August 26, 2020

Mr. Greg Adkins, Chair and Members
Metro Planning Commission
Howard Office Building
Sonny West Conference Center
Nashville, TN 37210

Dear Chair Adkins and Members:

Re: 2020S-135-001

The above reference is on the Planning Commission's Agenda for Thursday, August 27, 2020. This concerns a request for final plat approval to create three lots on property located at 819 Watts Lane, zoned R6.

I have not received any opposition to this request. Therefore, I am in support of this item and agree with the staff recommendation. I am asking for your approval.

Thank you for your assistance in this matter.

Regards,

Mary Carolyn Roberts
Councilmember, District 20
