**Events:** Since we last met, GEODIS Park hosted the San Jose Earthquakes (1-1), the CF Montréal (4-1), Toronto FC (2-0), Atlanta United (1-1), and New England Revolution (1-2). The Club also parted ways with its first-ever Coach, Gary Smith, last month. Player Development Coordinator, Rumba Munthali is currently serving as the Interim Head Coach. Nashville SC currently sits at ninth on the table with four wins, seven draws and five losses.

On the non-soccer side, GEODIS Park hosted its first-ever commencement ceremony. More than 4,300 students from Vanderbilt University participated in the graduation ceremony at GEODIS Park due to the construction on the Vanderbilt campus.

**Club update:** Nashville SC will play New York City FC (6/22) and Inter Miami FC (6/29) at home prior to our next Fair Board meeting.
