Nashville as well as visitors throughout the state and country. Keep Nashville on the cutting edge of entertainment and family enjoyment by supporting this development plan.

Sincerely,

The 2018 World Cup just ended in Russia and the tri-country of US, Canada, and Mexico will host in 2026. Let's be ready when the tri-country committee comes knocking. I can see a lot of \$\$\$\$ raining in. Soccer is bigger than any other sports.....it's a world sport. Just imagine the Argentinian, Brazillian, Costa Rican, English, German, other fans parading on our streets and the millions who will tune in to watch a game being played in Music City. Let's not deprive our city. Let's Go NSC!!! As already stated, the Wedgewood-Houston areas and the fairgrounds make a practical spot.

Thank you!!!

Subject: MLS Stadium Support

Planning Commissioners,

I am writing you today in support of Nashville's MLS stadium planned for the fairgrounds site. I attend school and work in metro Nashville and I have seen Nashville change a lot over the last few years. A project like this one will be successful thanks to the changing Nashville culture that supports non traditional sports like soccer. After viewing the proposal I believe this is a great way to save the fairgrounds that are in desperate need of repair and revitalization. I have gone to the monthly flea markets and attended races at the fairgrounds since I was very young and I've seen the facilities decline greatly over the last decade. I hope the planning commission will support this project for the purpose of advancing soccer in Nashville and to revitalize the entirety of the fairgrounds site for the sake of all its users.

Respectfully,

Clayton V. Mitchell

Re: Petition of Support for Major League Soccer in Nashville

MLS2Nashville is a coalition of civic, sports and business leaders dedicated to bringing Major League Soccer (MLS) to Nashville. The committee was founded in 2017 to support Nashville's bid a MLS expansion team to Nashville.

In December 2017, the city's efforts paid off as Nashville was awarded the 24th team in MLS, the top tier of professional soccer in the U.S. and Canada.

The Metropolitan Planning Commission is scheduled to hear a rezoning request and community plan amendment from the Nashville Fairgrounds as part of the city's MLS stadium coming to the Fairgrounds. We want to join with the Fairgrounds and the neighborhood in supporting the rezoning request.

The rezoning request and community plan amendment will allow a mixed-use development to be built on site at the Fairgrounds to support the stadium. This development will create economic opportunity for the neighborhood, provide much needed amenities and a true fan experience.

Attached please find our petition of over 10,000 Nashvillians and friends of our city that support bringing MLS to Nashville.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Will Alexander', is written over a light blue rectangular background.

Subject: Support for the Fairgrounds Plan

Hello Commissioners,

I live near the Fairgrounds Nashville and I support the legislation to rezone a portion of the property for affordable housing, neighborhood services, community space and more. This is a critical piece of the entire Fairgrounds Improvements Plan, and will provide a new source of funding for the Fairgrounds. I ask that you vote in favor of the rezoning and community plan amendment.

Thank you for reading my message,

Joshua P. Smith
2005 Hutton Dr., Nashville

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

Please don't let Nashville miss out on this opportunity! Soccer is such an amazing sport with a great image of fitness and cooperation that our youth need!

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Please don't let petty politics ruin this amazing opportunity for Nashville!

Sincerely,

Lena Jensen

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Supporting MLS in Nashville keeps our wonderful city's status as one of the greatest and most progressive in the nation. There is no way of measuring the long term positive impact this will have in our community. Supporting this initiative further cements our town as a global destination and influence. Thank you for your consideration.

Sincerely,

Pete Kiple

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

To put it plain and simple, this is a no-brainer....

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

I hope you consider what this could do for the future of the city and it's sports future. MLB Baseball anyone?

Sincerely,

Garrett Calhoun

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

My family of 5 are season ticket holders for the Nashville SC team and look forward to supporting them through their MLS transition!

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Thank you for all that you do for our city! We appreciate your service to our community!

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

I am a resident that lives within a mile of the proposed project and fully support it!

Sincerely,

Jeremy Friesen

Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding

professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Dear Members of the Planning Commission,

My name is Craig McQuiston. As the head organizer for the Nashville Soccer Meetup, I've personally witnessed the tremendous growth of interest and participation in soccer for Nashville. Over the last 7 years we've grown from 2 to over 3300 members, with anywhere from 30-200 people showing up to play five days a week. We may be the largest, but we're not the only group. Hundreds of men and women show up and play every day in Nashville, and really love the sport. These voters are not just playing either. They'll be huge fans too!

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Mark Robinson

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Please allow this great city filled with so many different and amazing opportunities to have the chance to bring MLS to town. Soccer popularity is on the rise and those that love the game have a great passion for it. Thank you.

Sincerely,

Subject: In favor of updating fairgrounds

Dear Members of the Planning Commission,

Compared to surrounding states such as Indiana and Missouri, the Tennessee State Fairgrounds is a dilapidated eyesore.

I am also a fan of the local Nashville Soccer Club and am excited to welcome the new team.

The renovations to the fairgrounds that the MLS team will bring are needed and should be welcomed.

Please vote in favor of the new stadium.

Thank you.

Dear Members of the Planning Commission,

I used to go to MLS games with my family as a child in Tampa and they were such great memories and fun, child friendly, times.

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Please consider giving this moment to the families of Nashville.

Sincerely,

I have lived down the street from the fairgrounds by Thompson Ln. The fairgrounds have been an eye sore for sometime. When Vanderbilt moved into 100 oaks mall the whole neighborhood saw some great revitalization. I would very much like to see the same thing happen to the fairgrounds as well.

From: Preston Adams [mailto:prestondadams@gmail.com]
Sent: Friday, July 27, 2018 12:56 PM

To: Planning Commissioners
Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

Dear Councilmembers and members of the Metro Planning Commission,

I strongly, strongly support the proposed plan for the MLS stadium and private development at the fairgrounds. The fairgrounds is BADLY in need of renovation/rejuvenation and both the stadium and the private development's ability to be a funding source to support the rejuvenation seems like a no brainer to me. No offense to the supporters of the current fairgrounds supporters, but the entire property is an eye sore for the Wedgewood Houston area and is holding the area back from truly realizing it's potential as a beautiful neighborhood.

While I understand the skepticism of "giving" land away and issuing city backed bonds during the current budget climate, an MLS team will enhance Nashville's national (and international) profile which should pay dividends in the coming years. Furthermore, the enhancements of the Fairground property by the stadium and private development should encourage higher end growth in Wedgewood Houston which will also lead to higher city revenue in the future. The land may be "free", but the hundreds of millions of dollars that the ownership group will spend on the private development and their share of the stadium should more than offset the free land.

