SAFER STREETS IN NASHVILLE

## Coloring book

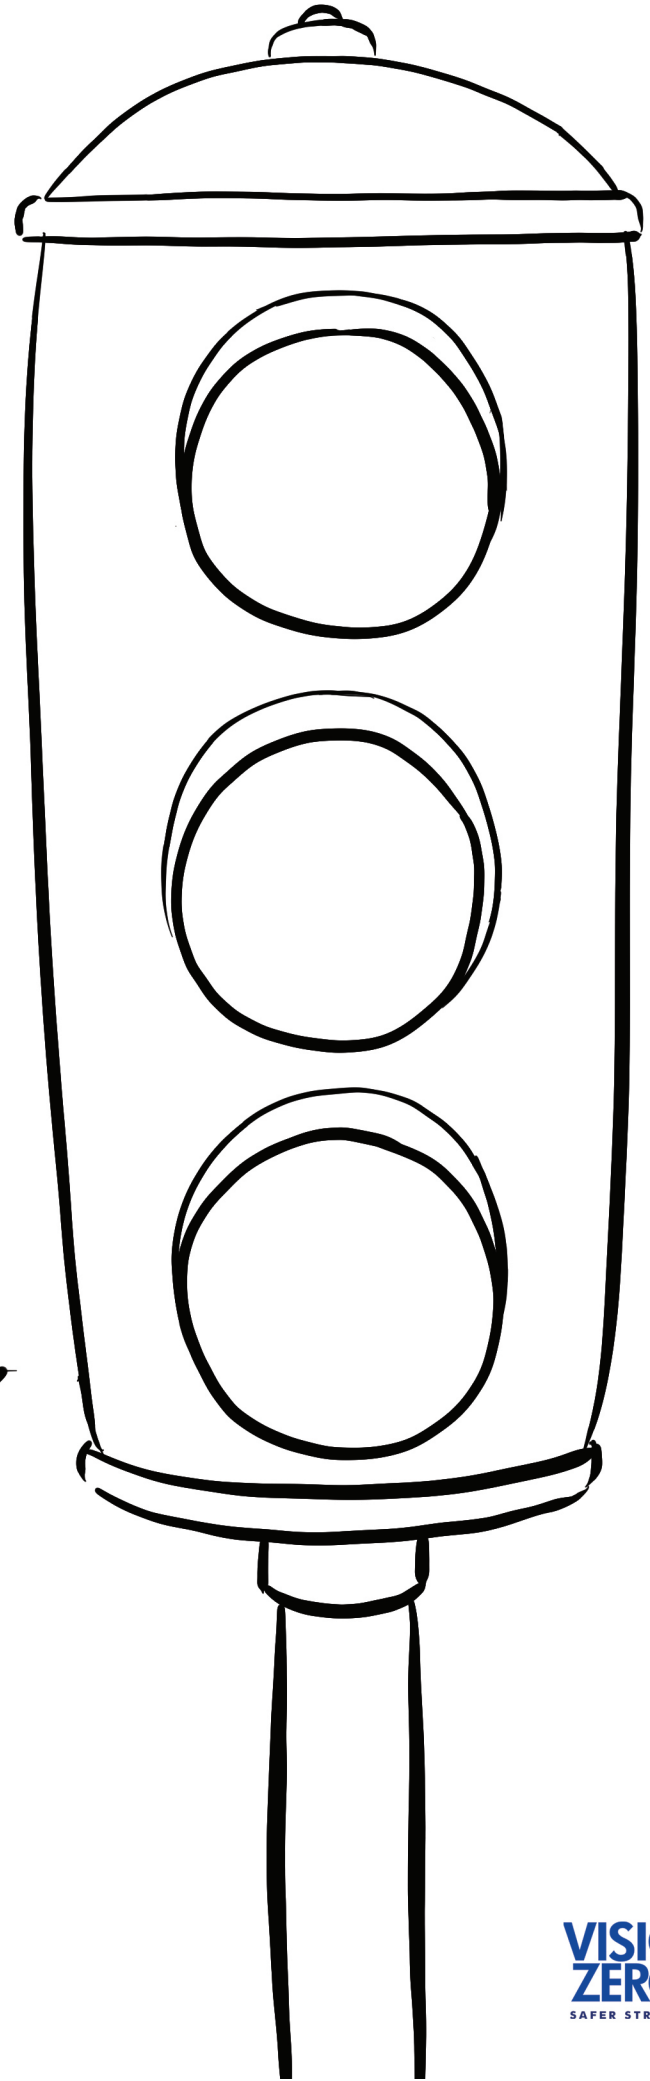

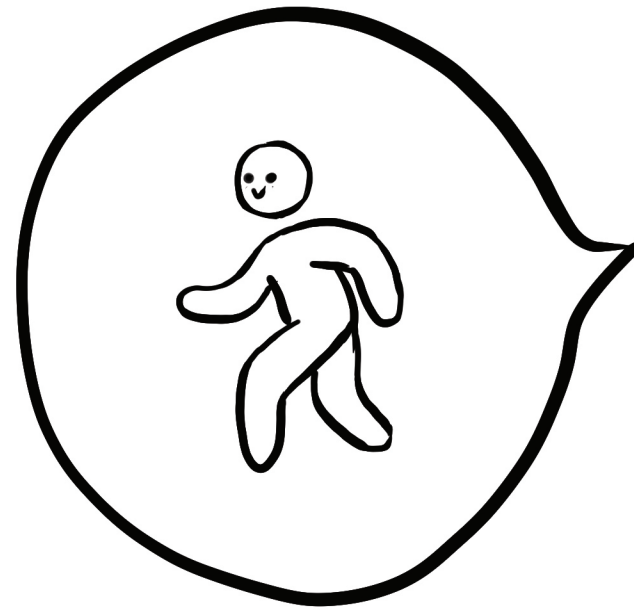

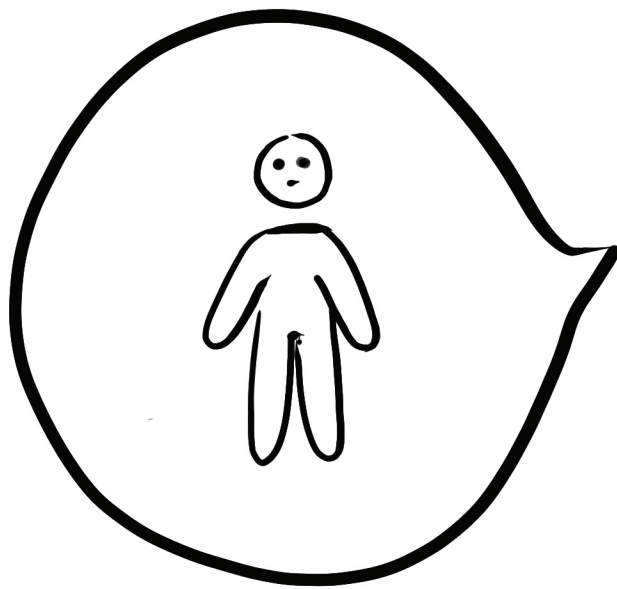

