Wednesday, October 25, 2023
2:00 p.m.

Safe Haven Family Shelter, 1234 3rd Av S

- Minutes from last meeting
- Values & equity statement

“We define racism as racial prejudice plus the misuse of power by systems and institutions (misuse can be intentional or unintentional). We are mindful of the racial inequities across housing, economic mobility, health care, criminal justice, and other systems. These all contribute to racial inequities in homelessness. I pledge to stay mindful of the power and privilege that I bring into every space that I enter and conversation that I have. I pledge to actively and intentionally practice antiracism when participating in Membership Committee meetings, representing this committee and the CoC in the community, and in talking about homelessness and housing issues in Nashville.”

Section II. General Membership

A. Composition

The CoC invites new members to join via electronic application (and paper-based, when needed) on an ongoing basis. The invitation is communicated by public notice and other appropriate media, which may include website announcements and email messages distributed to a wide range of stakeholders and members. To become and remain a member of the CoC, an individual or organization must:

- Submit a membership application (and annual renewal), which provides relevant data and affirms the prospective member's commitment to the following:
 - Supporting the implementation of the CoC's HMIS and maintaining (as applicable) an acceptable HMIS data quality rating (established by the HMIS Lead) for all relevant resources connected to the HMIS system.
 - Supporting the CoC's Coordinated Entry (CE) and, if applicable, using CE to receive 100% of referrals for housing resources funded through the CoC, and to maximize the receipt of referrals from non-CoC-funded housing resources.
 - Contributing staff capacity (as applicable) to planning and implementing the CoC's annual Point-in-Time (PIT) counts.
 - Creating an effective housing crisis resolution system using evidence-based practices (as applicable).
- To retain voting privileges, attend 50% of the GM meetings organized by the CoC.
- If an organization, assign one individual to serve as the primary liaison to the CoC, responsible for representing the CoC within the organization, helping to communicate and generally support trainings and CoC stakeholder meetings and informing the organization's leadership of matters related to the CoC. Each liaison must complete a conflict of interest disclosure statement.
- Support the efforts of individuals appointed to serve on CoC committees.
- On an annual and on-ongoing basis, the Membership Committee will ensure that invitations to join the CoC are made broadly through outreach to regional organizations that may have an interest in participating, general notices posted on the appropriate HPC and CA websites, word-of-mouth invitations and any other resource available for recruitment of new CoC members.

Benefits of Membership

CoC members may:
