## ABOUT THE COMMISSION

The [Metropolitan Historic Zoning Commission](#) (MHZC) is an architectural review board which reviews applications for work on properties that are within a Historic Overlay and makes recommendations to Metro Council on designation of Historic Overlays. Its nine volunteer members, appointed by the mayor and confirmed by Metro Council, include representatives from zoning districts, the Metropolitan Planning Commission, the Metropolitan Historical Commission; architect(s), and other citizens of Davidson County.

Final Agendas and Staff Reports can be viewed [online](#) the Friday before the meeting.

Any comments to the Commission can be communicated via mail, email, or by attending the meeting. If sending written comment, please send no later than **10am the Tuesday prior to the meeting**, to ensure the Commission receives it in time for review.

**Mailing Address:** MHZC, 1113 Kirkwood Avenue, Nashville, TN 37204

**E-mail:** [historicalcommission@nashville.gov](mailto:historicalcommission@nashville.gov)

Each case follows this format:

- a. Staff will make a presentation about each project up for consideration and provide an analysis on how it does or does not meet the design guidelines.
- b. The applicant will have the opportunity to present (up to **ten minutes**) and answer questions of the Commission. The applicant may reserve two minutes of the ten to rebut public comment.
- c. The public will have **two minutes** each to comment on the application. Someone representing an organization may have **five minutes** if written notice is received no later than 10am the day prior to the meeting day. Please state your name and address for the record before making your comments. Please be sure to direct all comments to the microphone so that they are a part of the official record.
- d. The applicant has the option of responding to public comments, once all have been made, and if the full ten minutes was not used.
- e. After all public comments, the Chair will close the “public hearing” which means there is no more opportunity for public or applicant comments, unless the Commission invites either back.
- f. The Commission will make a decision which could be to approve, disapprove, or approve with conditions. The applicant may also request that a decision be postponed.
- g. Appeals to decisions of the MHZC may be taken to a court of competent jurisdiction as provided for by law.
- h. If the project is approved or approved with conditions, the applicant will receive a permit. If the project is disapproved, the applicant will receive a notice of decision. Any project may be revised and resubmitted for a new review. The exact same project disapproved may not be resubmitted for review.