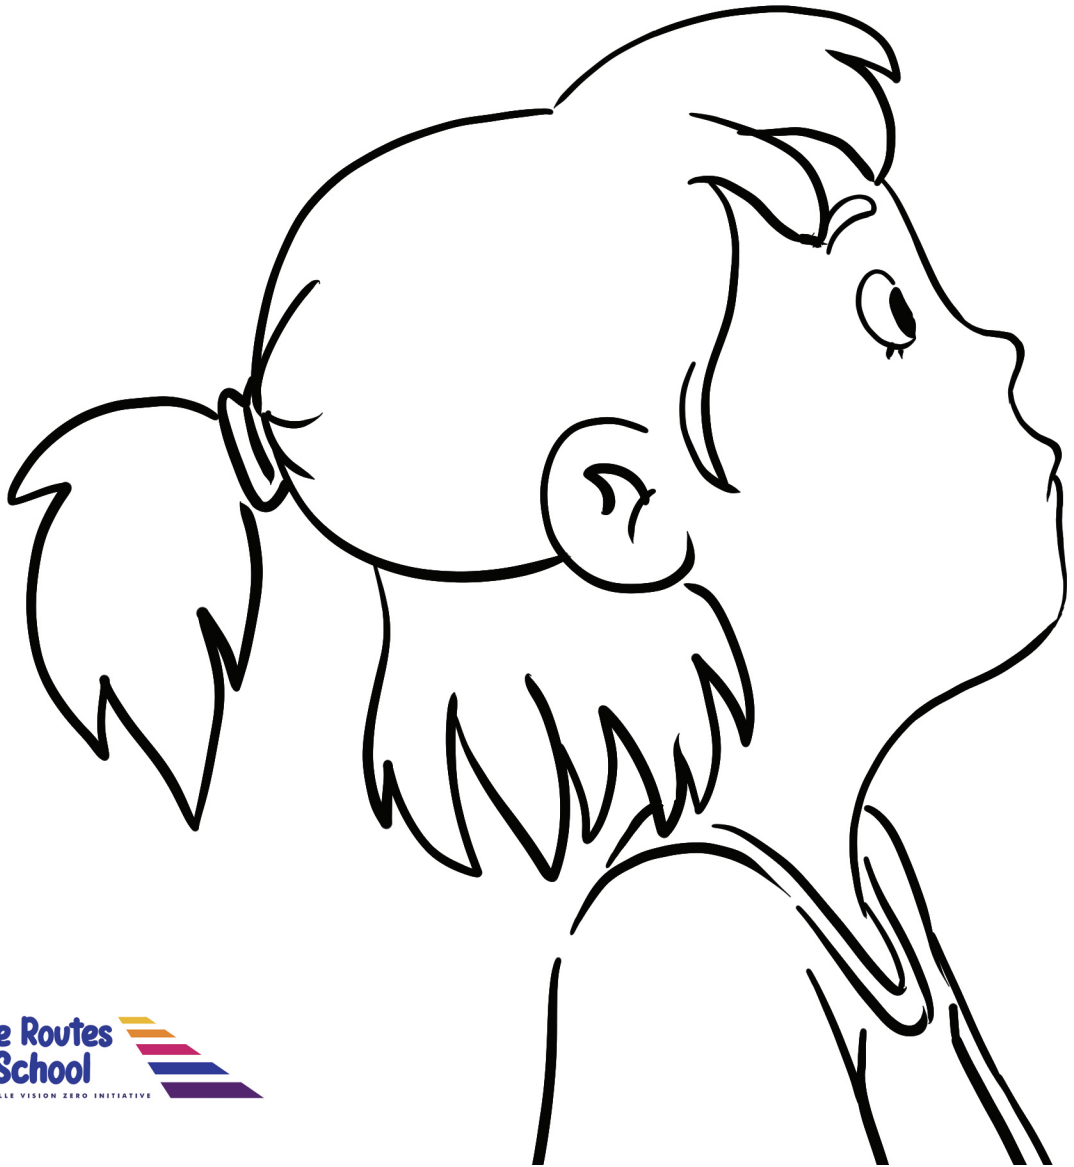

Left, right, left, it's the way,  
Safe crossing, every day.  
Green light means, it's okay,  
Watch for cars, come what may.

