## Old Business

- Chair Robert Robinson asked for a motion to approve the August 20, 2024 meeting minutes. The motion was made by Sarah Goodrich and seconded by Vickie Harris. Motion was approved.

## New Business

- **2025 Community Health Assessment Strategic Issues discussion**

Tracy Buck shared a PowerPoint presentation (attached) to make sure that all members were on the same page with the community health assessment process including a review of the September 17 meeting process and the resulting six (6) recommended strategic issues (housing, transportation, whole person focused health, awareness and navigation of community resources, food access/food insecurity, economic opportunity & job skill development). The members were invited to participate in a prioritization exercise of the six (6) issues using an online Canva whiteboard. The members were asked to use the following criteria for the exercise:

- Community readiness
- Policy impact
- Cost-benefit
- Influence
- Opportunity
- Resources

The final voting tally was:

- Housing=12 votes
- Economic Opportunity & Job Skill Development=12 votes
- Food Access/Food Insecurity=11 votes
- Awareness & Navigation of Community Resources=8 votes
- Transportation=6 votes
- Whole Person Focused Health=4 votes

Members will have the opportunity to contemplate these prioritization results and discuss how to best move these issues forward. The final vote of strategic issue adoption will occur at the December 17 meeting.

- **NHWLC logo discussion**

Vice Chair Sarah Goodrich led a conversation about a logo for the Council. Harriett Wallace, Metro Social Services Communications Manager draft logo options for review. The two (2) logos had been shared before the meeting. Attendees were asked to provide feedback on the options. There were no substantive recommendations made. Call for a vote of preference for the logos was made. All the members and Ex Officio members were asked to vote. The logo that

uses a tree was the preferred by a vote of ten (10) to four (4). A motion to adopt the tree logo was made and seconded. Logo was adopted and is attached.

- **Rooted Together Nashville grant Wrap-up Presentation**

Vickie Harris, representing the CHIP Food Access/Food Insecurity Workgroup and the Rooted Together Nashville grant team, presented the wrap-up of the grant project (attached).

This grant project was designed as a planning grant to improve food access for North Nashville residents in the zip codes of 37207, 37208 and 37218. The work included an environmental scan of existing data to provide insight on the North Nashville food security landscape, a mapping exercise of food assets and a USDA Food Store Survey in a sample of food access points to identify the availability and affordability of food. The team developed the Seeds of Equity Food Insecurity training and trained community trainers increase knowledge of community members and organizations on how inequities are the root cause of the food insecurity in North Nashville.
