No,

This is what the amount came up to based on the Estimated Annual Amounts that were in the Bid Form. I would assume that the Bid Form amounts were overestimated, which is why the final amount looks so high. Nevertheless, you budget submitted on the Requisition was \$5,000,000. If you all would like to increase to \$10,000,000 that is fine as well. We will cap the contract at whatever you all desire.

Thanks

Daniel

Danial,

Just so I'm clear, is the total award amount going to be over \$52 million? \$10,313,350.00 sounds correct for the total across the life of the contract.