Look around, before you dart,  
Safety's important, right from the start.  
Respect the rules, it's not so tough,  
Stay safe, that's enough.

# WAITING

# Are you ready for a rally with **HELMET HERO**?

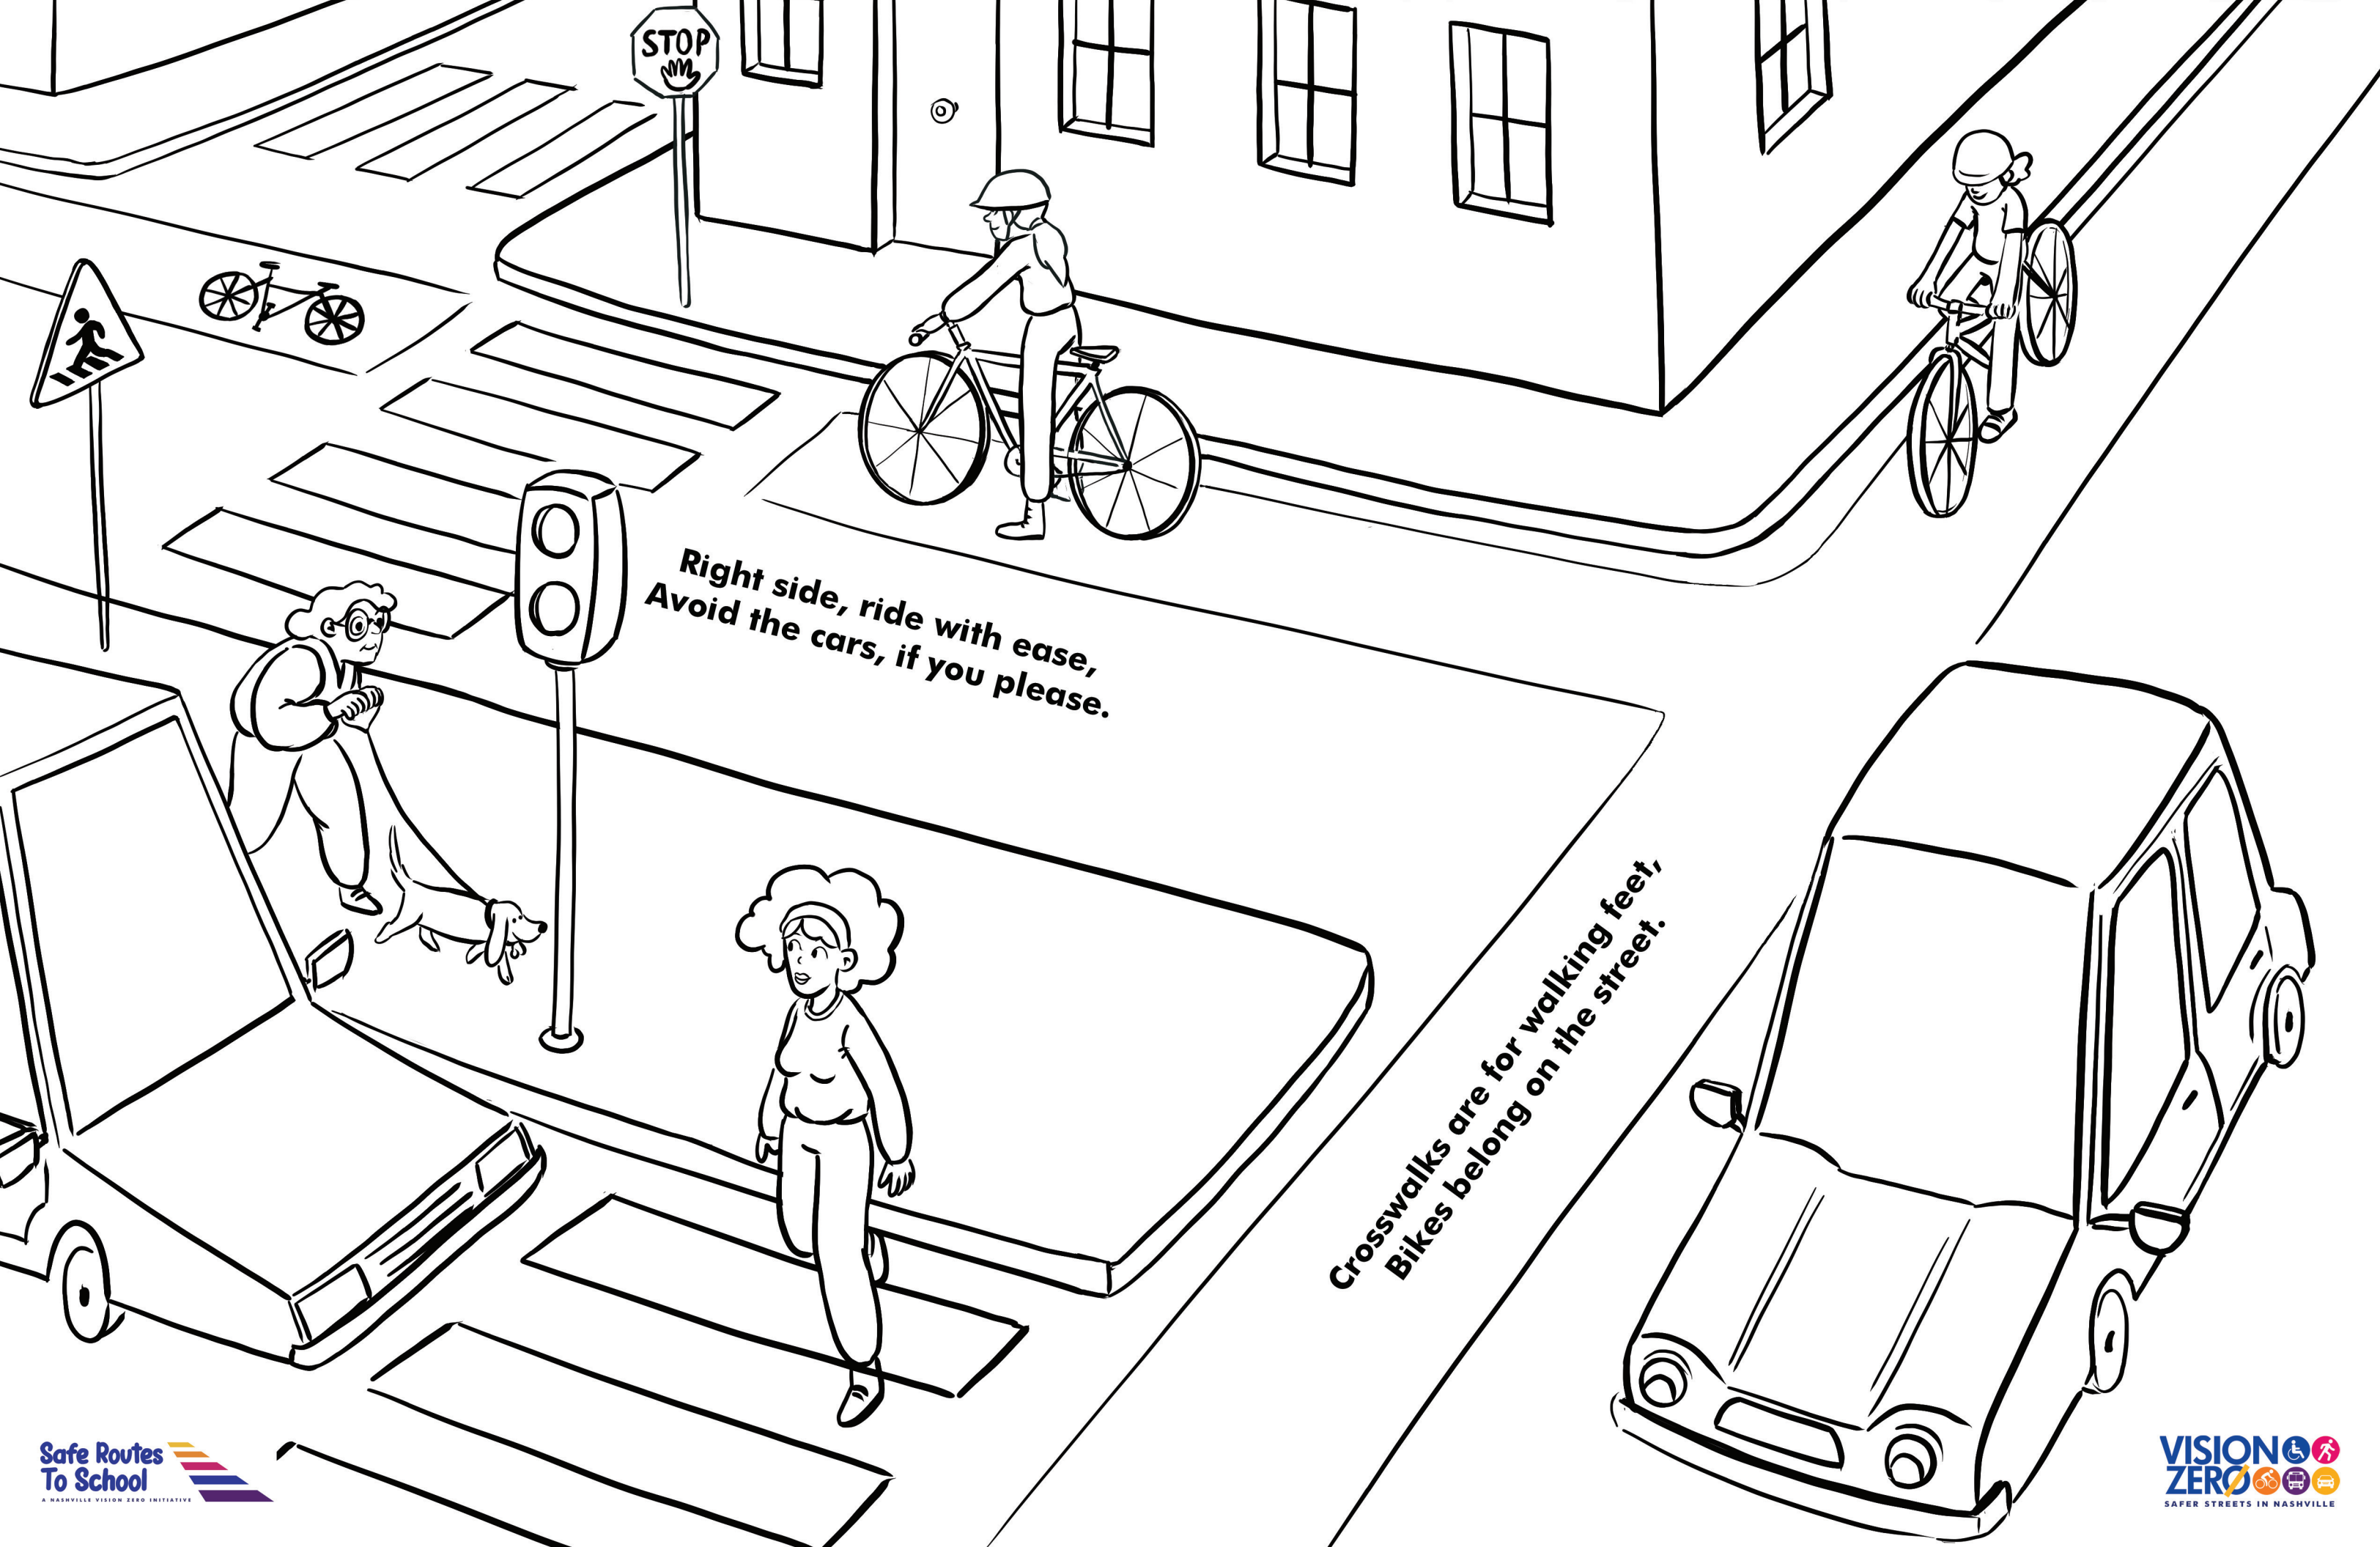

Helmet on  
and tight!

Helmet on, safe and sound,  
Ride with care, on every  
ground.

