STAFF RECOMMENDATION: \$4000 Civil Penalty or 21 Day Suspension and 120 Days Probation

Attorney Michael Schmitt appeared on behalf of Tri-Star Energy, LLC to speak on both cases being heard. Mr. Schmidt advised that they would be pleading guilty to both cases, but with explanation.

After all parties were sworn in, Melvin Brown gave a brief summary of the events that occurred at this location during a beer buy operation held on or about July 27th, 2023. Mr. Schmidt went over the in-depth training that all employees must take when they are hired. He also advised that this location does have I.D. scanners, but also have the ability to override the scanner. He explained why this is necessary, due to situations where an I.D. from another country may be presented that the scanner will not read.

After some discussion, Mr. Perlin made a motion to issue a citation using the staff recommendation of a \$4,000 civil penalty or the option to serve a 21-day suspension followed by a 120-day probation period. Mr. Taylor wanted to point out to the board members that although staff recommends a penalty, it doesn't necessarily mean that the board doesn't have the ability to make changes to that recommendation depending on the circumstances of the case.

After another brief discussion, Mr. Perlin requested to rescind his motion. Mr. Perlin then made a motion to issue a citation for a \$2,500 civil penalty or the option to serve a 21-day suspension followed by a 90-day probation period. Mr. Marsh (Legal) asked for clarification as to how Mr. Perlin reached this recommended penalty. Mr. Perlin said that he based his recommendation on the fact that the permit holder has put measures in place to ensure this doesn't happen. Mr. Taylor stated that the board has the authority to make changes to the staff recommended penalty as they see fit.

Ms. Fox seconded the motion to issue a citation for a \$2,500 civil penalty or the option to serve a 21-day suspension followed by a 90-day probation period. The Board voted unanimously to issue the citation.

Melvin Brown gave a brief summary of the events that occurred at this location during a beer buy operation held on or about July 27th, 2023. Attorney Michael Schmitt informed the board that this location has made it mandatory that all I.D.'s be scanned without the ability to override the system.