I also understand the fear in the neighborhood that this development could force longtime residents away, increase traffic and change the character of the neighborhood. I don't agree with that sentiment, but I am sympathetic to those who struggle to see the value in rapid change all around them. On the other hand, it's very hard to argue that it is a negative thing for more retail, office and entertainment options to be built in a neighborhood. Wedgewood Houston desperately needs more walkable restaurants and retail outlets and the private development as proposed would go a long way in filling this need. I would hope that longtime residents would see the benefit of being so close to so many new retail options. My sister lives less than half a mile from the fairgrounds and is beyond thrilled that she and her husband will be able to walk to this new entertainment hub. I honestly don't see the stadium being a big enough draw on its own and the multi-use development piece of the project ties the whole thing together, in my opinion.

Please support the plan as it stands for the new MLS stadium and private development and please help Nashville and the Wedgewood Houston community grow, prosper and revitalize.

Thank you for your consideration,

Sincerely,

Preston Adams

Nashville has one of the fastest growing immigrant populations in the United States (both legal and undocumented). Regardless of political stance, the fact is both native born Americans and foreign born (especially hispanic) populations will define the future of Nashville's culture. Soccer is one of many ways we can bring people together in pursuit of a better Nashville.

Dear Members of the Planning Commission,

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Sincerely,

Heather Smith
2405 Brookstone Pl

Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Dear Members of the Planning Commission,

I am a home owner in the woodbine area and I am also a season ticket holder for Nashville SC games. I am a firm believer this will bring great revenue into Nashville. Let alone the ability to have a stadium that more concerts can be played without dealing with Nissan Stadium. The fair grounds are old and seem to have a purpose of only the monthly flea market. I am sure more is done there but that is all I ever see.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

As a soccer player growing up I have enjoyed watching soccer at all levels of competition and as I see the sport growing in popularity in the USA I am excited for the opportunity to watch a team grow and play in our city. As a current Predators season ticket holder I have enjoyed the success that team has been blessed with lately and I would surely be getting my season tickets for our MLS team as well.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Nashville is on the way up as a sports city and an MLS team and brand new stadium would put Nashville up there with some of the other great sports cities. I do not understand how this could be a bad thing as

the fairgrounds are not currently in very good shape I believe this new stadium and the renovations are not only good for the city but necessary. I am excited for MLS soccer in Nashville and so should you. Thank you,

Sincerely,

Nicholas Palmer

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I'm sending you this email to express my support for the MLS stadium & Fairgrounds updates. I've grown up in this city as a lifelong resident and soccer fan. I'm excited about team and the eclectic mix of fans the sport brings. I'm also excited about this being an investment in the Fairgrounds. I understand the need to preserve the history, as by the many stories my Father told me about his trips there while growing up; but I also think that this is a good opportunity to improve the facilities and allow for more generations the opportunity to enjoy them for a long time.

Please vote yes!

Sincerely,

Jonathan Strange

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am a recent transplant to Nashville. I will be at the games and I will be visiting and supporting Fairgrounds businesses as a result.

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it makes financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Aryaz Sheybani
5505 Knob Rd

Subject: I'm a homeowner, taxpayer, and voter. Please support the proposed MLS stadium!

Dear Members of the Planning Commission,

MLS is good for Nashville and the Nashville SC ownership team and growing fan base will make the team a big success, I'm sure.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they

play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Top-level pro soccer has the potential to bring Nashville's diverse communities closer together. We should all support that!

Sincerely,

Sincerely

Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Dear Members of the Planning Commission,

I am a inaugural season ticket holder and backer of the Nashville Soccer Club.

I fully support the stadium proposal at the Fairgrounds location. I think it will be wonderful for the area and city of Nashville. The dowdy fairgrounds area needs to modernize and change with the times. We need to move forward and not live in the past.

Soccer at the fairgrounds will be great Nashville. I hope you will vote to approve each step as now proposed.

Best regards,

Dear Members of the Planning Commission,

As a resident of the Melrose Heights neighborhood less than a mile away, I am in full support for an MLS stadium. I believed it would attract a diverse, international demographic commonly seen on Nolensville

Pike, and give this city another team to root for. Not to mention it would attract homebuyers and business to revitalize the neighborhood as well.

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. The attendance at the soccer games being held now, plus the overwhelming support of the games held at Nissan Stadium should serve as a measuring stick as to how popular soccer currently is in Nashville. Imagine how it will grow with a dedicated stadium. The development of the fairground site is a plus on all aspects.

Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Ever since I was a kid growing up in the Nashville area, all of my friends and I loved and played soccer as did many thousands of kids in Middle Tennessee. I am now twenty, and my love for the game has only grown as I have played. I could see as a child that the interest for soccer amongst my peers was great, and I have only seen that interest grow. My generation understand the game of soccer much more so than my parents generation, and we are thoroughly entertained by the sport and the skill it takes to play the beautiful game. When NSC was started, it gave our love for soccer a home, and a place to channel our desire to be apart of the game first hand. Now that we have found a home to invest our passion into, we need a place we call home where we can watch and support them. A place where these dedicated fans, players, and coaches can grow and enjoy this beautiful game for years to come. I assure you that this stadium will be a very positive investment in our beautiful city of Nashville, and that it is going to bring us closer as a city and as a growing soccer community. Thank you.

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

Hello! My name is Aimee and I grew up here in Nashville as did my father before me.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Please please make choices to allow Nashville to have a Major League Soccer team!

Sincerely,

Aimee Edwards
614 McKays Ct
Brentwood, TN 37027

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only

vote for this because of our city's overwhelming desire for professional soccer, but because it make financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Sincerely,

Aaron Barrett

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

MLS will be bigger than the NFL as the US joins the world in this fabulous sport. Nashville is fortunate to be selected to have a team.

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Donovan Drake

Dear Members of the Planning Commission,

So many of us in Nashville are hungry for this team to be more established with a place for us to go support them game after game. Nashville is growing significantly every single day. There will only be more people moving to the area, wanting to stand behind this amazing team and movement. Any sports team is a benefit to the city because it allows for an area & a community to have just one more thing to come together around. In our world now, unity is rare. It's worth every penny to support the creation of a place for genuine unity and togetherness in Nashville. :)

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

As President of Tennessee Soccer Club, the largest competitive youth soccer organization (1500 kids) in the area, I fully support and ask for your vote to approve the stadium. The MLS team is going to bring the next generation of idols for our children to our wonderful community. I also see the tremendous economic development that will come with a home for our MLS club. This deal is a win win for the team and the fairgrounds. As a long time resident in the area my family and I have never gone to the fairgrounds. With the stadium and renovation I see another family friendly spot for us and other families to visit. Please vote Yes so we can build a stadium we are proud of and bring the international game of professional soccer to our community.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. The Predators not only hosted the NHL All Star weekend not long ago but are widely hailed as having the best home ice advantage in hockey. The Titans, on the heels of their incredible new uniform update ceremony, were selected to host next year's NFL draft at Ascend Amphitheater. Professional sports always have, and always will greatly benefit not only the neighborhoods where they play, but the city as a whole. I would ask that you seize this opportunity to make history with us and vote to approve this soccer stadium as well as the accompanying fairgrounds renovations.

Sincerely,

Lee Ann Lambdin

Subject: Major League Soccer is good for Nashville, please support the proposed stadium!

Dear Members of the Planning Commission,

I live in East Nashville, and my family loves Nashville SC. They've had wonderful support and deserve their own stadium; it will bring a lot of people in this city, from all different backgrounds, together.

I support the proposed Major League Soccer Stadium and renovation to the Fairgrounds Nashville. Professional sports teams in Nashville have turned into major brands that are recognized across their various leagues. Dear Members of the Planning Commission,

The purpose of this email is to express my support for the proposed Major League Soccer Stadium and renovations to the Fairgrounds Nashville. As a lifelong fan of soccer, and a resident of this amazing city, I couldn't think of better match than Nashville and pro soccer. This city loves its sports teams and adding professional soccer, the world's sport, to our lineup will cement Nashville as a global destination. This stadium has the added benefit of contributing millions of dollars to the fairgrounds, which desperately need renovations to remain the place beloved by many. If you vote yes to this proposal you will be doing your part to protect a place deeply tied to our city's history. It is my belief that a yes vote for the proposal is in the best interest of this city, I hope that you agree.

Sincerely,

Subject: Please support the Major League Soccer stadium

Dear Members of the Planning Commission,

As a Nashville native and lifelong soccer fan, I see this as the finest and best decision we can make as a city. Especially with all of the issues surrounding other sports with player safety and the unknown of their futures that it is safe to say that Soccer will continue to grow in popularity. Nashville should and will benefit from making this decision.

I am writing to you to express my support for the proposed Major League Soccer Stadium and Fairgrounds Nashville renovation. The Nashville Fairgrounds is in dire need of upgrades and the millions of proposed dollars injected into this site for improvements, along with the stadium and accompanying development, will transform that entire corridor into one of the most vibrant and economically beneficial areas in the entire city. You have a rare opportunity as an elected official to vote for something that will bring so much joy to all corners of our city, however I would ask that you not only vote for this because of our city's overwhelming desire for professional soccer, but because it makes financial sense for our city to invest in Wedgewood-Houston and the fairgrounds as a whole.

Please vote to allow the stadium!

Sincerely,

Jack Gaughan

Subject: Elm Hill Place

Attention: This email originated from a source external to Metro Government. Please exercise caution when opening any attachments or links from external sources.

Dear Planning Commission,

I am writing to ask for a deferment on the hearing for the proposed zoning change on Elm Hill Pk that is to be heard on 8/1/18. The community has not had adequate notification due to the fact that the applicant has not updated the Public Hearing signs on the property with the correct dates of 8/1/18. According to the Planning Commission policies there is suppose to be a Public Hearing sign with the correct dates displayed atleast 10 calendar days before the hearing to give the surrounding community adequate notice.

Thank you

David & Stacey Tardy

3104 E Lake Dr

Nashville, TN 37214

Item 6, Edgehill Neighborhood Conservation Overlay District

The Edgehill Neighborhood Coalition sent an addition to the 104-page packet that they sent for the June 28 meeting. The original packet is linked [here](#) – the addition follows:

• This conservation overlay preserves Edgehill's character and diversity with the **least restrictive conservation overlay**.

• An overlay will help protect our neighborhood against irresponsible development. Many of our surrounding neighborhoods have conservation overlays or other zoning tools in place, but **Edgehill is not protected**, so developers flock here. As of 2015, building heights can be 51 feet in Edgehill! We need a tool to help our neighborhood develop in a responsible way for the long term.

• Neighbors want to preserve Edgehill's rich **African American history** and its historically significant buildings. Over 30 historic neighborhoods in Nashville have overlays. Why don't we have one? Let's protect the many homes in Edgehill associated with historically significant people and events!

SAVE THE DATE!

EDGEHILL NEIGHBORHOOD CONSERVATION OVERLAY

"I can't bear to lose my neighborhood!"

**THE TOOL TO PROTECT EDGEHILLS
PROUD HISTORY, COMMUNITY
AND CHARACTER IN THE
LEAST RESTRICTIVE WAY**

Conserve and Protect

Culture • Community • Architecture

- Neighbors Helping Neighbors
- Responsible Development
- Protect Property Values

- *I want to change my windows - will I need approval?* **NO**
- *Do I need a historic permit to repair or put on a new roof?* **NO**
- *Can I add a dormer to the front of my house?* **YES**
- *Do I need historic approval if I want to paint my house?* **NO**
- *Can I build an addition on my house?* **YES**
- *What about building or changing a fence or driveway? Do I need Historic approval?* **NO**
- *Can I build a wheelchair ramp?* **YES**
- *Will I be able to tear down my old garage?* **YES**

• *How does a conservation overlay work?* If your property is within a NCZO and you are planning to demolish a building, construct a new building, add to an existing building, or move a building, one step is added to the process of getting a building permit for the work: you must also obtain a preservation permit from the Metropolitan Historical Zoning Commission (MHZC).

• *If my home is considered "contributing" in the overlay (usually an older historic home) can it be torn down?* **NO** The overlay will preserve the neighborhood's history and character by keeping historic homes intact as seen from the street. You **CAN** make changes on the sides and back, and even add dormer to the front

• *Can I raise my roofline?* Under the guidelines for the Edgehill NCZO, the roofline of side-gable historic homes **CAN** be raised by two feet. Non-contributing buildings can have completely **NEW** roof forms if the end result is appropriate for the district overall. Both types of additions would be reviewed by the MHZC.

• *Are there other tools to help preserve Edgehill's history and character?* Other tools such as a Contextual Overlay or Urban Design Overlay do not protect historic homes and are in many ways more restrictive than a conservation overlay. Our council members agree that this is the best tool for Edgehill.

