RE: Case 2019Z-048PR-001

Zone Change request from AR2a to RM15 for 1500 Bell Road and Old Hickory Blvd 34.57 acres

Abbie Rickoff – Staff Reviewer –

I am in favor of this zoning change and request.

I own 2 acres that are located adjacent to and within the Maxwell property, parcel 109, and am entirely in favor of this zoning change and believe that this is the best use of this property. I only wish that I had joined in at the time of the filing of this initial zoning change request so that we could be making this request united and together. I am not aware of any opposition in the community and that the community plan should be updated to align with the current wishes of the community.