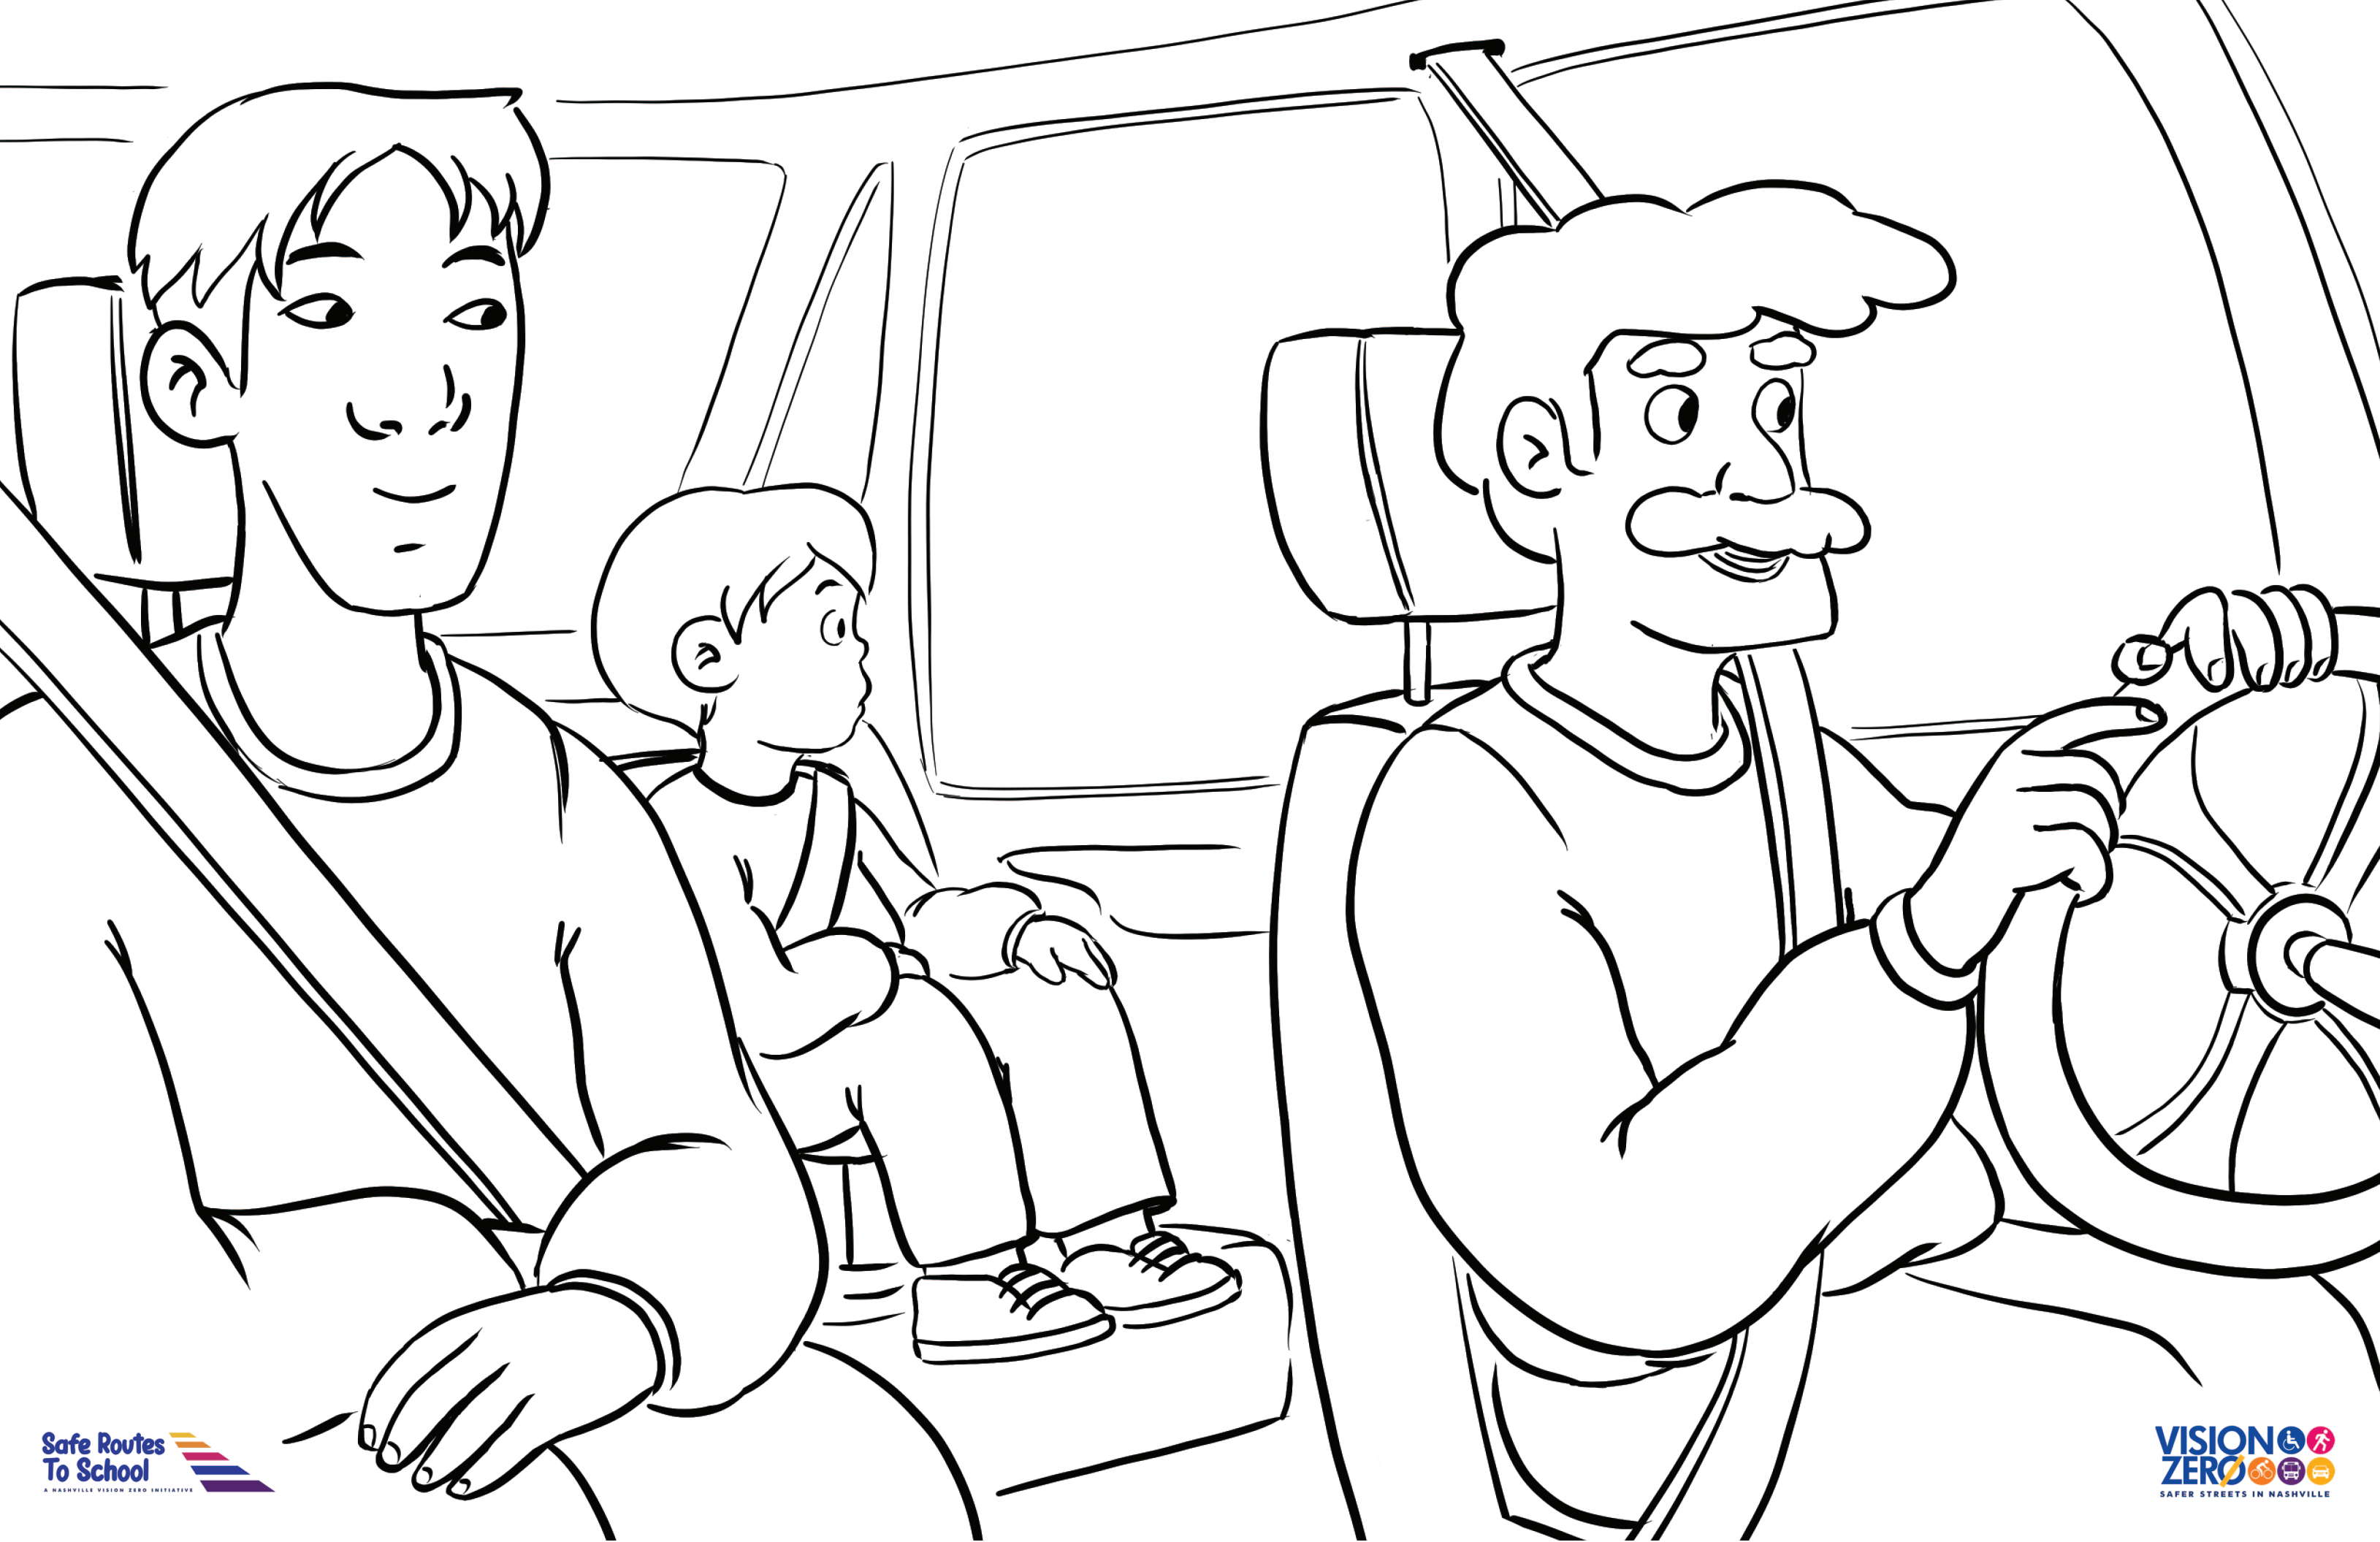

*Right side, ride with ease,  
Avoid the cars, if you please.*