How does this Conservation Overlay differ from a "contextual overlay"?

There are several differences. The main one is that the NCZO helps to protect historic properties. The contextual overlay doesn't place any restrictions on demolition, only on new construction. In addition, the contextual overlay are standards that **MUST** be followed, whereas, in the NCZO, projects follow design **guidelines**, reviewed by 9 volunteers, which allows for some flexibility when a property really needs to be addressed differently than other properties because it is different.

• *Can I repair or replace my siding without getting approval?* **YES**

• *Does it cost money to submit plans to the Historic Commission?* **NO**

• *Is it hard to get approval from the Historic Commission?* **NO** The vast majority of permits are given without modifications. The staff is available to help with advice and guidance.

• *Will they make me use expensive materials?* **NO** - Simply replacing existing siding, roofing material, windows or doors will **not even be reviewed** by the MHZC. The MHZC routinely approves typical materials for new construction that you would likely want anyway, such as asphalt shingle roofing, fiber-cement siding and a variety of windows in a range of prices. You will **NOT** be required to recreate any missing historic features.

• *Will my house lose value because of this overlay?* **NO.** Historic districts do not have a negative effect on property values. The areas with the highest values per square foot in Nashville are in areas with conservation overlays. See surveys here: nashville.gov/Historical-Commission/Educational-Resources/Publications-and-Brochures.aspx

• *If my home is considered "non contributing" in the overlay, can I tear it down and build something bigger?* **Many Times YES.** The new home does not need to "look historic", but will need approval so it is in keeping with the scale and size of other neighborhood homes.

Updated Timeline 12/15/15 -

Edgehill Neighborhood Conservation Overlay 2018NHC-001-0001

ACTIVITY	START	END	NOTES
Coalition Formed	12/15/2015	12/15/2015	Edgehill Coalition formed with one of its goals to protect historic nature of our 180 year old neighborhood
Investigated Various Tools/Options	1/1/2016	12/31/2016	Coalition members investigated best tool for protecting historic homes and guiding new development. Numerous meetings with community members, council members, Planning staff. Determined that Conservation Overlay provided the balance of being the most protective yet least restrictive tool.
Community Meeting at Midtown Precinct	12/15/2016	12/15/2016	Community meeting at Midtown regarding zoning and changes to protect neighborhood. Proceed changing R6 to R6A and investigate other options to protect streetscape and historic homes.
Edgehill Coalition Meetings	12/15/2016	7/19/2018	Monthly Coalition Meetings. 3rd Thursday of each month. Key agenda items include possible pathways to protect community and historic homes.
EVNA Meeting	3/13/2017	3/13/2017	Rob Benschopf presented outline to further explore possible overlay types & process to achieve. Will seek community consensus as process continues.
Overlay Committee Formed	3/15/2017	3/15/2017	Committee formed to investigate various types of overlays for Edgehill
Meeting to discuss overlay types	5/4/2017	5/4/2017	Met with Brandon Barnette- Metro Council and CM O'Connell met to discuss demolition of house at 1021 15th Avenue So and what could be prevent future demolitions. Conservation Overlay would be the best tool and historic would need conduct a survey to see if there enough houses within a specific area to qualify. The differences between UDO, Contextual, and Conservation Overlays explained and discussed. Were informed that conservation overlay could potentially conserve 20-30 % of Edgehill.

ACTIVITY	START	END	NOTES
Information gathering meeting	5/22/2017	5/22/2017	Committee members met at Historic to gather information on requirements to proceed with overlay for Edgehill
EVNA Meeting	6/12/2017	6/12/2017	Presentation: Growth/Development in Neighborhood by Rob & Theo. Presented two possible options - Contextual and Conservation Overlays. Discussed the pros/cons of both.
Coalition Meeting	7/20/2017	7/20/2017	Once determining the Conservation Overlay as the most viable option to protect homes on the West side of Edgehill. Goal to complete preparation for further community outreach to begin by Sept. 30.
Announcement of Overlay Meeting	8/30/2017	8/30/2017	EVNA Meeting Sept 6 at Midtown Precinct to discuss decision to move forward.
Overlay Community Meeting	9/6/2017	9/6/2017	Midtown Precinct. Introduction of NCZO at public meeting explained with the assistance of Metro Historic staff and Council Members.
Canvassing Needs	9/16/2017	1/16/2018	Door-to-door canvassing of proposed study area. Developing materials to leave with overlay, FAQs and contact information for residents.
Committee Meeting	9/22/2017	9/22/2017	Parameters for canvassing - Inform and answer questions pertaining to overlay, document response Y/N/? Follow up with residents as needed. If in support ask that they sign to show support for CM
Canvass Materials	9/25/2017	9/27/2017	Developed printed material to provide residents who needed more information and/or to leave at door.
Canvassing	10/5/2017	2/4/2018	8 committee members involved in door-to-door canvassing of proposed study area. Left handouts explaining the overlay and contact information.
Canvass Data	10/5/2017	2/4/2018	Collected data recorded
Proposed Map Redrawn	1/11/2018	1/11/2018	Updated Overlay Map from Historic Commission
Committee Meeting	1/17/2018	1/17/2018	Review Data

ACTIVITY	START	END	NOTES
Flyer Distribution	2/12/2018	2/16/2018	Advertised community meeting scheduled Feb. 22, 18. Flyers distributed to residents doors and posted on EVNA.
Community Meeting	2/22/2018	2/22/2018	Discussed Overlay, surveyed community members present.
Committee Meeting	2/28/2018	2/28/2018	Overlay Committee met to discuss guidelines and next steps
Meeting w/ Colby	4/2/2018	4/2/2018	Overlay committee leaders met with CMI Sledge to discuss the Overlay progress
Meeting Flyers Distributed	4/12/2018	4/14/2018	Flyers distributed for upcoming Community Meeting on May 2, 18
Community Meeting Midtown	5/2/2018	5/2/2018	Community Public Meeting at Midtown Precinct: Presented and discussed proposed NCZO.
Overlay Request Filed	5/9/2018	5/9/2018	CMI Sledge and CMI O'Connell reviewed information and submitted official Overlay Request
Committee Meeting	5/15/2018	5/15/2018	Met to discuss next steps, prepare for public meetings, & upcoming tasks
Committee Meeting	5/23/2018	5/23/2018	Mailings for Historic Commission - With the Historic Commission address labels and notice of upcoming hearing, prepared mailings to go out to residents within designated area.
Metro Historic Zoning Commission	6/20/2018	6/20/2018	Recommendation Passed unanimously
Metro Planning Commission	6/28/2018	6/28/2018	Planning Commission deferred upon recommendation by the Historic Commission to allow time for further community input.
Committee Meeting	7/3/2018	7/3/2018	Next steps?- Overlay committee - New co-chairs appointed. 2 new members: Terri Chapman & Derah Meyers.
Email to Amy Colton & Jill Bader (leaders of group opposing the overlay)	7/13/2018	7/15/2018	Introducing new co-chairs: Joyce Harris and Karin Kalodimos

