TABLED Post Mediation:

- III. **Guidelines on Access?**
 - a. **Mission Statement** (Collectively create a Vision Statement as the tenants)
 - b. **Compensation, TA (Technical Assistance)** ~ Technical Assistance, Outreach / recruitment, Workgroups (once attendance picks UP)
 - c. **Community Inventory** (ALL Ongoing known & unknown resource list For Tenants by Tenants proposed in collaboration with the larger MDHA RAB (Resident Advisory Board) as our CAB proposed subcommittee)

c1. The point of this list is for tenants & staff to name what is already in place & working vs. What is not connecting to the people this is the point of our lived experience in conjunction with those with technical knowledge married together they create healthy solutions for all toward permanent housing for all humans as a basic human right!

D. Create Community Guidelines w/ Community

D1. Chair recommends a group preamble creation & other group policy and legislation work toward city wide tenant protections & prevention (as previously requested, connecting us with Right to Counsel via Legal Aid Society of Middle TN as a collaborative effort with the CAB)
