**Executive Director's Report**

- Mr. McDonough updated the board on steps being taken to protect beer inspectors conducting inspections in the field. Mr. McDonough ordered protective visors that the inspectors can wear when entering an establishment.
- Mr. McDonough was unable to provide a revenue update, due to his computer not working properly.
- Two members of the Metro Council have approached the Director about making delivery and curbside delivery permanent in Davidson County. Mr. McDonough explained that making this option permanent could create more significant additional revenue. In fact, the board has received approximately 120 requests for delivery / curbside permits, which could create at least \$30,000 in new revenue if they apply for permanent permits.
- Mr. McDonough informed the board that the department is currently being audited by Metro Audit due to a regularly scheduled audit schedule. The Beer Board was last audited by Metro Audit seven years ago.

There being no further business, Chairman Taylor adjourned the board meeting at 5:58 p.m.
