RE: 2021SP-005-001 (Hobson Heights)

I am writing to request that the above item be removed from the consent agenda. A request to rezone from AR2a and RS15 to SP zoning on property at 6334 Hobson Pike and Hobson Pike (unnumbered) and part of property at 6324 Hobson Pike, to permit up to 254 residential units.

This will allow some of my constituents to speak on this matter. This item is on the Planning Commission's Agenda for Thursday, January 21, 2021.

I respectfully request the Commission's full consideration of this request. I will be unable to attend the Planning Commission meeting in person, but I thank you in advance and appreciate your support.

Sincerely,

A handwritten signature in blue ink, appearing to read "Antoinette Lee".
