III. DISCUSSION

2.01 CATERER

Pursuant to Metropolitan Code of Laws Section 7.08.105(C), licensed caterers must provide, and the Metropolitan Beer Permit Board must receive, a written and/or electronic notice of any catered event for each site on which beer will be sold or distributed and consumed, the dates of such beer sales and consumption, as well as the individual or entity for whom the caterer is providing beer.

Such notice shall be given on a form provided by the staff of the Beer Permit Board. Such notice shall be submitted to and received by the staff of the Beer Permit Board by 4 pm C.S.T. at least one business day prior to the catered event. The staff of the Beer Permit Board will accept signed notices by certified U.S. mail, by hand delivery, or by email to beerboard@nashville.gov.

The permitted caterer shall transport or direct the transportation of the beer to and from the facility or location of the catered event, under the Board's transportation and delivery guidelines. The permitted caterer shall provide the staff to supervise the serving and/or dispensing of beer during catered events.

A caterer may not cater beer to any location, facility, business, or other entity that is ineligible for either a temporary beer permit or special event beer permit. A caterer may not cater beer to any location, facility, business, or other entity that has a pending violation or has had a beer permit revoked, suspended or denied. A caterer is not precluded from using its permit based solely on distance requirements except as provided in Metropolitan Code of Laws Section 7.08.105(E).

No facility, business, or entity may use caterers to provide beer on a recurring basis and for more than two consecutive weeks at the same location as an alternative to obtaining its own beer permit. To that end, no business or other entity may have beer sold or served by a caterer more than five (5) consecutive days per week, provided however, that such license shall allow the caterer one day immediately before the catering days and one day immediately after the catering days for the transporting and storing of beer for a licensed catered event. For purposes of this rule, a week is defined as Monday through Sunday.

Caterer's permit holders shall be responsible for ensuring that all beer catering is conducted in compliance with all local and state beer laws and the rules of the Beer Permit Board.

2.02 SPECIAL EVENTS

Applicants for special event permits will be limited in the number of days for which such permits can be granted per month. In order to prevent the abuse of numerous special events as a means of circumventing beer permit regulations, applicants for special events must identify the exact dates and locations of the special events requested. No applicant may be granted special event permits for more than ten (10) days in any given month. Additionally, no applicant may be granted more than fifty (50) special events days per calendar year. No special event permits shall be granted by the Board more than four (4) months in advance of the date requested by the applicant, except where the applicant is a 'bona fide charitable or non-profit organization' as described in Beer Board Rule 8.

To obtain a special event permit, the following documents must be submitted to the Beer Permit Board at least ten business days prior to the date of the event:

- (1) A completed and notarized application;
- (2) If the applicant is a bona fide political organization, then the applicant shall submit documentation that it is either a political campaign committee as defined in T.C.A. § 2-10-102(a) or that it is a political party as defined at T.C.A. § 2-13-101;
- (3) Proof that the applicant is registered with the Secretary of State's Office as a charitable, non-profit organization;
- (4) The application fee; and
- (5) Any other documents that the Beer Permit Board may request

The Board had a discussion on changing catering dates. Chairman Taylor said he wanted to be sure they were not going to use a catering permit instead of getting an actual beer permit.

Board Member Chris Bellamy showed concern that it could be a blanket rule Chairman Taylor said it could be taken on a case by case basis.

Chrissie Jackson with D&D Events spoke about the events they are involved with. Ms. Jackson said they do a lot of large events and would benefit from changing the rule where they can do a continuous special event instead of breaking it down by days.

Mr. Spragens asked if it was a reoccurring