ACTIVITY	START	END	NOTES
Forum at Corinthian Baptist Church	7/7/2018	7/7/2018	Issue Breakfast arranged by the group opposing the overlay and Reverend E. Fuzz. Pro overlay group, led by Terri Chapman spoke in favor of the Overlay.
Committee Leadership Meeting	7/10/2018	7/10/2018	Discuss overall actions and strategy, Agenda for committee meeting. "Overlay, Over Food, Over Fellowship", a resident driven, neutral discussion of the overlay and potluck to be held on 7/24/18. Would arrange meeting with Jill Bader and Amy Colton for them to also identify two panelists. Confirmed w/ CM their availability
Meeting with Council O'Connell	7/11/2018	7/11/2018	Joyce Harris, Karin Kalodimos - co-chairs and 2 committee members met with CM O'Connell to discuss concerns. Agreed to meet with group opposing and CM O'Connell to discuss specific details of the guidelines.
<i>I Can't Bear to Lose My Neighborhood</i> Pro-Overlay Meeting	7/11/2018	7/11/2018	Strategy and Task groups outlined. Request for volunteers to work on each task group. Assigned leaders to each group with co-chair liaison.
Discussion of joint Community meeting, <i>Overlay, Over Food, Over Fellowship</i>	7/12/2018	7/12/2018	Joyce Harris and Rachel Zilstra met with Amy Colton and _____ to discuss format of joint community meeting planned for 7/24. They wanted to discuss NCZO guidelines.
FAQ brochure Developed	7/13/2018	7/13/2018	Developed trifold brochure of FAQ's to address questions from residents of NCZO guidelines. Including Planning Commissioner and CM contact information.
Survey of Community Needs & Volunteer Cards	7/14/2018	7/23/2018	"Foot Soldiers" went door-to-door. Asking residents what they liked and disliked about Edgehill, if they had any needs, if they were aware of the overlay, if they were going to Planning, and inform of the upcoming community informational meeting on July 24, 2018. If in support, asked if they were willing to volunteer.
Communication with group in opposition to overlay regarding community informational meeting	7/16/2018	7/16/2018	Communicated need for suggested panelists from opposition overlay group to be received by July 20.

ACTIVITY	START	END	NOTES
Mailing of postcard invite	7/19/2018	7/19/2018	Mailed postcard invitations for community informational meeting to residents within the overlay
Overlay, Over Food, Over Fellowship Communication	7/20/2018	7/20/2018	Opposition group failed to meet deadline for suggested panelists
Mailing of FAQ trifold brochure	7/21/2018	7/21/2018	Mailed FAQ trifold brochure to all addresses within the overlay
Communication from group opposing	7/22/2018	7/22/2018	Received proposed agenda for the <i>Overlay, Over Food, Over Fellowship</i> community informational meeting from the leaders of the group opposing the NCZO for Community meeting on 7/24
Overlay, Over Food, Over Fellowship Community Informational Meeting	7/24/2018	7/24/2018	Dinner and informational meeting providing residents an opportunity to get written questions answered by panel: Moderator David Ewing, Sean Alexander (Historic) and Ron Yearwood (Civic Design Center), CM O'Connell and Sledge.
Meeting of both groups with CM O'Connell to discuss guidelines	7/25/2018	7/25/2018	Jill Bader, Charles Howe, John Moore, Karin Kalodimos, Ronnie Miller met at CM O'Connell's office to discuss the overlay guidelines.
Social Media and letter writing campaign	7/25/2018	7/31/2018	Information shared with those in support on writing the Planning Commissioners and CM -stating support for overlay for the purpose of finding agreement.
Metro Planning Commission	8/1/2018	8/1/2018	4:00 PM Planning Commission, Sony West Bldg.
Metro Council Meeting	8/7/2018	8/7/2018	6:30 PM Metro Courthouse, 1 Public Square, (Corner of 3rd Ave N and Union St)

Subject: Opposed to the Edgehill Overlay

Dear Commissioners,

I am against the proposed Edgehill Overlay. The majority of our neighbors are against placing these guidelines on our homes. In a survey submitted to our councilmen, many neighbors were listed as supportive but they are actually against the proposed overlay. This is wrong. Our repeated offers to jointly canvass the community with both sides- to confirm an accurate accounting of our neighborhoods preferences- was refused by the leadership of those supporting the Overlay. Our opposition also invited those in support to work together for a community consensus but was also refused.

I remain strongly opposed to the overlay.

Sincerely,

Jan M White

Subject: Protect Edgehill with an Overlay - 2018NHC-001-0001/BL2018-1245

Dear Commissioners,

I am writing in support of 2018NHC-001-0001/BL2018-1245, the Edgehill Neighborhood Conservation Overlay ("NCO").

I have lived at 1002 15th Avenue South since April, 2000 when my husband and I purchased this home. Ours is one of the homes within the proposed NCO. It is the only home we have ever owned. I have lived here for almost two decades, and I love my neighbors and this neighborhood. In the last few years, the Edgehill community has changed dramatically and quickly, as developers have purchased and demolished many of the older homes and built three-story duplexes in their place. These 'tall skinnies' have changed the neighborhood, and a number of them are used only for short-term rentals. Many of my former neighbors have left to find more affordable housing elsewhere.

The current Green Hills - Midtown Community Plan is not protecting our neighborhood from these kinds of changes. The NCO seeks to protect only 5% of the homes in the Edgehill neighborhood. We have worked for about two years with the Historic Commission, your staff, and our Council members to work on the specifics of the NCO. It is the best tool to help Edgehill save some of its most historic homes.

We need your help to protect our community and preserve the history, diversity, and architecture of this neighborhood. Please support the Edgehill Neighborhood Conservation Overlay.

Thank you.

Sincerely,

Andrea Sullivan

Subject: Support Edgehill Neighborhood Conservation Overlay

Hello-

I am writing to express my support of the Edgehill Neighborhood Conservation Overlay. My wife and I have enjoyed living on 15th Ave. South for 10 years now, and we feel like this is the best option for the neighborhood in an effort to retain what remains of its historic character. We were attracted to the

neighborhood by its sidewalks, trees, and chance to meet and talk to neighbors from front porches and yards.

