Item 6, Keystone & Veritas

(petition follows)

2016-0018-001

We, the residents of the Radnor Neighborhood located in the City of Nashville, County of Davidson, wish to be recorded as being opposed to the Request of Rezoning 500 Veritas St., Map 133.05, Parcel 17, from RS7.5 to SP.

We believe that this neighborhood has sufficient inventory for constructing new homes under the present zoning. Changing this zoning to a more dense zoning would greatly impact the desirability and character of our area.
