Evaluation Comments

Modern Day Wrecking Co
Strengths
Project Approach and Process section, verify utilities being cut off, check inside demo for asbestos and make sure it is empty before demo. Listed how materials would be recycled. In Experience, Qualifications and Capacity section, very knowledgeable and detailed, great experience listed.
Weaknesses
Project Approach and Process section, very vague details listed about risk, said risks are on the owner. In Experience, Qualifications and Capacity section, lacked details on previous projects and lacked details on prioritizing Metro projects.
Tiny's Construction, LLC
Strengths
Project Approach and Process Section, very detailed and had a great risk mitigation plan. In Experience, Qualifications and Capacity section, knowledgeable of projects and great experience listed.
Weaknesses
Project Approach and Process section, not specific to Metro Water projects, listed that the driveway stays, not always the case for MWS projects. In Experience, Qualifications and Capacity section, did not list out how they would prioritize Metro projects, preference given to list MWS projects and no MWS projects were listed and previous projects/experience.