Recent additions of large blocks of grey and white three-story houses are not necessarily unwelcome, but they have already significantly altered the look and feel of our neighborhood.

Thank you for considering resident's input in protecting this unique Nashville neighborhood.

Sincerely,

Erik Schmeller

Subject: Opposed to Edgehill Overlay

I want to reiterate my opposition to the proposed overlay. I have lived in Edgehill for 16 years in a historic home at 1504 South Street. Although, I have no plans to tear down or make major renovations to my home, I do not want to surrender my right to do so if I choose. I think it is utterly ridiculous to be forced to give control of my home to some random third party who has zero vested interest, financially or otherwise, of my property. I also feel that it is totally unfair to others who may have purchased property in the area with future plans to rebuild or make major changes to their homes.

There have been misrepresentations made to many of my neighbors as to what the overlay will do to any future plans they may have for their homes and an overall aggressive push by a small group to force this proposal through without any real concern for all members of the community.

Thank you.

Subject: Edgehill Overlay

I am against the proposed Edgehill Overlay. As I am certain you could see at the meeting last week, the majority of our neighbors are against placing these guidelines on our homes. In a survey submitted to our Councilmen, many neighbors were listed as supportive, but they are actually against the proposed Edgehill Overlay. This is wrong. I was actually told by the opposing group last week that regardless if I owned a home there my vote didn't count, then tried to bully me and spoke rudely to me because I didn't know a neighbor's name. I find it appalling that a few control freaks can try to bully an entire area into doing what they think is right. I believe if they want their home to be historic they should get it registered and let the rest of us live our lives. They also are using Scare tactics on the elderly in our neighborhood, like the comment of tall skinny's filled with twin beds for bachelorette parties, there is a limit of 5 homes in our area that can be unoccupied Airbnbs. They can't change those laws this is just scare tactics. Just fyi we have the 5th airbnb and We have had numerous visiting professors, parents and students from Belmont and Vanderbilt, 100s of guests from other countries for the music industry and 100s of guests that come for medical reasons. The guest that stands out

the most in my mind was a 7 year old that came to stay in our airbnb to have chemo at Vanderbilt. She was able to bring her dog to snuggle when she came back to the house, her family was able to stay with her without paying for numerous rooms in the expensive hotels, her mom was able to cook the food that she could keep down in the kitchen, and her dad was able to carry her just a short distance from the car to the couch rather than having to park in a huge cold garage and go thru a huge lobby and up an elevator down a long hall to get to an uncomfortable room without a dog or kitchen. So lying to the elderly to get what they want is wrong, bullying me because I no longer live in the home is wrong. I have owned my home almost 18 years, much longer than many that want the overlay. So many of the homes have all ready been changed, many are not historic in the least and the businesses are all ready on our street. I am against the overlay. I appreciate your time on this matter.

2018NHC-001-0001/BL2018-1245

Hello, my name is Dorothy Marks and I live at 912 Villa Place. I was blessed to have been raised in the Edgehill community, at 905 Villa Place. As you can imagine, I have seen the neighborhood change in lots of ways-good and less positive. Having grown up here, I have always admired the beautiful older homes in our area. I love the charming character and details of these houses. When my husband and I built our home six (6) years ago, it was very important to us that our home fit the aesthetic of the neighborhood that I love. As such, we built a craftsman style house that we feel fits right in. Unfortunately, a large number of the homes being built in the area now do not fit the neighborhood at all. I feel they look completely out of place, and the builders only seem interested in building huge structures as quickly as possible.

I wholeheartedly support the conservation overlay as I want the beauty and history of my neighborhood to live on. These historic homes were built on strong foundations, and we too stand strong in our convictions to preserve their integrity and splendor!

Thank you,

Dorothy Miller Marks

Subject: RE: Edgehill Conservation Overlay

Dear Commissioners,

I am writing to let you know that I am in full support of the Conservation Overlay coming before you at Wednesday's meeting. My wife and I bought our home on 15th Avenue (within the overlay bounds) in 2000, and have seen many changes happen in the neighborhood. We are concerned that the burgeoning growth of the Downtown and Midtown areas are encroaching on our small slice of residential, single-family homes, and we feel that the overlay is the best tool to help protect historic Edgehill as we know it.

Thank you for all your work on behalf of our city and neighborhoods,

Matthew Sullivan

Subject: Edgehill overlay

Dear Planning Commissioners,

Please support Edgehill's efforts to preserve and promote our neighborhood and history. The GreenHills-Midtown Community Plan is not sufficient to protect our neighborhood. The Neighborhood Conservation Overlay seeks to protect just 5% of the households in Edgehill, those homes that fall in the most western boundary. Working closely with the Historic Commission, Planning staff and Council Members, The Edgehill Coalition has been able to craft a tool that'll pick up where our Community Plan falls short.

Your help is needed. Please support Edgehill's future.

Subject: Edgehill Overlay

Good Morning -

I have owned a house on South Street since 1986. I am opposed to the proposed Edgehill Overlay. I believe the majority of residents are also opposed to placing these restrictions on our homes.

In a survey submitted by our councilmen, many neighbors were listed as supportive, but are actually against the proposed overlay. Our repeated offers to canvas the community with representatives from both sides – to gain an accurate accounting of our neighbors’ preference was refused by the leadership of those supporting the Overlay.

We have invited the opposition in support to work together with us for a community consensus, but this was also refused.

The Overlay, in my opinion, is being forced through with the majority still opposed. Surely we could work together for a community consensus.

Respectfully,

David Yates

Subject: We Support Edgehill Neighborhood Conservation Overlay 2018NHC-001-0001/BL2018-1245

July 29, 2018

To whom it may concern,

Our family has had the pleasure of living at 1022 15th Ave. South for over 30 years. We were able to provide an exceptional quality of life in our 100+ year old home for our now 4 grown children. We wish the same for our current and future neighbors. For this reason, we are for the overlay.

The architectural integrity of the Edgehill Neighborhood Conservation overlay is in need of protection. Many homes, ours included, are homes that have stood the test the time and have been established as quality family

residences with design elements that bespeak of neighborliness. Plans by developers to raze homes, build homes that compromise our architectural uniqueness, and bring in structures that are "off putting" with their size, minimize our community spirit, and need to be stopped. After all, it speaks well of Nashville when the urban core has protection for both its uniqueness and charm.

