The full program is **June 2nd – July 18th**

**June 2nd – June 6th:** Interns attend work readiness skills training for four hours daily.

**June 5<sup>th</sup> –** Youth will attend the Experience Work Power Youth Summit Kickoff.

**June 9th – July 18th:** Team Members on site at their agencies on Monday-Friday at the time scheduled by employer. You will be scheduled to work **4 hours** daily which equals **20 hours** per week.

**July 18th:** **POWER** Youth Summer Employment Program - End of Summer Celebration – Team Members can showcase their projects from the summer.

If you are selected as an Experience Work Team Member, you will make **\$12.00 an hour** and receive a summer program with project-based employment for youth ages 14 -15.

Experience Work projects can be focused on the arts, leadership skills or community development. In addition, you will learn “work ready” skills for future employment. There are opportunities to intern in many areas of Nashville, so please select the opportunity based on your access to transportation.
