Madison Station Boulevard Complete and Green Street

The safety Nashvillians deserve

Madison Station Boulevard

Safe infrastructure...

vs.

Old Hickory Boulevard:
Future Complete Street Project

No protections...

You spend \$50, pay additional 25¢

“your half-penny at work”

- About \$6 per month for most households
- Aligns sales tax with most surrounding counties
- Almost 60% of sales tax paid by visitors

The WeGo Public Transit Procurement Department conducts all purchasing activities for the Nashville Metropolitan Transit Authority (Nashville MTA), the Regional Transportation Authority of Middle Tennessee (RTA) and the Davidson Transit Organization (DTO).

The procurement team develops and issues solicitations for all goods, inventory items, consultant and professional services, and construction projects. The Procurement and Project Administrators (PPAs) are responsible for all purchasing activities and serve as the primary point of contact for subcontractors, vendors, and suppliers.

To learn more about the terms and conditions for doing business with the agency, please see the [Purchase Order Detailed Terms and Conditions](#).
