Acquisition Committee Agenda

- 11-21-05** A lease amendment is requested for the property located at 7820 Coley Davis, Parcel ID# 14100007400 that Metro leases (and subleases) from the State of Tennessee Department of Transportation. The current lease with TDOT expires on December 31, 2037. Metro has a need for a new mobile emissions testing site in the Bellevue area and requests the Park Board's approval of an amendment to the lease with TDOT to allow the site to be utilized for this purpose.
- 12-21-03** The Nashville Zoo, Inc. requests a recommendation of approval from the Park Board to donate a 4.4-acre parcel of property, Parcel # 13300014500, to the Metropolitan Government, as described in Exhibit 1 of the attached Quitclaim Deed. The parcel is adjacent to a parcel of property currently owned by Metro and leased to the Nashville Zoo in a lease agreement approved by BL096-473 and amended by Resolution R98-1039, attached. A proposed parking garage may be constructed across both of these Parcels and the current lease would be amended to include the donated parcel.
