

Health care that's there for when and where you need it.

Head-to-toe virtual care from MDLIVE.

Virtual care through MDLive for Primary Care and Urgent Care
Is covered at 100%.

Virtual care is making access to high-quality healthcare more convenient and affordable – for you and every covered member of your family. That's why Cigna HealthcareSM has partnered with MDLIVE[®] to offer a broad suite of convenient virtual care options – available by phone or video, and in English or Spanish

Primary Care¹

Easy, fast appointments, referrals, prescriptions, lab work and diagnostic tests

- Preventive care and wellness screenings available at no additional cost to identify conditions early²
- Manage chronic conditions and establish a relationship with the same primary careprovider (PCP) through routine care.
- Receive orders for biometrics and blood work at local facilities³

Urgent Care

Available via E-Treatment, phone or video.⁵

- Convenient, affordable alternative to urgent care centers and the emergency room
- Care for many minor illnesses and injuries, such as infections, cold & flu, and sinus problems
- Includes pediatric care, allowing your child to be seen quickly and from the comfort of their home

Dermatology⁴

Fast, customized care for skin, hair, and nail conditions – no appointment required

- Care for common skin, hair and nail conditions including acne, eczema, psoriasis, rosacea, suspicious spots and more
- Upload photos and describe symptoms for board-certified dermatologists to review
- Diagnosis and customized treatment plan, usually within 24 hours

Behavioral Care

Talk therapy and psychiatry from the privacy of home, with no waiting rooms

- Access to licensed therapists and board-certified psychiatrists
- Schedule an appointment that works for you and have recurring sessions with the same provider
- Care for topics such as anxiety, stress, life changes, grief and depression

Prescriptions available through home delivery or at local pharmacies, if appropriate.

Cigna Healthcare provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan's network and may not be available in all areas or under all plans. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs. In California: Services may be available on an in-person basis or via telehealth from the enrollee's primary care provider, treating specialist, or from another contracting individual health professional, contracting clinic, or contracting health facility consistent with California law. Enrollees that have coverage for out-of-network benefits may receive services either via telehealth or on an in-person basis using the enrollee's out-of-network benefits. Note: out-of-network benefits, if available, will generally include higher out-of-pocket financial responsibility and no balance-billing protections. Please refer to your benefit plan documents for specific information about your benefit plan and out-of-network benefits.
