

Notice of Intent to Award

Solicitation Number	335262	Award Date	9/21/2023 10:32 AM CDT	
Solicitation Title	Engineering Design Services for Metro Water Services (IDIQ) Facility Projects			
Buyer Name	Scott Ferguson	Buyer Email	scott.ferguson@nashville.gov	
BAO Rep	Trevor Hilton	BAO Email	trevor.hilton@nashville.gov	

Awarded Supplier(s)

In reference to the above solicitation and contingent upon successful contract negotiation, it is the intent of the Metropolitan Government of Nashville and Davidson County to award to the following supplier(s):

Company Name	AECOM Technical Services, Inc	Company Contact	Aimee Van Wychen		
Street Address	1000 Corporate Center Drive, Suite 250				
City	Franklin	State	TN	Zipcode	615-419-4769

Company Name	Barge Design Solutions, Inc	Company Contact	Scott Carroll		
Street Address	615 3rd Avenue South, Suite 700				
City	Nashville	State	TN	Zipcode	37210

Company Name	Brown and Caldwell	Company Contact	Felita Bunn		
Street Address	220 Athens Way, Suite 500				
City	Nashville	State	TN	Zipcode	37228

Certificate of Insurance

The awarded supplier(s) must submit a certificate of insurance (COI) indicating all applicable coverage required by the referenced solicitation. The COI should be emailed to the referenced buyer no more than 15 days after the referenced award date.

Equal Business Opportunity Program

Where applicable, the awarded supplier(s) must submit a signed copy of the letter of intent to perform for any and all minority-owned (MBE) or woman-owned (WBE) subcontractors included in the solicitation response. The letter(s) should be emailed to the referenced business assistance office (BAO) rep no more than two business days after the referenced award date.

Yes, the EBO Program is applicable. No, the EBO Program is not applicable.

Monthly Reporting

Where applicable, the awarded supplier(s) will be required monthly to submit evidence of participation and payment to all small (SBE), minority-owned (MBE), women-owned (WBE), LGBT-owned (LGBTBE), and service disabled veteran owned (SDV) subcontractors. Sufficient evidence may include, but is not necessarily limited to copies of subcontracts, purchase orders, applications for payment, invoices, and cancelled checks.

Questions related to contract compliance may be directed to the referenced BAO rep.

Yes, monthly reporting is applicable. No, monthly reporting is not applicable.

Public Information and Records Retention

Solicitation and award documentation are available upon request. Please email the referenced buyer to arrange.

A copy of this notice will be placed in the solicitation file and sent to all offerors.

Right to Protest

Per MCL 4.36.010 – any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the purchasing agent. The protest shall be submitted in writing within ten (10) days after such aggrieved person knows or should have known of the facts giving rise thereto.

Strengths & Weaknesses

AECOM Technical Services, Inc

Management Plan and Approach for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements.
Team Structure and Capacity to Perform for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately document how key subconsultants would complete work. Q#3 - Firm did not adequately document the capacity to perform.
Team Qualifications and Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Q#3 - Firm did not provide enough detail on subcontractors.
Relevant Project Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Some of firm projects lacked relevant details. Firm projects did not include adequate references, did not include fees, initial and final construction costs and key members.

Barge Design Solutions, Inc

Management Plan and Approach for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately describe how approach would comply with regulations.
Team Structure and Capacity to Perform for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Did not adequately document which team members would perform parts of the scope.
Team Qualifications and Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Q#1 - Firm did not adequately connect team members skills with scope requirements. Firm's response exceeded page count.
Relevant Project Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Firm did not provide references for all projects. Firm's projects did not represent all desired project types

Brown and Caldwell

Management Plan and Approach for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements. Q#3 - Firm did not adequately describe approach to controls management.
Team Structure and Capacity to Perform for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#3 - Firm did not adequately describe sub contractors capacity to perform.
Team Qualifications and Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Firm's response exceeded page count.
Relevant Project Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Firm's projects did not represent all desired project types. Some of firm's projects lacked relevant details.

Carollo Engineers, Inc.

Management Plan and Approach for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements. Q#2 - Firm did not adequately describe how approach would comply with regulations.
Team Structure and Capacity to Perform for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately describe what members of team would provide scope of services. Q#3 - Firm did not demonstrate a commitment to utilize small businesses.
Team Qualifications and Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Q#2 - Firm did not adequately document the key team members in performing tasks in the scope. Q#3 - Firm did not provide adequate resume information for key team members and subconsultants.
Relevant Project Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Firm's projects did not represent all desired project types. Some of firm's projects lacked relevant details.

CDM Smith

Management Plan and Approach for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately describe how approach would comply with regulations.
Team Structure and Capacity to Perform for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately describe what members of team would provide scope of services. Q#3 - Firm did not adequately describe the capacity of the proposed team to perform the scope.
Team Qualifications and Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Firm's response exceeded page count. Q#3 - Firm did not provide adequate resume information for subconsultants.
Relevant Project Experience for Facility Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Firm's projects did not represent all desired project types. Some of firm's projects lacked relevant details.

DLZ National Inc**Management Plan and Approach for Facility Projects**

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements. Q#2 - Firm did not adequately describe how approach would comply with regulations. Q#3 - Firm did not adequately describe approach to controls management. Q#5 - Firm did not adequately describe their approach to sustainability.

Team Structure and Capacity to Perform for Facility Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Q#2 - Firm did not adequately describe what members of team would provide scope of services. Q#3 - Firm did not adequately describe the capacity of the proposed team to perform the scope.

Team Qualifications and Experience for Facility Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's response exceeded page count. Q#2 - Firm did not adequately document the key team members in performing tasks in the scope. Q#3 - Firm did not provide adequate resume information for key team members and subconsultants.

Relevant Project Experience for Facility Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's projects did not represent all desired project types. Many of firm's projects lacked relevant details.

FVB Energy Inc**Management Plan and Approach for Facility Projects**

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements. Q#2 - Firm did not adequately describe how approach would comply with regulations. Q#3 - Firm did not adequately describe approach to controls management.

Team Structure and Capacity to Perform for Facility Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Q#1 - Firm's org chart did not provide all requested information. Q#2 - Firm did not adequately describe what members of team would provide scope of services. Q#3 - Firm did not demonstrate a commitment to utilize small businesses.

Team Qualifications and Experience for Facility Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's response exceed page count. Q#1 - Firm's response did not document the qualifications for their team to provide the services provided in the scope. Q#2 - Firm did not adequately document the key team members in performing tasks in the scope. Q#3 - Firm did not provide adequate resume information for subconsultants.

Relevant Project Experience for Facility Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's projects did not represent all desired project types. Many of firm's projects lacked relevant details.

GRESHAM SMITH**Management Plan and Approach for Facility Projects**

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
