

Notice of Intent to Award

Solicitation Number	335262	Award Date	9/21/2023 10:32 AM CDT	
Solicitation Title	Engineering Design Services for Metro Water Services (IDIQ) Linear Projects			
Buyer Name	Scott Ferguson	Buyer Email	scott.ferguson@nashville.gov	
BAO Rep	Trevor Hilton	BAO Email	trevor.hilton@nashville.gov	

Awarded Supplier(s)

In reference to the above solicitation and contingent upon successful contract negotiation, it is the intent of the Metropolitan Government of Nashville and Davidson County to award to the following supplier(s):

Company Name	AECOM Technical Services, Inc	Company Contact	Aimee Van Wychen	
Street Address	1000 Corporate Center Drive, Suite 250			
City	Franklin	State	TN	Zipcode 615-419-4769
Company Name	Barge Design Solutions, Inc	Company Contact	Scott Carroll	
Street Address	615 3rd Avenue South, Suite 700			
City	Nashville	State	TN	Zipcode 37210
Company Name	CDM Smith	Company Contact	Mr. Daniel Zack	
Street Address	210 25th Avenue North, Suite 1102			
City	Nashville	State	TN	Zipcode 37203

Certificate of Insurance

The awarded supplier(s) must submit a certificate of insurance (COI) indicating all applicable coverage required by the referenced solicitation. The COI should be emailed to the referenced buyer no more than 15 days after the referenced award date.

Equal Business Opportunity Program

Where applicable, the awarded supplier(s) must submit a signed copy of the letter of intent to perform for any and all minority-owned (MBE) or woman-owned (WBE) subcontractors included in the solicitation response. The letter(s) should be emailed to the referenced business assistance office (BAO) rep no more than two business days after the referenced award date.

Yes, the EBO Program is applicable. No, the EBO Program is not applicable.

Monthly Reporting

Where applicable, the awarded supplier(s) will be required monthly to submit evidence of participation and payment to all small (SBE), minority-owned (MBE), women-owned (WBE), LGBT-owned (LGBTBE), and service disabled veteran owned (SDV) subcontractors. Sufficient evidence may include, but is not necessarily limited to copies of subcontracts, purchase orders, applications for payment, invoices, and cancelled checks.

Questions related to contract compliance may be directed to the referenced BAO rep.

Yes, monthly reporting is applicable. No, monthly reporting is not applicable.

Public Information and Records Retention

Solicitation and award documentation are available upon request. Please email the referenced buyer to arrange.

A copy of this notice will be placed in the solicitation file and sent to all offerors.

Right to Protest

Per MCL 4.36.010 – any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the purchasing agent. The protest shall be submitted in writing within ten (10) days after such aggrieved person knows or should have known of the facts giving rise thereto.

Strengths & Weaknesses

ABES ENGINEERING, INC
Management Plan and Approach for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements. Q#2 - Firm did not adequately describe how approach would comply with regulations. Q#4 - Firm did not adequately describe managing risks and safety.
Team Structure and Capacity to Perform for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately document how key subconsultants would complete work. Q#3 - Firm did not adequately document the capacity to perform.
Team Qualifications and Experience for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Q#1 - Firm did not adequately connect team members skills with scope requirements. Q#2 - Did not adequately document which team members would perform parts of the scope. Q#3 - Firm did not provide enough detail on subconsultants.
Relevant Project Experience for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Firm's projects did not represent all desired project types. Many of firm's projects lacked relevant details.

AECOM Technical Services, Inc
Management Plan and Approach for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#1 Firm did not provide detail demonstrating an understanding of the scope requirements.
Team Structure and Capacity to Perform for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP.
Weaknesses: No weaknesses were noted.
Team Qualifications and Experience for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below.
Weaknesses: Firm's response exceed page count. Q#3 - Firm did not provide adequate resume information for subconsultants.
Relevant Project Experience for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Firm's projects did not represent all desired project types. Some of firm's projects lacked relevant details.

Alfred Benesch & Company
Management Plan and Approach for Linear Projects
Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.
Weaknesses: Q#2 - Firm did not adequately describe how approach would comply with regulations. Q#4 - Firm did not adequately describe approach to risk management. Q#5 - Firm did not adequately describe their approach to sustainability.