We consider our neighborhood as having a distinct design characteristics. For this reason, we have a goal of preservation or conservation. An overlay can do this for us. Outside developers have 'no skin in the game" except monetarily. We know what's best for ourselves and our neighbors and for the future of the Edgehill Neighborhood Conservation Overlay.

Respectfully

Stan and Alice Weber

Subject: Edgehill Overlay

Dear Commissioners,

I encourage you to vote **for** the overlay in Edgehill. This historic neighborhood needs to be protected. With it's close proximity to Vanderbilt, Music Row, Belmont, and Downtown, developers are eager to destroy it for temporary profit. The loss to our community and the city will be long lasting if not protected. Our park, historic homes, and historic sites seem to be a part of the feeding frenzy. I hope that you will use the power given to you by the people of Nashville and vote to protect the neighborhood. Thank you in advance. I live on 15th Ave S.

Subject: Opposition to Edgehill Overlay

I am against the proposed Edgehill Overlay. The majority of our neighbors are against placing these guidelines on our homes. In a survey submitted to our councilmen, many neighbors were listed as supportive, but they are actually against the proposed overlay. This is wrong. Our repeated offers to jointly canvass the community with representatives from both sides - to confirm an accurate accounting of our neighborhood's preference - was refused by the leadership of those supporting the Overlay. Our opposition also invited those in support to work together for a community consensus, but was also refused.

Planning Commissioners
Subject: We are voting NO on the overlay

My name is Robyn TaylorDrake and my husband is Johnny Drake, we own the home at 1026 15th Ave S in Edgehill Village.

After carefully going over the overlay proposal - we have reversed our support of this overlay and wish to be counted as a NO vote. There are several restrictions that seem to be more binding than we feel is appropriate for our situation. The explanations have been too vague for our satisfaction.

In the beginning, when this was being discussed but before we actually saw and read the documents explaining the overlay, we thought it could be a good idea, but now feel this will hurt many property owners with more modest incomes than many of the residents who seem to be in favor.

We have been here for 20 years and are often told by neighbors how lovely our home is. We take pride in keeping our property looking good, but we are both quite creative and handy and we like / want to make improvements without having to get drawings done and a architect involved. That turns a simple, low budget project into more of a financial burden.

We want to be good neighbors and feel that this has become a negative issue. I know there may be some 'yes' voting people who will be annoyed with me, but frankly, it's very hard for us to give more government control when the written terms seem so vague. The meeting on July 24 only made me realize that this is too loosely written and I'm not willing to relinquish my property rights.

(Application: Neighborhood Conservation Zoning Overlay for Edgehill Neighborhood Council District: 17 and 19. Applicant: Councilmembers Sledge and O'Connell. Project Lead: Robin Zeigler, robin.zeigler@nashville.gov)

You can reach me at 615.429-6038 if you need to verify this.

Thanks for all the hard work you do councilmen. I know this is often a thankless job.

Sincerely,

Robyn TaylorDrake

ORDINANCE No. ---2018NHC-001-0001/bl2018-1245

To Whom It May Concern:

My name is N. Randolph Parks and for many years I have been intimately concerned with the residents of Edgehill despite the fact that my home is at 1606 18th Avenue South. The Parks' Trust, of which I am the director, contributes many thousands of dollars each year to Healthy Life for Healthy Families, a community wellness organization founded by former nurse, Ms. Mamie Turner, of 1034-A 13th Ave. South. Ms. Mamie is a one-woman tornado who not helps with education, advice, and medical assistance, but manages to find bassinets, baby clothes, and food for mothers who cannot provide for themselves or their children. In her spare time, she has also founded an anti-gun violence initiative, (Bullets Have No Eyes), which will be observed on July 28th state-wide, and she

has also written a book and does signings all over Tennessee. In support of her endeavors, I am invested in Edgehill in a very literal sense.

The savage destruction of this historic neighborhood, and the displacement of long-time residents by profiteering investors and developers who put up repulsively ugly and constructionally cheap and shoddy structures sickens me to the core. I urge you to vote FOR the Conservation Overlay, not only to protect what is left, but to insure appropriate future construction.

My family has lived in Edgehill since moving to Nashville in 2009. We do not rent out or airBNB our home at 1500 South St; it is the permanent home for us and our two school aged children. We love the neighborhood and want to express our support for the Historic Overlay. Members of the neighborhood have worked tirelessly to develop this overlay plan and we agree that it will help guide thoughtful development and preserve the character of our neighborhood. It has been shocking to experience the vitriol of local investors who seem to care only about profit. We ask that you listen to the voices of the people and families who actually live in Edgehill.

Please support this Historic Overlay and conserve the character of our vibrant neighborhood.

Thank you,

Ashley and Ben Shoemaker

July 27, 2018

Metropolitan Nashville/Davidson County Planning Department
800 Second Avenue South
P.O. Box 196300
Nashville, TN 37219-6300

Commissioners:

My name is Rodney King and I live at 907 Villa Place. I have owned and lived in this home since 1997. I'm very much in favor of the proposed Neighborhood Conservation Overlay for the Edgehill Community, BL2018-1245.

When I was looking for a home, I looked in many different areas of Nashville. I decided on my home on Villa for a variety of reasons...the main ones being the turn-of-the-century architecture, the diversity of the neighborhood and the old growth trees that lined the streets.

I love the way that as you drive South on Villa, the home styles change from early 1900's Victorian homes to Mid-1940's bungalows. I think it's important as a community that we preserve as much from these periods of architecture as possible. I bought into Edgehill because of what this neighborhood looks like and what it represents.

But all of that is in danger from developers. Many older homes, and a great deal of the 1960's urban renewal homes are being torn down and replaced with oversized, two-on-a lot houses that are obliterating the scale and character of the neighborhood, and scattering long-time residents to the outer reaches of the county. The houses are so large that they have to cut down the old growth trees, replacing them with a shrubbery or two.

One part of Edgehill, between 8th and 12th and South Street to Archer has been completely wiped out and replaced with these modern houses, many of which are being used as STR's. This has happened so fast, that if you look at street view on Google Maps of this area, most of the homes it shows are now gone. The developers of this area have even renamed it "Gulch South" which is a slap in the face to the history of the Edgehill Community.

I feel that without an overlay to protect us, much more of the neighborhood will be lost to new development, to our detriment as both a neighborhood and a city. The speed at which developers are gobbling up our neighborhood makes it imperative that this overlay needs to happen now, as further delays will only see more of our neighborhood disappear. Edgehill holds too important of a place in the history of Nashville to allow that to happen.

