**2017 Joint Assessment of Fair Housing
Metropolitan Government of Nashville-Davidson County
and
Metropolitan Development and Housing Agency**

Purpose and Summary: The Metropolitan Development and Housing Agency (MDHA) has prepared a joint Assessment of Fair Housing (AFH) on behalf of the Metropolitan Government (Metro) and MDHA. The U.S. Department of Housing and Urban Development (HUD) requires cities and public housing authorities that receive federal funds for housing and community development to Affirmatively Further Fair Housing (AFFH). To fulfill this requirement as recipients of these funds, MDHA and Metro Nashville must conduct an AFH which includes an analysis of fair housing data, an assessment of fair housing issues and contributing factors, and an identification of fair housing priorities and goals. The purpose of the AFH is to assess whether individuals and families have the information, opportunity, and options to live where they choose without unlawful discrimination related to **race, color, religion, sex, familial status, national origin, or disability** and assess whether housing options are realistically available in integrated areas and areas with access to opportunity.