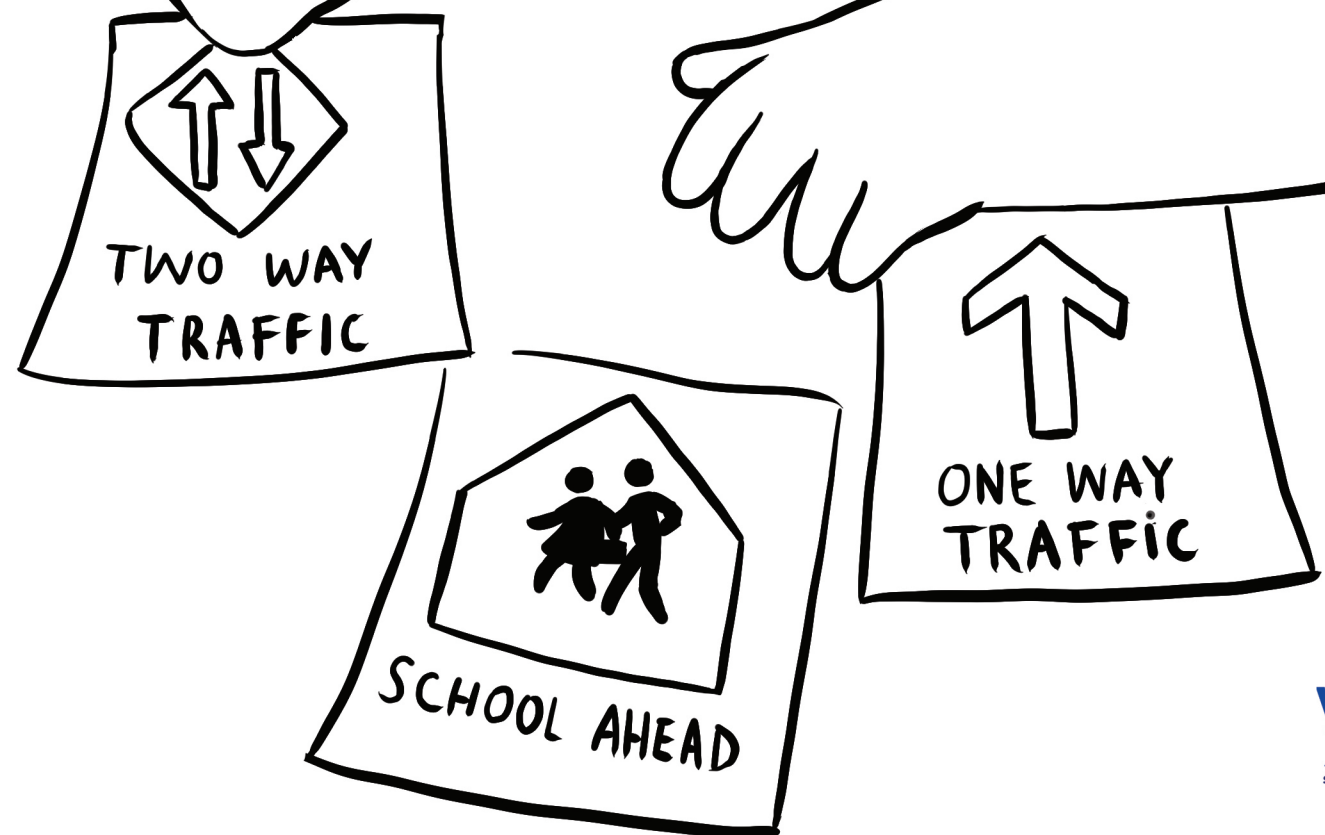

*Crosswalks are for walking feet,  
Bikes belong on the street.*

Watch the road, both far and near,  
Safety first, that's crystal clear.