Sincerely,

Rodney King

Dear commissioners and council member,

I live at 1716 15th Ave South

I strongly SUPPORT the Edgehill Conservation Overlay, ordinance 2018NHC-001-0001/BL2018-1245.

I support protecting our neighborhood's history.

I am concerned about the very tall houses being built that are out of character with the scale of my neighborhood.

I am concerned about the rapid change in our neighborhood, and its history being demolished.

Please support the Edgehill Conservation Overlay.

Warmly

Sarah Arace

Letters in favor of Overlay

ORDINANCE # 2018NHC-001-0001/BL2018-1245

To Whom It May Concern:

My name is Dr. Derah Myers and I have lived at 1025 15th Ave. South for nearly 25 years. It was love at first sight when I first entered this charming, old-fashioned neighborhood and saw the house built in 1896. The house itself was in desperate need of repair, but I didn't care; I was short on cash but long on elbow-grease and creativity and I knew I had found my "forever" home. Edgehill was predominantly black at that time, and I only hoped that the residents would accept me and allow me to live in this lovely enclave. My concerns were groundless; the first time I set foot outside my front door to walk my old dog, a booming voice from four houses down shouted, "GOOD MAWNING!! COME ON OVER HERE!" From that first warm greeting, I was gathered in by the kindest neighbors one could hope to have; they are among the finest people I have ever known. We are not just individuals who live on the same street, we are a true community.

Let me give you just one example of what I mean: Mr. Mack was a black WWII veteran who had fought in the South Pacific; despite his age, he operated a landscaping service and did meticulous work. When the long trailer on which he hauled his equipment was stolen, we pooled our resources and bought him a new

one. When he could no longer work and his window air-conditioning unit failed, a new one appeared, likewise with his television and radio. Every year there was a party to celebrate his birthday. When his health failed, I took him dinner nearly every night, and when his nephew placed him in a nursing home, we went to visit. We have been, in every sense of the word, a true community.

By way of contrast, many of the new residents blatantly ignore traffic cones in front of handicap houses, and arrogantly walk away or argue when confronted. They have no interest in becoming a part of Edgehill. On Friday and Saturday nights, Tremont and that end of 15th is barely navigable because of the chock-a-block parking. Multi-family units are being thrown up with no regard to inbuilt parking. More than once I have had to walk blocks in the rain carrying groceries because I could get nowhere near my own home.

In the last 30+ months, this important historic area has been brutally ravaged by investors and developers who have destroyed irreplaceable landmarks and supplanted them with cheaply built, (I have been to several open houses), and genuinely repulsive structures; the paint on one house on Villa is already peeling, having been sprayed on. (I firmly believe that these investors have “ugly contests”, and the cheapest and most hideous designs get built in Edgehill.)

These vultures prey on the innocence of residents, many of them elderly, by waving seemingly large checks in front of them, knowing that those same checks are mere “pennies-on-the-dollar” as regards true market value. (Other residents, more informed and more savvy, finally agreed to accept payment twice the original offer). Highly suspicious of the former “deals”, I checked with the Property Assessor’s office where my fears were confirmed. I learned of one instance where an elderly woman was paid \$52,000 for her house. She now has to live in a room in her son’s apartment while units worth close to a million dollars sit on the site of her former home. I find this kind of callous greed, which plays on the naivete’ of hardworking or retired individuals, not just repugnant but evil.

The displacement of long-time residents; the desire to not only marginalize but fairly quickly erase the historic population; the financial exploitation of the uninformed, the galloping increase in population density with no regard for the

physical limitations of parking, and the RAPE of this historic neighborhood sickens me both physically and emotionally.

Frank Lloyd Wright visited Nashville in the early 1950's when the Edgehill homes were being constructed. His comment was, "This city is building future slums." How prophetic his words have proved. Now a new wave of carpet-baggers is doing the same thing again. **STOP THEM!**

Subject: Opposed to Edgehill Overlay

Good afternoon -

I'm writing you in opposition to the proposed overlay in Edgehill.

I am a Nashville native who purchased my home with the intent to stay and raise a family. I hope to grow and change my home as my family grows and changes, without the burden of additional regulations. Others in Edgehill have done so for over 100 years. I want the same freedoms.

I have personally walked to every single home within the overlay to share my reasons for opposition with my neighbors and found a majority, like myself, very opposed.

I also found that many residents I spoke with were inaccurately noted as supportive of an overlay by earlier documents submitted by community organizers who are supportive of an Overlay. In talking with my neighbors face to face, over 20 inaccuracies were found. I personally offered multiple times to walk

door to door with someone supportive of an overlay so we could jointly get an accurate accounting for the wishes of our neighborhood by a fair and joint process. This offer was refused by the leadership of overlay supporters.

We also offered to come together as neighbors to find a compromise. This offer was also refused.

As such I remain opposed to the Conservation Overlay being proposed for my home.

Sincerely,

Jill Bader

Subject: SUPPORT Edgehill NCZO 2018NHC-001-0001/BL2018-1245

Dear Commissioners,

I am writing to express my strong support for the Edgehill Neighborhood Conservation Overlay, 2018NHC-001-0001/BL2018-1245.

I am a 15 year resident of the neighborhood and I am alarmed by the rapid rate of new construction and the fact that the neighborhood has no protections for its historic structures.

Edge hill is one of the most historically important areas in our city - this overlay is the tool to support the Planning Commission's mandate to preserve important assets in Nashville - in this case historical assets.

The overlay only covers 5% of the neighborhood's homes - that's all that is left to preserve according to Metro Historic Commission. Please act now before that 5% is gone too!

It also mitigates the fact that Edgehill has been saddled with egregiously high building height allowances, creating a hodgepodge quality and **inconsistency** in our neighborhood that is affecting property values and overall character and livability.

Please do your part to protect and support this last bit of our neighborhood. Almost all the other historic areas in Nashville have protection of some kind - why not Edgehill? Please support this ordinance!

Thank you,

Supporters Petition Edgemoor Conservation Overlay

Date: 7-26-18

I support the Edgemoor Conservation Overlay because:

- I want to preserve the African American historical contributions of former Edgemoor residents.
- I do not want irresponsible developers/investors to take over the neighborhood while building taller and slantier houses.
- I want to help protect the existing homes in the neighborhood from demolition.
- I want a neighborhood where everyone feels welcomed regardless of age and race.
- I want to see the culture and architecture of the neighborhood stay in place.
