VII. OTHER BUSINESS

HOW DOES THE MEETING WORK?

Metro Nashville Network will broadcast this meeting of the Metro Historic Zoning Commission live on Comcast channel 3 and simulcast a [livestream](#) of the meeting. Meetings may be viewed at an alternative time on [Metro's YouTube channel](#).

Because the MHZC is a quasi-judicial body, members are not permitted to discuss specific cases outside of a public hearing. Any comments to the Commission can be communicated via mail, email, or by attending the meeting. If sending written comment, please send no later than **10am the Tuesday prior to the meeting**, to ensure the Commission receives it in time for review.

Mailing Address: MHZC, 3000 Granny White Pike, Nashville, TN 37204

E-mail: historicalcommission@nashville.gov

Each case follows this format:

- a. Staff will make a presentation about each project up for consideration and provide an analysis on how it does or does not meet the design guidelines.
- b. The applicant will have the opportunity to present (up to **ten minutes**) and answer questions of the Commission. The applicant may reserve two minutes of the ten to rebut public comment.
- c. The public will have **two minutes** each to comment on the application. Someone representing an organization may have **five minutes** if written notice is received no later than 10am the day prior to the meeting day. Please state your name and address for the record before making your comments. Please be sure to direct all comments to the microphone so that they are a part of the official record.
- d. The applicant has the option of responding to public comments, once all have been made, and if the full ten minutes was not used.
- e. After all public comments, the Chair will close the “public hearing” which means there is no more opportunity for public or applicant comments, unless the Commission invites either back.
- f. The Commission will make a decision which could be to approve, disapprove, or approve with conditions. The applicant may also request that a decision be postponed.
- g. Appeals to decisions of the MHZC may be taken to a court of competent jurisdiction as provided for by law.
- h. If the project is approved or approved with conditions, the applicant will receive a permit. If the project is disapproved, the applicant will receive a notice of decision. Any project may be revised and resubmitted for a new review. The exact same project disapproved may not be resubmitted for review.
- i. A building permit may be necessary for the proposed project. Preservation Permits are not a substitute to a building permit. Contact Metro Department of Codes Administration, Howard School Building, 800 2nd Avenue South. (615) 862-6500 (615)

HINTS FOR PREPARING FOR THE MEETING
