Mr. Greg Adkins, Chair and Members  
Metro Planning Commission  
Howard Office Building  
Sonny West Conference Center  
Nashville, TN 37210

Dear Chair Adkins and Members:

**Re: 2019S-086-001**  
**John B. Cowde Property**

The above reference is on the Planning Commission's Agenda for September 24, 2020. This concerns a request for final plat approval to create three lots on 0.91 acres of property located at 227 Marcia Avenue.

I have not received any opposition to this request. Therefore, I am in support of this item and agree with the staff recommendation. I am asking for your approval.

Thank you for your assistance in this matter.

Regards,

Mary Carolyn Roberts  
Councilmember, District 20
