IV. Discussion		
<u>Ordinance No. BL2018-1456</u>		
Chairman Taylor was concerned the way it is written it may conflict with State Level (ABC) licenses.		
Ms. Jarmon believes in the past that legislation has been passed due to direct interactions with council person and things in their neighborhood making it personal. She also believes all this new legislation being passed should be brought before the board for discussion before being passed.		
Chairman Taylor stated they don't have to get approval from the board to pass a legislation.		
<u>Ordinance No. BL2018-1440</u>		
Passed 1 st reading on December 18 th and expected to pass 3 rd and final reading in January 2019.		

Ordinance No. BL2018-1405

Passed 3rd reading December 18, 2018. Grandfathered if already permitted, no fee but will need to divide permits manufacturer/distributor.