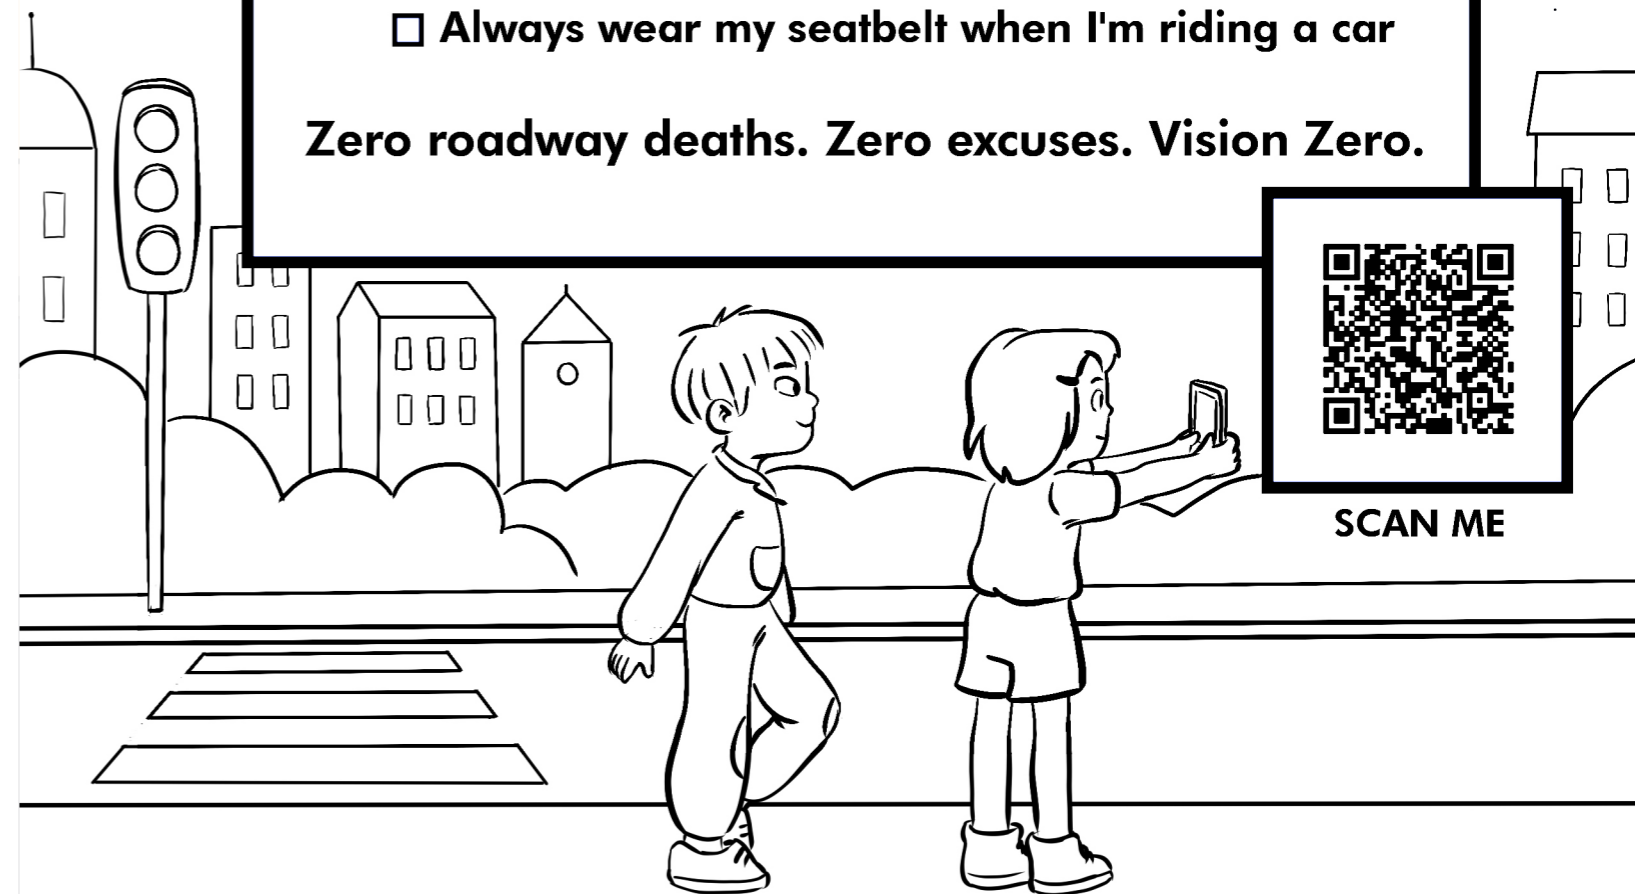

**We all want our roads to be safe. I \_\_\_\_\_ promise to:**

- Look both ways before I cross the street
- Wear my helmet when I ride my bike
- Follow all the traffic rules
- Always wear my seatbelt when I'm riding a car

**Zero roadway deaths. Zero excuses. Vision Zero.**

**SCAN ME**

An initiative of the Nashville Department of Transportation and Multimodal Infrastructure (NDOT), Vision Zero is the champion of roadway safety in Metro Nashville with an ambitious goal to reduce roadway fatalities to zero.

Vision Zero recognizes that people will sometimes make mistakes, so the road system and related policies should be designed to ensure those inevitable mistakes do not result in severe injuries or fatalities.
